ROADWATCH UPDATE
July 25, 2024 to July 31, 2024

1. Road Work/Maintenance/Improvement

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road at that location. The Village of Estero will be installing shared use paths, lighting, and landscaping as phasing allows. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, and miscellaneous turn lane closures.**

Please use caution and drive with courtesy and patience throughout the project area. Residents are entering and exiting communities on both sides of Corkscrew Road.

The following information is provided by Cougar Contracting, Inc.:

- Corkscrew Road is now in its final configuration from Ben Hill Griffin Parkway to Bella Terra Boulevard. Motorists should expect isolated flagging operations with periodic lane closures as the contractor works through the final project punch list. Motorists should also expect construction vehicles entering and leaving the roadway.
- Crews continue installing signage, sod, and fencing throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

WORK PERFORMED BY OTHERS:

- GL Homes is actively working in the RiverCreek Community site across from Wild Blue Boulevard. Motorists should expect delays and use caution as construction vehicles enter/exit the roadway.
- The Village of Estero anticipates beginning construction of their shared use path in fall 2024. The path is designed to extend to the east property line of Bella Terra on the south side and to east of Grandezza on the north side of Corkscrew Road.

**MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT.
FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.**

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion of the full project is summer 2024.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Corkscrew Road Widening Project – Phase 2 Construction Project: The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bike lanes in each direction, a 10-foot-wide shared-use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Crews will be installing conduit for streetlights and fiber communication lines from Wayside Lane to Alico Road on the south side of Corkscrew Road.
- Crews are installing water main from Wayside Lane to the eastern boundary of Corkscrew Shores.
- Crews are installing a force main on the north side of Corkscrew Road.
- During daytime hours, the contractor continues earthwork as a part of the new pond construction east of Corkscrew Shores.

- Crews are installing erosion control and traffic control devices throughout the project.
- Crews may be working close to the roadway. Motorists are asked to drive with caution. Sidewalks may be closed in areas throughout the project as the contractor performs underground work.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is spring 2026.** Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: Crews have moved traffic to the permanent lanes on the Sanibel Causeway. **The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access, including from the water.**

East of the Toll Plaza:

- Motorists should expect temporary daytime lane closures on McGregor Boulevard, both eastbound and westbound from Shell Point Boulevard to Punta Rassa Road. These closures are necessary for crews to clear the median in preparation for the upcoming traffic shift scheduled for August.
- In early August, motorists should expect traffic to be REDUCED TO ONE LANE IN EACH DIRECTION on McGregor Boulevard for approximately a ½ mile from Shell Point Boulevard to west of Port Comfort Road. Traffic will shift to the north while crews work on the south side, and then to the south while they work on the north side while crews reconstruct an underground pipe crossing.
- Motorists should expect one lane of eastbound travel to continue from the toll plaza to Shell Point Road on the south (beach) side of McGregor Boulevard. The shoulder (south/beach side) remains FULLY CLOSED TO ACCESS. This closure is necessary for crews to excavate and install underground devices (marine mattresses) to reinforce the shoreline. This closure is expected to be in place through summer 2024. The contractor may intermittently use this lane for materials delivery.
- Motorists traveling westbound on McGregor Boulevard may experience short delays for FHP to stop vehicles to allow materials deliveries to access the staging area at Punta Rassa.

West of the Toll Plaza:

- Protected beach-nesting birds are currently present on the Causeway islands. Motorists are encouraged to slow down and pay attention as birds may be flying close to the roadway.
- Motorists should expect traffic to be intermittently stopped at the staging area entrance as equipment crosses the road with materials for work on the south side of McGregor Boulevard.
- Crews continue earthwork and debris removal along the causeway islands. Please expect construction equipment periodically entering/leaving the travel lanes when necessary. The contractor is limiting this interruption during peak hours.
- The westbound merge location is now west of the toll plaza. Motorists are urged to use caution and obey the 20 MPH speed limit. Construction vehicles and equipment continue to enter/exit the staging area near this location.
- Crews continue work in the area of the off-island U-turn under Span A.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Bicyclists are encouraged to utilize another mode of transportation to travel the causeway and pedestrians are not permitted on the Sanibel Causeway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional information.

