ROADWATCH UPDATE
June 27, 2024 to July 3, 2024

1. Road Work/Maintenance/Improvement

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road at that location. The Village of Estero will be installing shared use paths, lighting, and landscaping as phasing allows. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, and miscellaneous turn lane closures.**

*Please use caution and drive with courtesy and patience throughout the project area.
Residents are entering and exiting communities on both sides of Corkscrew Road.*

The following information is provided by Cougar Contracting, Inc.:

- Corkscrew Road is now in its final configuration from Ben Hill Griffin Parkway to Bella Terra Boulevard. Motorists should expect isolated flagging operations with periodic lane closures as the contractor works through the final project punch list. Motorists should also expect construction vehicles entering and leaving the roadway.
- Crews continue installing signage, sod, and fencing throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

WORK PERFORMED BY OTHERS:

- GL Homes is actively working in the RiverCreek Community site across from Wild Blue Boulevard. Motorists should expect delays and use caution as construction vehicles enter/exit the roadway.
- The Village of Estero anticipates beginning construction of their shared use path in fall 2024. The path is designed to extend to the east property line of Bella Terra on the south side and to east of Grandezza on the north side of Corkscrew Road.

**MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT.
FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.**

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion of the full project is summer 2024.** Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Corkscrew Road Widening Project – Phase 2 Construction Project: The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bike lanes in each direction, a 10-foot-wide shared-use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Crews will be installing conduit for streetlights and fiber communication lines from Wayside Lane to Alico Road on the south side of Corkscrew Road.
- Crews are installing water main from Wayside Lane to the eastern boundary of Corkscrew Shores.
- Crews are installing a force main on the north side of Corkscrew Road.
- During daytime hours, the contractor continues earthwork as a part of the new pond construction east of Corkscrew Shores.
- Crews are installing erosion control and traffic control devices throughout the project.

- Crews may be working close to the roadway. Motorists are asked to drive with caution. Sidewalks may be closed in areas throughout the project as the contractor performs underground work.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is spring 2026.** Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: Crews have moved traffic to the permanent lanes on the Sanibel Causeway. **The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access, including from the water.**

- Motorists should expect traffic to be intermittently stopped at the staging area entrance as equipment crosses the road with materials for work on the south side of McGregor Boulevard.
- Motorists should expect one lane of eastbound travel to continue from the toll plaza to Shell Point Road on the south (beach) side of McGregor Boulevard. The shoulder (south/beach side) remains **FULLY CLOSED TO ACCESS**. This closure is necessary for crews to excavate and install underground devices (marine mattresses) to reinforce the shoreline. This closure is expected to be in place through May 2024. The contractor may intermittently use this lane for materials delivery.
- Motorists traveling westbound on McGregor Boulevard may experience short delays for FHP to stop vehicles to allow materials deliveries to access the staging area at Punta Rassa.
- Crews continue earthwork and debris removal along the causeway islands. Please expect construction equipment periodically entering/leaving the travel lanes when necessary. The contractor is limiting this interruption during peak hours.
- The westbound merge location is now west of the toll plaza. Motorists are urged to use caution and obey the 20 MPH speed limit. Construction vehicles and equipment continue to enter/exit the staging area near this location.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Bicyclists are encouraged to utilize another mode of transportation to travel the causeway and pedestrians are not permitted on the Sanibel Causeway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional information.

