ROADWATCH UPDATE

August 29, 2024 to September 4, 2024

1. Road Work/Maintenance/Improvement

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road at that location. The Village of Estero will be installing shared use paths, lighting, and landscaping as phasing allows. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, and miscellaneous turn lane closures.**

Please use caution and drive with courtesy and patience throughout the project area. Residents are entering and exiting communities on both sides of Corkscrew Road.

The following information is provided by Cougar Contracting, Inc.:

- Corkscrew Road is now in its final configuration from Ben Hill Griffin Parkway to Bella Terra Boulevard. Motorists should expect isolated flagging operations with periodic lane closures as the contractor works through the final project punch list. Motorists should also expect construction vehicles entering and leaving the roadway.
- Crews continue installing signalization, striping, and fencing throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

WORK PERFORMED BY OTHERS:

- GL Homes is actively working in the RiverCreek Community site across from Wild Blue Boulevard. Motorists should expect delays and use caution as construction vehicles enter/exit the roadway.
- The Village of Estero anticipates beginning construction of their shared use path in fall 2024. The path is designed to extend to the east property line of Bella Terra on the south side and to east of Grandezza on the north side of Corkscrew Road.

**MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT.
FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.**

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion of the full project is summer 2024.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Corkscrew Road Widening Project – Phase 2 Construction Project: The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bike lanes in each direction, a 10-foot-wide shared-use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Crews are installing water main from Wayside Lane to Alico Road.
- Crews are installing a force main on both sides of Corkscrew Road.
- During daytime hours, the contractor continues earthwork as a part of the new pond construction east of Corkscrew Shores.
- Crews are installing erosion control and traffic control devices throughout the project.
- Crews may be working close to the roadway. Motorists are asked to drive with caution. Sidewalks may be closed in areas throughout the project as the contractor performs underground work.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Estimated completion is spring 2026. Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: Crews have moved traffic to the permanent lanes on the Sanibel Causeway. **The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access, including from the water.**

The following work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

East of the Toll Plaza:

- McGregor Boulevard is REDUCED TO ONE LANE IN EACH DIRECTION for approximately ½ mile from Shell Point Boulevard to west of Port Comfort Road. Both directions of travel are using the north side of the roadway. Later this fall traffic will be shifted to the south for crews to work on the north. This shift is necessary for the contractor to reconstruct an underground pipe crossing. The contractor expects to maintain one lane of travel in each direction through early 2025.
- Motorists should expect temporary daytime lane closures on McGregor Boulevard, both eastbound and westbound from Shell Point Boulevard to Punta Rassa Road for crews to move equipment and materials as necessary.
- Motorists should expect one lane of eastbound travel to continue from the toll plaza to Shell Point Road on the south (beach) side of McGregor Boulevard. The shoulder (south/beach side) remains FULLY CLOSED TO ACCESS. This closure is necessary for crews to excavate and install underground devices (marine mattresses) to reinforce the shoreline. This closure is expected to be in place through early fall 2024.
- Motorists should expect one lane of eastbound travel to continue from the toll plaza to Shell Point Road on the south (beach) side of McGregor Boulevard. The shoulder (south/beach side) remains FULLY CLOSED TO ACCESS. This closure is necessary for crews to excavate and install underground devices (marine mattresses) to reinforce the shoreline. This closure is expected to be in place through early fall 2024.

West of the Toll Plaza:

- Motorists should expect traffic to be intermittently stopped at the staging area entrance as equipment crosses the road with materials for work on the south side of McGregor Boulevard.
- Crews continue earthwork and debris removal along the causeway islands. Please expect construction equipment periodically entering/leaving the travel lanes when necessary. The contractor is limiting this interruption during peak hours.
- The westbound merge location is now west of the toll plaza. Motorists are urged to use caution and obey the 20 MPH speed limit. Construction vehicles and equipment continue to enter/exit the staging area near this location.
- Crews continue work in the area of the off-island U-turn under Span A.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Bicyclists are encouraged to utilize another mode of transportation to travel the causeway and pedestrians are not permitted on the Sanibel Causeway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional information.