Striping maintenance: Lee County DOT will be performing a moving operation with traffic delays on **July 25, 2024, to July 31, 2024**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Linwood Ave	New York Dr
Park Way	Underwood Dr
W Court Pl	Ortiz Ave (SR 82 – Palm Beach Blvd)
Cartagena Ave	Luckett Rd
River Ridge Blvd	Enterprise Pkwy
Parkview Dr	Corporation Cir

Davis Blvd	Country Lakes Dr
Fifth St	Tice St
Seventh St	Homestead Ln
Caribbean Blvd	Staley Rd
Barcelona Ave	Marsh Ave
Morse Plaza	Nuna Ave
Alameda Ave	Glenwood Ave
	Lexington Ave

Intersection markings maintenance: Intermittent Lane closures and delays are possible **July 25, 2024, to July 31, 2024**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Summerlin Rd	Ortiz Ave <i>(side streets from SR 82 – Palm Beach Blvd)</i>
Buckingham Rd @ Cemetery Rd <i>(Scheduled for August 1, 2024)</i>	Refreshing school legends at various locations

Night work scheduled for Thursday, July 25, 2024: Lee County DOT Traffic will be refreshing the pavement markings on **Summerlin Rd @ Bass Rd** on **Thursday, July 25, 2024**, between the hours of **8:00 PM to 4:00 AM** (weather permitting). Motorists are advised to use caution as intermittent lane closures and delays are expected. For additional information, please contact Randy Hart at DOTMarkings@leegov.com

Big Carlos Pass Bridge Project – Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water. Please use the channel when traveling through Big Carlos Pass.

To contact the bridge tender, please call: 239-955-3973.

TRESSPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL. THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.

Pedestrians and boaters are reminded to please stay out of the work zone.

- The contractor will continue driving additional piles for the bridge. The pile driving will be more continuous. Additional cranes and equipment are onsite to complete this work.
- Crews continue driving and installing pile as a part of the construction of the trestle. The contractor will be building the bridge from this temporary trestle. Pile driving will continue through the duration of the project.
- Crews will continue performing earthwork throughout the project area.
- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.
- Pedestrians will be directed to use sidewalk on one side of the roadway through the construction area.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during construction and motorists should be prepared to stop. **Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.**

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030): Durrance Road between Deal Road to LCU North Water Treatment Plan - RPU will be completing the Raw Water Main tie-ins via open cut and testing of the Raw Water Main from **May 28, through July 31, 2024. Work**

will be performed along Durrance Road from Deal Road heading south towards LCU North Water Treatment Plant. Northbound lane will be subject to temporary daily lane closures. Traffic will be maintained with flagmen and opened up daily. Working hours shall be from **9:00 AM to 4:00 PM**. Any questions, please contact Victor Menocal at vmenocal@rpucorp.com; or (305) 776-8181.

Leisure Lane to Del Prado Boulevard N along US 41 - North Fort Myers (FDOT Permit #2022-H-192-00135): Accurate Drilling Systems, Inc. will be performing utility improvements **beginning Monday, October 30, 2023, and will continue through September 19, 2024**. Asphalt pavement, concrete sidewalk, concrete curbing, and utility improvements will be performed. US 41 will not have any lane closures. For further information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services 239-656-1183.

Littleton Road Widening Project from Corbett Road to US 41: The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. The project began in January 2024 with estimated completion in summer 2025. Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- On Monday, July 29, and Tuesday, July 30 (weather permitting) motorists should expect lane closures during daytime hours from 9:00 AM to 4:00 PM while crews place new asphalt and install pavement markings for an upcoming traffic shift. Flaggers will be onsite to assist motorists, however delays are anticipated. Once the pavement markings are in place, both eastbound and westbound traffic will be shifted to the south side of the corridor to allow crews to work on the north side.
- As requested by Windmill Village management, the driveway at Windmill Boulevard will remain closed until construction has progressed away from the area. Motorists entering and exiting Windmill Village are advised to continue using the Delft Avenue driveway during this closure.
- Crews continue to install drainage structures within the project limits. Motorists should expect to see flagging operations with minimal delays from 5:00 AM to 5:00 PM.
- Motorists are advised that traffic has shifted to temporary asphalt on the north side of the existing Littleton Road from Janet Drive to Hutto Road.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE. THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE DOUBLED WHEN WORKERS ARE PRESENT.

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.LittletonRoadWidening.com or contact Michaela Steakley by email at Michaela.Steakley@atkinsrealis.com or by phone at 239-410-8174.

Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard): This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

- Motorists should expect northbound lane closures at the north end of the project, close to the SR 82 interchange, for utility installations. Motorists will be able to turn left, right, or continue northbound, although turn lane lengths will be reduced and one northbound lane will be closed overnight. Please exercise caution when traveling through the project.
- Motorists should expect the northbound right turn lane into the RaceTrac gas station to be closed temporarily during the daytime hours for utility installations. Motorists can turn into the gas station directly from SR82.
- LeeTran has installed a new temporary northbound bus stop just south of the Lee County Jail driveway. The northbound stops just north of the Lee County Jail driveway and near RaceTrac are temporarily out of service.
- Crews will continue to mobilize equipment and materials to the project site.
- Crews will continue earthwork activities.
- The contractor is scheduled to survey the project during daytime hours.
- Crews will be installing force main and water main north of the roundabout.
- The contractor is identifying existing utility locations throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is Spring 2026.** Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit www.leegov.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Ben Hill Griffin Parkway Force Main Improvements - Fort Myers (ROW2023-01519): Accurate Drilling Systems, LLC. will be performing installation of 18" force main by Horizontal Directional Drill method, **beginning on Thursday, March 4, 2024, and continuing through August 30, 2024.** The outside (right) lane of northbound traffic on Ben Hill Griffin Blvd, between Garofalo Way and Corkscrew Rd, will be subject to lane closures. The closures will be in sections as we advance with the drilling activities. The closure of the northbound right lane will occur between the hours of **9:00 AM to 3:30 PM** on weekdays. For further information, please contact Ismael Irigoyen at (863) 517-2838 or ismael@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Winkler Road Sidewalk Improvements - The following information was provided by V&H Construction, Inc.:

1. Sidewalk Removal and Installation (Project Timeline: April 15, 2024, to July 30, 2024):

- **Winkler Road Sidewalk Improvements:** The Project Consists of sidewalk improvements along Winkler Road within Lee County, Florida. Starting north of Southwind Bay Circle, extending to Summerlin Road and Winkler Intersection Work shall include, but not be limited to, removing portions of existing sidewalk, realignment, new concrete, sidewalk installation with ADA upgrades, culvert installations, fill dirt, grading, final dress and sod.

Phase I Construction commenced on April 15, 2024. 184 LF south of Woodgate Drive on Winkler Road marks starting point of this phase. Phase I is in its final stages of completion.

Phase II Construction stretches the remainder of the Project, ending at the intersection of Summerlin Road & Winkler Road. Phase II Construction has been initiated.

- Motorists and Pedestrians should expect Maintenance of Traffic Operations, as crews set up MOT and start construction progression.
- Motorists should expect isolated flagging operations with periodic lane closures as the contractor coordinates removing portions of existing sidewalk, realignment, new concrete, sidewalk installation, ADA upgrades, culvert installations, fill dirt, grading, final dress and sod.
- Surveyors will be on site, the stretch of the project to obtain necessary imagery. Motorists are urged to use caution while surveyors work near the roadway.
- Motorists should expect construction vehicles entering and leaving the roadway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT. FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, miscellaneous turn lane closures, and uneven pavement throughout the project.

*Please use caution and drive with courtesy and patience throughout the project area.
Residents are entering and exiting communities on both sides of Winkler Road.*

For additional information, please contact Lou Serao at LSerao@leegov.com or (239) 791-6042.

Corkscrew Road, West of Corkscrew Woodlands TO US 41 – Estero (B220294DWJ - Countywide Sidewalk Repair Project): Scott Commercial Contracting LLC will be beginning sidewalk repair improvements beginning **July 22, 2024 and continue through December 31, 2024 (excluding Holidays)**. Removal of and repair of damaged concrete sidewalk will be performed under county contract B220294DWJ on the north side of Corkscrew Road, West Corkscrew Woodlands Boulevard to US 41 in Estero. The outside (right) lane(s) of westbound traffic on Corkscrew Road will be subject to lane closures utilizing FDOT indexes 102-615 & 102-613. Also, the sidewalks will be closed and detoured as needed per Index FDOT 102-660. Periodic lane closures for westbound lanes of Corkscrew Road will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Clint Scott at (239) 340-8695 or info@team-scott.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

Greenbriar Boulevard from Joel Boulevard to Woodburn Drive - (ROW2021-01011): Pike Electric will be working on the overhead power lines. The projected start date is **May 13, 2024**. The eastbound right lane, 500 feet at a time, will be subject to a lane closure with flaggers from **9:00 AM and 3:30 PM**. The projected end date is **July 29, 2024**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Lee County DOT, along with their contractor OHLA-USA, will be milling and paving beginning **July 18, 2024 through August 2, 2024**. Work times will be from **7:00 AM to 5:00 PM**.