Striping maintenance: Lee County DOT will be performing a moving operation with traffic delays on **June 27, 2024, to July 3, 2024**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

E Mariana Ave	Davis Blvd
Old Bayshore Rd	Fifth St
North River Rd	Pine Island Rd <i>(Excluding Shoreview Dr – South end of Matlacha/Yucatan Waterfront Bar and Grill)</i>
Persimmon Ridge Rd	
Pearl St	
Broadway St	
Old Olga Rd	
Linwood Ave	
Park Way	
W Court Pl	
Cartagena Ave	
Tropic Ave	
River Ridge Blvd	
Parkview Dr	

Intersection markings maintenance: Intermittent Lane closures and delays are possible **June 27, 2024, to July 3, 2024**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Summerlin Rd	Ortiz Ave (SR 82 – Palm Beach Blvd)
Pine Ridge Road	

For additional information, please contact Randy Hart at DOTMarkings@leegov.com

Big Carlos Pass Bridge Project – Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

*Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water. Please use the channel when traveling through Big Carlos Pass.
To contact the bridge tender, please call: 239-955-3973.*

TRESSPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL. THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.

Pedestrians and boaters are reminded to please stay out of the work zone.

- The contractor will continue driving additional piles for the bridge. The pile driving will be more continuous. Additional cranes and equipment are onsite to complete this work.
- Crews continue driving and installing pile as a part of the construction of the trestle. The contractor will be building the bridge from this temporary trestle. Pile driving will continue through the duration of the project.
- Crews will continue performing earthwork throughout the project area.
- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.
- Pedestrians will be directed to use sidewalk on one side of the roadway through the construction area.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during construction and motorists should be prepared to stop. **Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.**

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

North Lee County Wellfield Expansion Phase IIIA Project – Fort Myers (ROW2022-00030): Durrance Road between Deal Road to LCU North Water Treatment Plan - RPU will be completing the Raw Water Main tie-ins via open cut and testing of the Raw Water Main from **May 28, through July 31, 2024**. Work will be performed along Durrance Road from Deal Road heading south towards LCU North Water Treatment Plant. Northbound lane will be subject to temporary daily lane closures. Traffic will be maintained with flagmen and opened up daily. Working hours shall be from **9:00 AM to 4:00 PM**. Any questions, please contact Victor Menocal at vmenocal@rpucorp.com; or (305) 776-8181.

Lehigh Acres Mast Arm Replacements & Intersection Improvements Project: Lee County DOT and its contractor American Infrastructure Services (AIS) will begin improvements to three separate intersections in Lehigh Acres, Florida. The Intersections are as follows: **1. Homestead Road N and Beth Stacey Boulevard, 2. Homestead Road N and Plaza Drive, and 3. Joel Boulevard and Bell Boulevard**. The improvements include mast arm and signal replacement, asphalt milling and resurfacing, ADA improvements, drainage improvements, sod, and road striping.

- **Homestead Road N and Beth Stacey Boulevard, Homestead Road N and Plaza Drive, and Joel Boulevard and Bell Boulevard:**
 - **Thursday, June 27, 2024 - Friday, July 05, 2024**, there may be intermittent lane closures from **9:00 AM to 4:00 PM** as crews will be performing inspections and completing punch list items.

The work activities above are scheduled to occur, however unforeseen conditions and weather may affect this schedule.

The project began on **Monday, August 14, 2023**, and is estimated to be complete in **Summer 2024**. Motorists and Pedestrians are urged to use extra caution when traveling through the work zones. For further information, please contact Ryan Kirsch at LCDOTProjects@leegov.com.

Leisure Lane to Del Prado Boulevard N along US 41 - North Fort Myers (FDOT Permit #2022-H-192-00135): Accurate Drilling Systems, Inc. will be performing utility improvements **beginning Monday, October 30, 2023, and will continue through July 19, 2024.** Asphalt pavement, concrete sidewalk, concrete curbing, and utility improvements will be performed. US 41 will not have any lane closures. For further information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services 239-656-1183.

Littleton Road Widening Project from Corbett Road to US 41: The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. **The project began in January 2024 with estimated completion in summer 2025.** Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- As requested by Windmill Village management, the driveway at Windmill Boulevard will remain closed until construction has progressed away from the area. Motorists entering and exiting Windmill Village are advised to continue using the Delft Avenue driveway during this closure.
- Crews continue to install drainage structures within the project limits. Motorists should expect to see flagging operations with minimal delays from 5:00 AM to 5:00 PM.
- Motorists are advised that traffic has shifted to temporary asphalt on the north side of the existing Littleton Road from Janet Drive to Hutto Road.

MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE.
THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE
DOUBLED WHEN WORKERS ARE PRESENT.

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.LittletonRoadWidening.com or contact Michaela Steakley by email at Michaela.Steakley@atkinsrealis.com or by phone at 239-410-8174.

Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard): This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater

management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Motorists should expect the southbound right turn lane into The Vistas at Eastwood apartment complex to be closed temporarily during the daytime hours for utility locates. The driveway will remain open to two-way traffic. Motorists can turn into the complex directly from Ortiz Ave.
- LeeTran bus stops are open throughout the project.
- Crews will continue to mobilize equipment and materials to the project site.
- Crews will continue earthwork activities.
- The contractor is scheduled to survey the project during daytime hours.
- Crews will be installing force main and water main north of the roundabout.
- The contractor is identifying existing utility locations throughout the project.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is Spring 2026.** Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit www.leegov.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Ben Hill Griffin Parkway Force Main Improvements - Fort Myers (ROW2023-01519): Accurate Drilling Systems, LLC. will be performing installation of 18" force main by Horizontal Directional Drill method, **beginning on Thursday, March 4, 2024, and continuing through June 28, 2024.** The outside (right) lane of northbound traffic on Ben Hill Griffin Blvd, between Garofalo Way and Corkscrew Rd, will be subject to lane closures. Additionally, the right lane of northbound traffic adjacent to Corkscrew Rd, along Ben Hill Griffin Pkwy, will remain permanently closed until the installation of the force main section and asphalt restoration are complete. The closures will be in sections as we advance with the drilling activities. The closure of the northbound right lane will occur between the hours of **9:00 AM to 3:30 PM** on weekdays. For further information, please contact Ismael Irigoyen at (863) 517-2838 or ismael@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Winkler Road Sidewalk Improvements - The following information was provided by V&H Construction, Inc.:

1. Sidewalk Removal and Installation (Project Timeline: April 15, 2024, to July 30, 2024):

- **Winkler Road Sidewalk Improvements:** The Project Consists of sidewalk improvements along Winkler Road within Lee County, Florida. Starting north of Southwind Bay Circle, extending to Summerlin Road and Winkler Intersection Work shall include, but not be limited to, removing portions of existing sidewalk, realignment, new concrete, sidewalk installation with ADA upgrades, culvert installations, fill dirt, grading, final dress and sod.

Phase I Construction commenced on April 15, 2024. 184 LF south of Woodgate Drive on Winkler Road marks starting point of this phase. Phase I is in its final stages of completion.

Phase II Construction stretches the remainder of the Project, ending at the intersection of Summerlin Road & Winkler Road. Phase II Construction has been initiated.

- Motorists and Pedestrians should expect Maintenance of Traffic Operations, as crews set up MOT and start construction progression.
- Motorists should expect isolated flagging operations with periodic lane closures as the contractor coordinates removing portions of existing sidewalk, realignment, new concrete, sidewalk installation, ADA upgrades, culvert installations, fill dirt, grading, final dress and sod.
- Surveyors will be on site, the stretch of the project to obtain necessary imagery. Motorists are urged to use caution while surveyors work near the roadway.
- Motorists should expect construction vehicles entering and leaving the roadway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT. FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, miscellaneous turn lane closures, and uneven pavement throughout the project.

*Please use caution and drive with courtesy and patience throughout the project area.
Residents are entering and exiting communities on both sides of Winkler Road.*

For additional information, please contact Lou Serao at LSerao@leegov.com or (239) 791-6042.

