

State of Florida

Introducing the new State of Florida contract

State of Florida 10/11-008C
Department of Management Services (DMS)
Division of Telecommunications (DivTel)
Mobile Communication Services (MCS)

Who is Eligible to Purchase

State Agencies

The following categories require a CPNI release form and Signed AOL form in order for Verizon Wireless to be able to release your billing information to DMS/DivTel. Please complete the online CPNI release and submit the AOL form (link on the right) to your Verizon Wireless Sales representative, in order to begin your account migration to the new State Contract terms.

*Provided it is available in the systems and your account is current.

Local Governments (Cities & Counties)
Educational Institutions (Schools, Universities, and Community Colleges)
Eligible Non-Profit Organizations
Water Management Districts

[Click Here](#) to fill in your CPNI form to release your information to Department of Management Services (DMS)/ Division of Telecommunications (DivTel)/ Mobile Communication Services (MCS).

See contract for ALL standard Terms and Conditions.

Please contact your local sales rep or contact the Florida Government support team at flgovernmentssupport@verizonwireless.com

Description

This SUNCOM contract is for the purchase of wireless voice equipment, accessories, and services including push to talk phones and services. Accessories include hands-free kits, belt clips and holsters, cases, face plates, batteries, chargers, vehicle power adapters, and car kits.

Benefits

- Pricing plans include per minute rates for in state and per minute for out of state calls, as well as several fixed rate, unlimited call packages and group mobile to mobile rate plans.
- Free standard cells phones and discounted phones when more robust features are required.
- Statewide coverage
- No charge for cancellation of services and no long term contract for standard cell phone services.