The schedule is to start on location 1 and add on road (Sanibel Blvd) on **July 18, 2024 and July 19, 2024**. Work will continue on locations 9 - 18 off Palm Beach from **July 22, 2024 through July 26, 2024** and the last area will be locations 19 - 33 in Fort Myers Shores area from **July 29, 2024 through August 2, 2024**. Motorists should use caution, as these areas will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. For further information, please contact paving@leegov.com.

Richmond Avenue North from Woodburn Drive to E 17th Street and E 17th Street from Richmond Avenue North to Henry Avenue (ROW2021-00989): Pike Electric will be working on the overhead power lines. The projected start date is **May 20, 2024**. The named section of roadway will be subject to a lane closure with flaggers from **9:00 AM and 3:30 PM**. The projected end date is **August 30, 2024**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Buckingham Road in front of Oakview Community – Fort Myers (ROW2024-03292): Mitchell & Stark Construction Company is scheduled to carry out roadway improvements, with construction set to commence during the week of **May 20, 2024, and extend for the following three months until August 20, 2024**. The current two-lane configuration in the area will necessitate periodic lane closures throughout the construction period. Daytime work will be conducted now that we are out of season. The planned activities within the right-of-way (ROW) area include jack and boring underneath Buckingham Road, milling and paving, as well as the addition of a deceleration lane and a turn lane. For further information, please contact Kody Chapman at (239) 777-3603 or via email. Bobs Barricades will be handling MOT.

Maida Lane to Ban Way Road at Gladiolus Drive – Fort Myers (ROW2023-01620): Cougar Contracting LLC, will be performing roadway and sidewalk improvements beginning **Monday, May 13, 2024, and continuing through August 20, 2024**. Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. Also, relocation of one fire hydrant will be done as well. The outside (right) lane of eastbound traffic on Gladiolus Drive just after S. Tamiami Trail will be subject to lane closures. Periodic lane closures for eastbound lanes will occur between the hours of **9:00 AM and**

3:30 PM on weekdays as well as **7:00 PM to 6:00 AM** on weekdays. For further information, please contact Tony Phimmason at (239) 275-9334 Ext. 208 or Tonyp@cougarcompanies.com. Cougar Contracting, LLC will provide maintenance of traffic services (239) 275-9334 Ext. 208.

Champion Avenue from Centennial Boulevard to Brookfield Street (Permit ROW2022-01099): Pike Electric will be working on the overhead power lines. The projected start date is **June 5, 2024**. This section of road will be subject to a lane closure with flaggers 500 feet at a time, from **9:00 AM and 3:30 PM**. The projected end date is **September 27, 2024**. All American Barricades will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Alicia Garces at 954-512-8337.

Gateway - FGUA Bulk Water Interconnect - Fort Myers (ROW2024-00503): Accurate Drilling Systems, Inc. will be performing installation of 12" watermain along Griffin Drive/Ray Avenue/Nobel Avenue to interconnect the Gateway and FGUA systems by Open, HDD and Jack and Bore methods, **beginning on Monday, June 24, 2024, and continuing through November 27, 2024**. The intersection of Ray Avenue S and Meadow Road will be subject to lane closures. The right lane of Northbound traffic on Ray Avenue S, just after Meadow Road, will be subject to lane closures, as well as the right lane of Northbound traffic on Nobel Avenue S, just after 28th St SW, will be subject to lane closures. The closures will be in sections as we advance with the open-cut activities. The closure of the lanes will occur between the hours of **9:00 AM to 3:30 PM on weekdays**. For further information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Three Oaks Parkway Extension Project Phase 1 from Fiddlesticks Canal to Indian Paint Lane: This project consists of extending Three Oaks Parkway north of the Fiddlesticks Canal and constructs 4 lanes with a 5-foot-wide bicycle lane. In Phase 1, there is an 8-foot-wide sidewalk on the west side of the roadway and a 6-foot-wide sidewalk on the east side of the roadway.

- The outside northbound lane of Three Oaks Parkway, from Alico Road to Fiddlesticks Canal, will have intermittent lane closures for light pole installation.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is early 2026**. Project cost is approximately \$26.8 M. The contractor is Wright Construction Group. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

Buckingham Road at Riverdale High School - Fort Myers (ROW2024-00355): Jensen Underground Utilities, Inc. will be performing roadway improvements that will begin during the week of **Monday, June 24, 2024**, and is expected to continue until **Friday, August 2, 2024**. Underground water line improvements will be made during this time. These improvements will involve an open cut, as well as cutting into the existing water main. The turning lane of northbound traffic on Buckingham Road that turns east onto Coral Vine Lane is subject to lane closures. These lane closures will take place from **7:00 AM - 5:00 PM** on weekdays. For further information, please contact Ricky Pullen at 239-825-1623 or Dylan Jensen at 239-580-9803 or dylan@jensenunderground.com. Bob's Barricades will provide maintenance of traffic services. They can be reached at 239-656-1183.