Bonita Beach Road West of I75 TO US 41 Bonita Springs – Fort Myers (B220294DWJ - Countywide Sidewalk Repair Project): Scott Commercial Contracting LLC will be resuming sidewalk repair improvements beginning **Monday, April 29, 2024**, and continuing through **December 31, 2024** (excluding holidays). Removal of and repair of damaged concrete sidewalk will be performed under county contract B220294DWJ on both the north and south sides of Bonita Beach Road West I75 to US 41 in Bonita Springs. The outside (right) lane(s) of westbound traffic on Bonita Beach Road west of Oakland Drive will be the first area subject to lane closures utilizing FDOT indexes 102-615 & 102-613. Also, the west bound sidewalk will be closed and detoured as needed per Index FDOT 102-660. Periodic lane closures for westbound and eastbound lanes of Bonita Beach Road will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further information, please contact Clint Scott at (239) 340-8695 or info@team-scott.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

Joel Boulevard from Edward Avenue to East 15th Street (ROW2021-01023): Pike Electric will be working on the overhead power lines. The projected start date is **May 9, 2024**. The westbound far right lane, 500 feet at a time, will be subject to a lane shift from **9:00 AM and 3:30 PM**. The projected end date is **June 28, 2024**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at (239) 225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at (239) 240-9410, sambell@awptraff.com.

Greenbriar Boulevard from Joel Boulevard to Woodburn Drive - (ROW2021-01011): Pike Electric will be working on the overhead power lines. The projected start date is **May 13, 2024**. The eastbound right lane, 500 feet at a time, will be subject to a lane closure with flaggers from **9:00 AM and 3:30 PM**. The projected end date is **July 15, 2024**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraff.com.

PMI will be milling and paving, in the areas below, beginning from **May 13, 2024, to June 30, 2024**. Work times will be from **7:00 AM to 4:00 PM**. Motorists should use caution, as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates.

Motorists should use caution, as these areas will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. For further information, please contact paving@leegov.com.

Richmond Avenue North from Woodburn Drive to E 17th Street and E 17th Street from Richmond Avenue North to Henry Avenue (ROW2021-00989): Pike Electric will be working on the overhead power lines. The projected start date is **May 20, 2024**. The named section of roadway will be subject to a lane closure with flaggers from **9:00 AM and 3:30 PM**. The projected end date is **August 30, 2024**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Sam Bell at 239-240-9410, sambell@awptraffic.com.

Buckingham Road in front of Oakview Community – Fort Myers (ROW2024-3292): Mitchell & Stark Construction Company is scheduled to carry out roadway improvements, with construction set to commence during the week of **May 20, 2024, and extend for the following three months until August 20, 2024**. The current two-lane configuration in the area will necessitate periodic lane closures throughout the construction period. Daytime work will be conducted now that we are out of season. The planned activities within the right-of-way (ROW) area include jack and boring underneath Buckingham Road, milling and paving, as well as the addition of a deceleration lane and a turn lane. For further information, please contact Kody Chapman at (239) 777-3603 or via email. Bobs Barricades will handling MOT.

Maida Lane to Ban Way Road at Gladiolus Drive – Fort Myers (ROW2023-01620): Cougar Contracting LLC, will be performing roadway and sidewalk improvements beginning **Monday, May 13, 2024, and continuing through August 20, 2024**. Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. Also, relocation of one fire hydrant will be done as well. The outside (right) lane of eastbound traffic on Gladiolus Drive just after S. Tamiami Trail will be subject to lane closures. Periodic lane closures for eastbound lanes will occur between the hours of **9:00 AM and 3:30 PM** on weekdays as well as **7:00 PM to 6:00 AM** on weekdays. For further information, please contact

Tony Phimmasonne at (239) 275-9334 Ext. 208 or Tonyp@cougarcompanies.com. Cougar Contracting, LLC will provide maintenance of traffic services (239) 275-9334 Ext. 208.

Summerlin Road from Bass Road (ROW2024-00281): PMI will be conducting ROW work for sidewalk and drainage install for the Oaks at Cypress Cove project along Summerlin Road starting **May 28, 2024, and continuing through June 28, 2024**. There will be intermittent temporary road closure in the far right lane of Summerlin Road from Bass Road west for approximately 1 mile. The work will be done during the day between the hours of **7:00 AM and 4:00 PM**.

