This ranking method is used for each individual committee member’s scores. In the event a tie still exists the proposer with the highest number of 2nd, place rankings shall be the first ranked proposer.  - 24.1.2. Step 2: At the conclusion of step 1, if all is equal, the proposer having a drug-free work place program, shall be deemed the first ranked proposer.

 - 26.3.1. The proposer acted in good faith in submitting the proposal,
 - 26.3.2. The mistake in proposal preparation that was of such magnitude that to enforce compliance by the proposer would cause a severe hardship on the proposer,
 - 26.3.3. The mistake was not the result of gross negligence or willful inattention by the proposer; and
 - 26.3.4. The mistake was discovered and was communicated to the County prior to the County Commission having formally awarded the contract/agreement.

IMPORTANT:

For corporations, ALL documents must be signed by the president of the company or an authorized individual. For any individual other than the president, we will need one of the following to confirm their authority to sign:

1. a corporate resolution by the Board of Directors, or
2. an extract of minutes, or
3. an extract of Vote by the Board of Directors

If the company's articles of incorporation identify additional positions that have the power to bind the corporation, we will accept the articles of incorporation with verification from the president that a certain individual serves in that role (e.g., the president confirms that John Doe is the CEO, and the articles of incorporation provide that the CEO has the power to bind the company).

With respect to an LLC, the authority to bind a limited liability company is controlled by Florida statutes. Managers or managing members have inherent authority to bind an LLC.

If the president of a corporation or a manager/managing member of an LLC delegates their authority, such delegation must be sent to us on company letterhead with the President's or manager's/managing member's original, wet signature.