Striping maintenance: Lee County DOT will be performing a moving operation with traffic delays on August 29, 2024, to September 4, 2024, between the hours of 9:00 AM to 4:00 PM (weather permitting) on the following roadways:

Enterprise Pkwy	Alvin Ave
Corporation Cir	Abrams Blvd
Orange River Blvd	Centennial Blvd
Williamson Rd	Gunnery Rd
Neal Rd	
Buckingham Rd	
Cemetery Rd	

Intersection markings maintenance: Intermittent Lane closures and delays are possible August 29, 2024, to September 4, 2024, between the hours of 9:00 AM to 4:00 PM (weather permitting) on the following roadways:

Summerlin Rd	Bonita Grande Dr
Luckett Rd @ Enterprise Pkwy	Buckingham Rd @ Orange River Blvd
Parkdale Blvd @ Homestead Rd S	Buckingham Rd @ Cemetery Rd
Colin Ave N @ 7th St W (<i>scheduled for 8-29-24</i>)	Daniels Pkwy @ Commonwealth Dr

For additional information, please contact Randy Hart at DOTMarkings@leegov.com

Big Carlos Pass Bridge Project – Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

*Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water. Please use the channel when traveling through Big Carlos Pass.
To contact the bridge tender, please call: 239-955-3973.*

TRESSPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL. THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.

Pedestrians and boaters are reminded to please stay out of the work zone.

- **Motorists should expect Estero Boulevard reduced to one lane in areas from Estrellita Drive to the Lovers Key State Park entrance Monday, August 26 through Thursday, September 12** for crews to complete underground utility work and assemble equipment. Flaggers will be assisting drivers. Please expect delays when traveling through the project.
- Pedestrians will be directed to use sidewalk on the south side of the roadway through the construction area.

- The contractor will continue driving additional piles for the bridge. The pile driving will be more continuous. Additional cranes and equipment are onsite to complete this work.
- Crews continue driving and installing pile as a part of the construction of the trestle. The contractor will be building the bridge from this temporary trestle. Pile driving will continue through the duration of the project.
- Crews will continue performing earthwork throughout the project area.
- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during construction and motorists should be prepared to stop. **Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.**

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Leisure Lane to Del Prado Boulevard N along US 41 - North Fort Myers (FDOT Permit #2022-H-192-00135): Accurate Drilling Systems, Inc. will be performing utility improvements **beginning Monday, October 30, 2023, and will continue through September 19, 2024.** Asphalt pavement, concrete sidewalk, concrete curbing, and utility improvements will be performed. US 41 will not have any lane closures. For further information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services 239-656-1183.

Littleton Road Widening Project from Corbett Road to US 41: The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. The project began in January 2024 with estimated completion in summer 2025. Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- Motorists are advised that eastbound and westbound traffic have shifted to the south side of the corridor throughout the length of the project to allow crews to work on the north side.
- Crews continue to install drainage structures within the project limits. Motorists should expect to see flagging operations with minimal delays from 9:00 AM to 4:00 PM.
- **Motorists are advised that traffic may be heavy on weekdays from 7:00 AM to 8:30 AM and from 1:30 PM to 3:30 PM** due to Littleton Elementary School traffic. Expect delays. Please choose an alternative route if possible.
- Two eastbound LeeTran bus stops on Littleton Road near Horizon Boulevard and Serendipity Boulevard are temporarily out of service. The bus stop on the corner of Littleton Road and US-41/North Cleveland Avenue near 7-Eleven is still in service.
- As requested by Windmill Village management, the driveway at Windmill Boulevard will remain closed until construction has progressed away from the area. Motorists entering and exiting Windmill Village are advised to continue using the Delft Avenue driveway during this closure.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE. THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE DOUBLED WHEN WORKERS ARE PRESENT.

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.LittletonRoadWidening.com or contact Michaela Zawodny by email at Michaela.Zawodny@atkinsrealis.com or by phone at 239-410-8174.

Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard): This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