Champion Avenue from Centennial Boulevard to Brookfield Street (Permit ROW2022-01099): Pike Electric will be working on the overhead power lines. The projected start date is **June 5, 2024**. This section of road will be subject to a lane closure with flaggers 500 feet at a time, from **9:00 AM and 3:30 PM**. The projected end date is **September 27, 2024**. All American Barricades will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Alicia Garces at 954-512-8337.

Leeland Heights Boulevard E: Lee County Department of Transportation will be performing sidewalk replacement on Leeland Heights Boulevard E between Richmond Avenue N and Highland Avenue. We will have MOT set up for the duration of this project. One lane of the road will be shut down periodically during the day from **9:00 AM until 4:00 PM**. The dates for this project will be **May 27, 2024, through June 28, 2024**. Any questions or concerns with this project please contact JD Geisler at 239-533-9400.

Gateway - FGUA Bulk Water Interconnect - Fort Myers (ROW2024-00503): Accurate Drilling Systems, Inc. will be performing installation of 12" watermain along Griffin Drive/Ray Avenue/Nobel Avenue to interconnect the Gateway and FGUA systems by Open, HDD and Jack and Bore methods, **beginning on Monday, June 24, 2024, and continuing through November 27, 2024**. The intersection of Ray Avenue S and Meadow Road will be subject to lane closures. The right lane of Northbound traffic on Ray Avenue S, just after Meadow Road, will be subject to lane closures, as well as the right lane of Northbound traffic on Nobel Avenue S, just after 28th St SW, will be subject to lane closures. The closures will be in sections as we advance with the open-cut activities. The closure of the lanes will occur between the hours of **9:00 AM to 3:30 PM on weekdays**. For further information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Lee County DOT will repair the guardrail on **Summerlin Road South of Bass Road**. Weather permitting, repairs are scheduled from **June 24, 2024, to June 27, 2024**; single-lane closures from **9:00 AM to 4:00 PM**. If you have any questions, please contact Carlos Hernandez at chernandez@leegov.com or (239) 533-9400.

Three Oaks Parkway Extension Project Phase 1 from Fiddlesticks Canal to Indian Paint Lane: This project consists of extending Three Oaks Parkway north of the Fiddlesticks Canal and constructs 4 lanes with a 5-foot-wide bicycle lane. In Phase 1, there is an 8-foot-wide sidewalk on the west side of the roadway and a 6-foot-wide sidewalk on the east side of the roadway.

- Beginning the week of **June 24, 2024**, the outside northbound lane of Three Oaks Parkway, from Alico Road to Fiddlesticks Canal, will have intermittent lane closures for approximately three weeks.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is early 2026**. Project cost is approximately \$26.8 M. The contractor is Wright Construction Group. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

Buckingham Road at Riverdale High School - Fort Myers (ROW2024-00355): Jensen Underground Utilities, Inc. will be performing roadway improvements that will begin during the week of **Monday, June 24, 2024**, and is expected to continue until some point **during the week of Monday, July 1, 2024**. Underground water line improvements will be made during this time. These improvements will involve an open cut, as well as cutting into the existing water main. The turning lane of northbound traffic on Buckingham Road that turns east onto Coral Vine Lane is subject to lane closures. These lane closures will take place from **7:00 AM - 5:00 PM** on weekdays. For further information, please contact Ricky Pullen at 239-825-1623 or Dylan Jensen at 239-580-9803 or dylan@jensenunderground.com. Bob's Barricades will provide maintenance of traffic services. They can be reached at 239-656-1183.