Buckingham Road in front of Riverdale High School from Drawdy Court to Loring Way (ROW2024-00318): Bateman Contracting will be starting the temp widening on the east side of Buckingham Road in front of Riverdale High School from Drawdy Court to Loring Way for the new traffic signal installation. A lane shift in the northbound lane of Buckingham Road will occur while work is being done and returned to normal at the end of the day. Northbound and southbound lanes will stay active thru the process with occasional flagman operations. **Work is expected to begin on July 1, 2024, and continue through August 9, 2024, Monday through Friday, from 8:00 AM to 5:00 PM.** MOT – Acme barricaders; Site Contractor – Bateman Contracting. For further information please contact Jay Koger at (239) 229-5141 or jasonkoger@bateman-contracting.com.

Orange River Boulevard just west of Staley Road (ROW2023-00711) – Russ Berner Construction will be milling and paving on Orange River Boulevard just west of Staley Road. **This will be a night-time operation on Sunday, July 28, 2024. Work will begin at 7:00 PM and will be completed by Monday morning at 5:00 AM.** The work will be in the westbound lane of Orange River Boulevard and will require a flagging operation. Scott Contracting (Jason King 239-898-2052) will be providing the MOT for this project. Motorists should use extra caution in this area during the referenced times/dates. Questions and concerns can be directed to: Doug Padgett (Russ Berner Construction) (239) 222-8964 or doug@russbernerconstruction.com.

Bonita Beach Road – Bonita Springs (DOS22-96885-BOS): Benco Construction, LLC. will be performing onsite work on the Bonita 75 project beginning **Monday, June 17, 2024, and will continue through December 17, 2025.** There are no roadway and sidewalk improvements with Bonita Beach Rd. as part of this work. The proposed MOT that will be placed along Bonita Beach Road will include only "Trucks

Entering Highway” signs to alert westbound traffic of construction traffic entering Bonita Beach Rd. at Miller Rd. For further information, please contact Daniel Morris at (813) 778-1295 Dmorris@bencoconstructionllc.com.

Gunnery Road N. - Lehigh Acres (ROW2023-00858): Gunnery Road N. will have an intermittent southbound lane closure with flagging (the majority will include a turning lane) beginning at the intersection of Gunnery Road N. and 16th Street W. to the intersection of Gunnery Road N. and 9th Street W. – Emergency request is for **June 27, 2024, through August 2, 2024**, during the times of **9:00 AM – 3:30 PM**. The work being performed is for emergency pole replacements for FPL. For further information, please contact Cole Bryan at (863) 268-3941 or jbryan@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

NE 3rd Terrace at Del Prado Boulevard N – Cape Coral (ROW2024-00352): M.E. Construction, Inc. will be replacing a water main **beginning Tuesday, July 9, 2024, and continuing through August 31, 2024**. A water main will be replaced on NE 3rd Terrace between NE 15th Place and NE 16th Place, crossing under Del Prado Boulevard. Roadway restoration will follow the water main work. There will be lane and road closures around the intersection of Del Prado Boulevard N and NE 3rd Terrace. From southbound Del Prado Boulevard N, the left turn lane to NE 3rd Terrace will be closed. Eastbound NE 3rd Terrace will be closed from Del Prado Boulevard N to NE 16th Place. Also, from southbound Del Prado Boulevard N, the right turn to NE 3rd Terrace will be closed as the westbound lane of NE 3rd Terrace will be closed from Del Prado Boulevard N to NE 15th Place. Additionally, the right lane of NE 16th Place will be closed from NE 3rd Terrace southbound for approximately one block. Work will occur between the hours of **7:00 AM and 4:00 PM** on weekdays. Maintenance of Traffic will be provided in the area to route traffic around the road closures. For further information, please contact Chase Cherry at (321) 831-4257.

Daniel’s Parkway from Fiddlesticks Boulevard to Treeline Avenue S – South Fort Myers (FPN: 446296-2-52-01): Tierra, Inc. will be performing 11 soil test borings along the Daniel’s Parkway alignment from Fiddlesticks Boulevard to Treeline Avenue S to support the FDOT project (FPN: 446296-2-52-01) near the I-75 interchange in South Fort Myers. The testing will **begin on Monday, July 22, 2024, and continue through Friday, August 2, 2024**. Lane closures will be required to perform the work in the eastbound and westbound directions between the nighttime hours from **9:00 PM to 6:00 AM**. For further information, please contact Tom Musgrave at (813) 989-1354 or tmusgrave@tierraeng.com.

