**Please *initial* the following:**

\_\_\_\_\_ I certify to the best of my knowledge that this dog has **NOT** bitten or scratched a human within the last ten (10) days.

If so, Date of bite or scratch \_\_\_\_\_

\_\_\_\_\_ I understand that surrendering a dog I own as a STRAY is a violation of Lee County Ordinance and may result in fees and fines up to \$500 in addition to any court costs.

\_\_\_\_\_ I understand Lee County Domestic Animal Services will hold this dog for a minimum **THREE-DAY** (3) stray dog holding period during which it may be reclaimed by its owner. I understand that adoptability of this dog is based, in part, upon its health and temperament at the time of evaluation and that LCDAS cannot guarantee placement.

\_\_\_\_\_ I understand I may complete an Adoption Application with the intent of adopting this dog PRIOR to the expiration of **THREE-DAY** stray holding period.

I would like to make a tax-deductible donation in the amount of \$\_\_\_\_\_ to the Animal Care Trust Fund which provides veterinary care and treatment of stray animals with illness and/or injury since tax dollars are not available for emergency veterinary services. The Animal Care Trust Fund accepts Visa, MasterCard, checks and cash. Your generous donation will improve the lives of many animals.
