

## **PUBLIC NOTICE**

PLEASE BE ADVISED that one or more members of the Lee County Conservation Land Acquisition and Stewardship Advisory Committee (CLASAC) – Conservation 20/20 Program and County staff will conduct a field trip to an existing Conservation 20/20 preserve, as follows:

**DATE:**           **Thursday, May 2, 2019**

**What:**           **CLASAC Field Trip: Yucca Pens Preserve**

**Time:**           **8:30 to 11 a.m.**

(Approximate time frame 2.5 hours for field trip)

**Where:**       Meet at the service gate for Yucca Pens Preserve on Burnt Store Road in northwest Cape Coral. Driving directions: From the intersection of Pine Island Rd. and Burnt Store Rd., travel north on Burnt Store Rd. for 7 miles. After passing Cape Coral Fire Department Station 7 at NW 40<sup>th</sup> Lane (on the left side of the road), prepare in 0.6 mile to pull over on the right side of the road at the service gate entrance to the preserve. Location map is attached.

Registration in advance is required and preference is given to CLASAC members due to limited seating in the tour vehicles. Registration deadline is noon, Tuesday, April 30; please register as early as possible. To RSVP and for any questions, please call (239) 204-1125 or e-mail Jason Boeckman at [jboeckman@leegov.com](mailto:jboeckman@leegov.com).

Please note: No decisions regarding management of the preserve will be made during the field trip. The Lee Board of County Commissioners makes final decisions regarding land management of Conservation 20/20 preserves.