- LeeTran has installed a new temporary northbound bus stop just south of the Lee County Jail driveway. The northbound stops just north of the Lee County Jail driveway and near RaceTrac are temporarily out of service.
- Crews will continue to mobilize equipment and materials to the project site.
- Crews will continue earthwork activities.
- The contractor is scheduled to survey the project during daytime hours.
- Crews will be installing force main and water main north and south of the roundabout.
- The contractor is identifying existing utility locations throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is Spring 2026.** Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit www.ortizavewidening.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Ben Hill Griffin Parkway Force Main Improvements - Fort Myers (ROW2023-01519): Accurate Drilling Systems, LLC. will be performing installation of 18" force main by Horizontal Directional Drill method, **beginning on Thursday, March 4, 2024, and continuing through August 30, 2024.** The outside (right) lane of northbound traffic on Ben Hill Griffin Blvd, between Garofalo Way and Corkscrew Rd, will be subject to lane closures. The closures will be in sections as we advance with the drilling activities. The closure of the northbound right lane will occur between the hours of **9:00 AM to 3:30 PM** on weekdays. For further information, please contact Ismael Irigoyen at (863) 517-2838 or ismael@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Corkscrew Road, West of Corkscrew Woodlands TO US 41 – Estero (B220294DWJ - Countywide Sidewalk Repair Project): Scott Commercial Contracting LLC will be beginning sidewalk repair improvements beginning **July 22, 2024, and continuing through December 31, 2024 (excluding holidays).** Removal of and repair of damaged concrete sidewalk will be performed under county contract B220294DWJ on the north side of Corkscrew Road, West Corkscrew Woodlands Boulevard to US 41 in Estero. The outside (right) lane(s) of westbound traffic on Corkscrew Road will be subject to lane closures utilizing FDOT indexes 102-615 & 102-613. Also, the sidewalks will be closed and detoured as needed per Index FDOT 102-660. Periodic lane closures for westbound lanes of Corkscrew Road will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Clint Scott at (239) 340-8695 or info@team-scott.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

Richmond Avenue North from Woodburn Drive to E 17th Street and E 17th Street from Richmond Avenue North to Henry Avenue (ROW2021-00989): Pike Electric will be working on the overhead power lines. The projected start date is **May 20, 2024**. The named section of roadway will be subject to a lane closure with flaggers from **9:00 AM and 3:30 PM**. The projected end date is **August 30, 2024**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Buckingham Road in front of Oakview Community – Fort Myers (ROW2024-03292): Mitchell & Stark Construction Company is scheduled to carry out roadway improvements, with construction set to commence during the week of **May 20, 2024 and continuing through November 22, 2024**. The current two-lane configuration in the area will necessitate periodic lane closures throughout the construction period. Daytime work will be conducted now that we are out of season. The planned activities within the right-of-way (ROW) area include jack and boring underneath Buckingham Road, milling and paving, as well as the addition of a deceleration lane and a turn lane. For further information, please contact Kody Chapman at (239) 777-3603 or kchapman@mitchellstark.com. Bobs Barricades will be handling MOT.

Maida Lane to Ban Way Road at Gladiolus Drive – Fort Myers (ROW2023-01620): Cougar Contracting LLC, will be performing roadway and sidewalk improvements beginning **Monday, May 13, 2024, and continuing through October 21, 2024**. Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. Also, relocation of one fire hydrant will be done as well. The outside (right) lane of eastbound traffic on Gladiolus Drive just after S. Tamiami Trail will be subject to lane closures. Periodic lane closures for eastbound lanes will occur between the hours of **9:00 AM and 3:30 PM** on weekdays as well as **7:00 PM to 6:00 AM** on weekdays. For further information, please contact Tony Phimmasone at (239) 275-9334 Ext. 208 or Tonyp@cougarcompanies.com. Cougar Contracting, LLC will provide maintenance of traffic services (239) 275-9334 Ext. 208.

Champion Avenue from Centennial Boulevard to Brookfield Street (Permit ROW2022-01099): Pike Electric will be working on the overhead power lines. The projected start date is **June 5, 2024**. This section of road will be subject to a lane closure with flaggers 500 feet at a time, from **9:00 AM and 3:30 PM**. The projected end date is **September 27, 2024**. All American Barricades will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Alicia Garces at 954-512-8337.

Gateway - FGUA Bulk Water Interconnect - Fort Myers (ROW2024-00503): Accurate Drilling Systems, Inc. will be performing installation of 12" watermain along Griffin Drive/Ray Avenue/Nobel Avenue to interconnect the Gateway and FGUA systems by Open, HDD and Jack and Bore methods, **beginning on Monday, June 24, 2024, and continuing through November 27, 2024.** The intersection of Ray Avenue S and Meadow Road will be subject to lane closures. The right lane of Northbound traffic on Ray Avenue S, just after Meadow Road, will be subject to lane closures, as well as the right lane of Northbound traffic on Nobel Avenue S, just after 28th St SW, will be subject to lane closures. The closures will be in sections as we advance with the open-cut activities. The closure of the lanes will occur between the hours of **9:00 AM to 3:30 PM on weekdays.** For further information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Three Oaks Parkway Extension Project Phase 1 from Fiddlesticks Canal to Indian Paint Lane: This project consists of extending Three Oaks Parkway north of the Fiddlesticks Canal and constructs 4 lanes with a 5-foot-wide bicycle lane. In Phase 1, there is an 8-foot-wide sidewalk on the west side of the roadway and a 6-foot-wide sidewalk on the east side of the roadway.