Lee County DOT, along with their contractor AJAX Paving, will begin paving **Bonita Beach Road from Mango to the far side of Fish trap bridge**. This is scheduled for night work beginning **July 14, 2024, through August 14, 2024**, from **7:00 PM to 5:00 AM**. Please use caution in the area as the road surface may be partially milled and provides an uneven surface. There will also be signal and sidewalk upgrades performed during this project so please follow all pedestrian detours posted for your safety. If you have any questions, please reach out to Ajax Paving at (239) 936-9444.

Jerome Street (ROW2023-01319) Physical Address: 718 Jerome Street, Lehigh Acres: Irby Construction Company will be installing (1) new wooden pole in front of 718 Jerome Street for new service purposes. Jerome Street could be subject to an intermittent lane closure in the westbound lane. This work is to begin on **July 29, 2024 at 9:00 a.m. and will be completed same day 3:30 p.m.** For further information, please contact Jess Calder at (863) 781-2282 or jcalder@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

Weather permitting, repairs are scheduled for **July 22, 2024 to July 25, 2024**; single-lane closures from **9:00 AM to 4:00 PM**. If you have any questions, please contact Carlos Hernandez at chernandez@leegov.com or (239) 533-9400.

3. Street Lighting Maintenance

4. Landscaping – Tree Trimming

Island Park Road: Lee County DOT will be trimming trees on Island Park Road from east of the fire house to west of Estero Bay Dr. Flagging operations may occur between **9:00 AM and 4:00 PM**, and motorists should use caution as workers, flagmen, and equipment will be present. Work is **scheduled to begin July 29, 2024, and should be completed by August 9, 2024**. For further information, please call Bob DeBrock at (239) 533-9425.

Old Olga Road: Lee County DOT will be trimming trees on Old Olga Road from Marilyn Lane east to SR 80. Flagging operations may occur between **9:00 AM and 4:00 PM**, and motorists should use caution as workers, flagmen, and equipment will be present. Work is **scheduled to begin July 29, 2024, and should be completed by August 9, 2024**. For further information, please call Bob DeBrock at (239) 533-9425.

Cemetery Road: Lee County DOT will be trimming trees on Cemetery Road from Buckingham Road and Lauralwood. Flagging operations may occur between **9:00 AM and 4:00 PM**, and motorists should use caution as workers, flagmen, and equipment will be present. Work is **scheduled to begin July 29, 2024, and should be completed by August 9, 2024**. For further information, please call Bob DeBrock at (239) 533-9425.

5. Traffic Signal Maintenance

Buckingham Road and Cemetery Road temporary signal installation: Lee County DOT and its contractor American Infrastructure Services (AIS) will begin temporary improvements to the intersection of Buckingham Road and Cemetery Road. The contractor, AIS, will be installing a temporary traffic signal in preparation of roadway improvements and permanent traffic signal installation.

- **Friday, June 28, 2024 - Friday, August 9, 2024**, there will be workers present and may have intermittent lane closures from **9:00 AM to 4:00 PM** as crews will be working to install the temporary traffic signal.
- On **Thursday, August 01, 2024**, at approximately **9:00 AM** the traffic signal will be put into flash operation.
- On **Tuesday, August 06, 2024**, at approximately **9:00 AM** the traffic signal will be put into full operation.

- On **Thursday, August 1, 2024**, LCDOT Traffic will be modifying the pavement markings at the intersection of Buckingham Road @ Cemetery Road between the hours of **9:00 AM and 4:00 PM**. Motorists are advised to use caution while traveling through the area as flaggers will be present on the roadway as intermittent lane closures and delays are expected.

The work activities above are scheduled to occur, however unforeseen conditions and weather may affect this schedule.

Motorists and Pedestrians are urged to use extra caution in this area. For further information, please contact Ryan Kirsch at LCDOTProjects@leegov.com.

Veterans Parkway and Chiquita Boulevard, Cape Coral: Lee County DOT Traffic will be rebuilding the traffic signal on **Thursday, August 1, through Friday, August 2, from 9:00 PM to 4:00 AM**. The traffic signal will be dark with police presence and temporary short lane closures. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact John Dalton at (239) 898-7853.