- The outside northbound lane of Three Oaks Parkway, from Alico Road to Fiddlesticks Canal, will have intermittent lane closures for light pole installation.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is early 2026.** Project cost is approximately \$26.8 M. The contractor is Wright Construction Group. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

Buckingham Road at Riverdale High School - Fort Myers (ROW2024-00355): Jensen Underground Utilities, Inc. has been performing roadway improvements at 2600 Buckingham Boulevard. These roadway improvements are expected to continue from **Monday, August 5, 2024,** until some point during the week of **Friday, September 6, 2024.** Underground water line improvements are being made during this time. These improvements have included an open cut, as well as cutting into the existing water main. Lane closures are no longer necessary at this point, however, the work we are doing is still in the right of way. For further information, please contact Ricky Pullen at 239-825-1623 or Dylan Jensen at 239-580-9803 or dylan@jensenunderground.com. Bob's Barricades have and will continue to provide maintenance of traffic services. They can be reached at 239-656-1183.

Bonita Beach Road – Bonita Springs (DOS22-96885-BOS): Benco Construction, LLC. will be performing onsite work on the Bonita 75 project beginning **Monday, June 17, 2024, and will continue through December 17, 2025.** There are no roadway and sidewalk improvements with Bonita Beach Rd. as part of this work. The proposed MOT that will be placed along Bonita Beach Road will include only “Trucks Entering Highway” signs to alert westbound traffic of construction traffic entering Bonita Beach Rd. at Miller Rd. For further information, please contact Daniel Morris at (813) 778-1295 Dmorris@bencoconstructionllc.com.

NE 3rd Terrace at Del Prado Boulevard N – Cape Coral (ROW2024-00352): M.E. Construction, Inc. will be replacing a water main **beginning Tuesday, July 9, 2024, and continuing through August 31, 2024.** A water main will be replaced on NE 3rd Terrace between NE 15th Place and NE 16th Place, crossing under Del Prado Boulevard. Roadway restoration will follow the water main work. There will be lane and road closures around the intersection of Del Prado Boulevard N and NE 3rd Terrace. From southbound Del Prado Boulevard N, the left turn lane to NE 3rd Terrace will be closed. Eastbound NE 3rd Terrace will be closed from Del Prado Boulevard N to NE 16th Place. Also, from southbound Del Prado Boulevard N, the right turn to NE 3rd Terrace will be closed as the westbound lane of NE 3rd Terrace will be closed from Del Prado Boulevard N to NE 15th Place. Additionally, the right lane of NE 16th Place will be closed from NE 3rd Terrace southbound for approximately one block. Work will occur between the hours of **7:00 AM and 4:00 PM** on weekdays. Maintenance of Traffic will be provided in the area to route traffic around the road closures. For further information, please contact Chase Cherry at (321) 831-4257.

Lee County DOT, along with their contractor AJAX Paving, will begin paving **Bonita Beach Road from Mango to the far side of Fish trap bridge.** This is scheduled for night work beginning **July 14, 2024, through August 31, 2024, from 7:00 PM to 5:00 AM.** Please use caution in the area as the road surface may be partially milled and provides an uneven surface. There will also be signal and sidewalk upgrades performed during this project so please follow all pedestrian detours posted for your safety. If you have any questions, please reach out to Ajax Paving at (239) 936-9444.

Preferred Materials is contracted by Lee County DOT to begin milling and resurfacing Burnt Store Road on **Tuesday, August 6th, through Thursday, September 5th, 2024.** This will be Burnt Store Road from Delilah Drive to the Charlotte County line. This will be night work with the hours of operation from **8:00 PM to 6:00 AM.** Motorists should expect a flagging operation during those hours. Please use caution in the work zone. **The work week will be a 5-night work week, Sunday through Thursday nights, weather permitting.** For additional information, please contact paving@leegov.com.

Imperial Parkway: Lee County Department of Transportation will be conducting a sidewalk repair project starting on **August 9, 2024**, and will continue through **November 27, 2024**. Work will be on the Northbound side from E Terry Street to Solerno Bay Road. Work will be conducted in daylight hours from **9:00 AM - 4:00 PM**. There will be intermittent lane closures throughout the day. Any questions or concerns with this project please contact Jose Villa-Fuerte at 863-444-0143.

Bonita Beach Road SE – Bonita Springs (ROW2024-00090): Thompkins Contracting, Inc. will be performing roadway and sidewalk improvements beginning **Monday, August 5, 2024, and continuing through Friday, October 31, 2024**. Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. The outside (right) lane of Westbound traffic on Bonita Beach Road SE just after Bonita Grande Drive will be subject to lane closures, as will one of two lanes from the eastbound portion of Bonita Beach Road just after Trade Way One. Periodic lane closures for westbound and eastbound lanes will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Curt Moore at (239) 770-2825 or Chris Dietrich (239) 671-0672. Acme Barricades will provide maintenance of traffic services (239) 479-5266.

Hancock Bridge Parking (ROW2024-00833) - PMI will be conducting roadway improvements on Hancock Bridge Parking starting **August 15, 2024, through October 15, 2024**, from **7:00 AM to 4:00 PM**. We will be closing a right lane turn lane on US 41 turning into the existing strip mall. For further information, please contact Jonathan Wurtenberg at (239) 334-6760 or JWurtenberg@pmioffl.com.

51st Street W, Lehigh Acres – 51st Street West, between Joan Avenue N and Olive Avenue N, will be closed for Culvert pipe replacement from **September 16th to October 6th, 2024**. Detours will be in place for the duration of this project. The detour will be 59th Street West to Olive Avenue N. If you have any questions or concerns, please contact JD Geisler at 239-533-9400.239.

Gunnery Road N. - Lehigh Acres (ROW2023-00858): Gunnery Road N. will have an intermittent southbound lane closure with flagging beginning at the intersection of Gunnery Road N. and 16th Street W to the intersection of Gunnery Road N. and Ordnance Rd – Request is for **September 3, 2024, through September 13, 2024, during the times of 9:00 AM – 3:30 PM**. The work being performed is for power pole replacements for FPL. For further information, please contact Cole Bryan at (863) 268-3941 or jbryan@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

City of Cape Coral: Beginning on Wednesday, August 28, 2024, milling and resurfacing will begin on Aqualinda Boulevard and Sands Boulevard from El Dorado Parkway W to Beach Parkway. The work will require daytime lane closures. For additional information contact Donald Comtois at dcomtois@capecoral.gov or (239) 242-3213.

Del Prado Boulevard S @ Veterans Parkway- The Lee County Department of Transportation will be performing maintenance on the drainage system at the intersection of Del Prado Boulevard S and Veterans Parkway on the South East side. The outer most North bound through lane of Del Prado Boulevard S will be closed to conduct the work. This lane will be closed on September 10th and 11th from 9:00 AM to 3:00 PM. If you have any questions, contact JD Geisler at 239-533-9423.

Veterans Memorial Parkway- Lee County DOT, along with their contractor AJAX Paving, will begin milling & paving Veterans Memorial Parkway from the bridge to Country Club. This is **scheduled for night work beginning September 8th, 2024, through October 31st, 2024, from 7:00 PM to 5:00 AM.** Please use caution in the area as the road surface may be partially milled and provide an uneven surface. If you have any questions, please reach out to Ajax Paving at (239) 936-9444.

2. Bridge Maintenance

Estero Parkway Bridge over I-75: Lee County DOT and its contractor, ZEP Construction, will perform maintenance activities on the **Estero Parkway Bridge**. This project includes repairs to the bridge's underside, substructure, MSE Walls, and bridge deck. During the project duration, sporadic lane closures will be necessary. Therefore, motorists and pedestrians are urged to use extra caution in this area. The activities will **begin on May 8, 2024**, and are estimated to be **completed by December 1, 2024**. Please contact Avelino Cancel at (239)533-9400 or email acancel@leegov.com for further information.

Lee County DOT will make bridge repairs on New Pass bridge # 120022 Bonita Beach Causeway. Weather permitting, repairs are scheduled for **July 1, 2024, to August 29, 2024**; flag men control single-lane closures from **9:00 AM to 4:00 PM**.