Buckingham Road in front of Riverdale High School from Drawdy Court to Loring Way (ROW2024-00318): Bateman Contracting will be starting the temp widening on the east side of Buckingham Road in front of Riverdale High School from Drawdy Court to Loring Way for the new traffic signal installation. A lane shift in the northbound lane of Buckingham Road will occur while work is being done and returned

to normal at the end of the day. Northbound and southbound lanes will stay active thru the process with occasional flagman operations. **Work is expected to begin on July 1, 2024 and continue through August 9, 2024, Monday through Friday, from 8:00 AM to 5:00 PM.** MOT – Acme barricaders; Site Contractor – Bateman Contracting. For further information please contact Jay Koger at (239) 229-5141 or jasonkoger@bateman-contracting.com.

Orange River Boulevard just west of Staley Road (ROW2023-00711) – Russ Berner Construction will be milling and paving on Orange River Boulevard just west of Staley Road. **This will be a night-time operation on Sunday, July 28, 2024. Work will begin at 7:00 PM and will be completed by Monday morning at 5:00 AM.** The work will be in the westbound lane of Orange River Boulevard and will require a flagging operation. Scott Contracting (Jason King 239-898-2052) will be providing the MOT for this project. Motorists should use extra caution in this area during the referenced times/dates. Questions and concerns can be directed to: Doug Padgett (Russ Berner Construction) (239) 222-8964 or doug@russbernerconstruction.com.

Bonita Beach Road – Bonita Springs (DOS22-96885-BOS): Benco Construction, LLC. will be performing onsite work on the Bonita 75 project beginning **Monday, June 17, 2024 and will continue through December 17, 2025.** There are no roadway and sidewalk improvements with Bonita Beach Rd. as part of this work. The proposed MOT that will be placed along Bonita Beach Road will include only “Trucks Entering Highway” signs to alert westbound traffic of construction traffic entering Bonita Beach Rd. at Miller Rd. For further information, please contact Daniel Morris at (813) 778-1295 Dmorris@bencoconstructionllc.com.

25th Street W. Lehigh Acres (ROW2023-00813) 25th Street W. will have an intermittent eastbound lane closure with flagging from **Unice Avenue N to Sunshine Boulevard** beginning on **June 24, 2024, through July 10, 2024.** All work will be from the time of **9:00 AM – 3:30 PM.** The work being performed is for maintenance purposes for FPL. For further information, please contact Cole Bryan at (863) 268-3941 or jbryan@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

Cemetery Road - Lee County Department of Transportation will be performing pipe replacement on Cemetery Road between Goebel Drive and Skates Circle. Lee County DOT will have MOT set up for the duration of this project. Lee county DOT will have flagging operation during the day from **9:00 AM until 4:00 PM**. **The dates for this project will be June 24, 2024, to June 28, 2024**. If there are any questions or concerns with this project, please contact JD Geisler at 239-533-9400.

Gunnery Road N. - Lehigh Acres (ROW2023-00858): Gunnery Road N. will have an intermittent southbound lane closure with flagging (the majority will include a turning lane) beginning at the intersection of Gunnery Road N. and 16th Street W. to the intersection of Gunnery Road N. and 9th Street W. – Emergency request is for **June 27, 2024, through July 9, 2024**, during the times of **9:00 AM – 3:30 PM**. The work being performed is for emergency pole replacements for FPL. For further information, please contact Cole Bryan at (863) 268-3941 or jbryan@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

Ortiz Avenue (ROW2024-00474) Physical Address: 2575 Ortiz Ave. Fort Myers - Irby Construction Company will be replacing (5) wooden poles along the east and west sides of Ortiz Avenue. Ortiz Avenue could be subject to intermittent lane closures in the northbound and southbound lanes. This work is to **begin on July 10, 2024, and will be completed by July 12, 2024**, between the hours of **9:00 AM and 3:30 PM**. For further information, please contact Jess Calder at (863) 781-2282 or jcalder@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

NE 3rd Terrace at Del Prado Boulevard N – Cape Coral (ROW2024-00352): M.E. Construction, Inc. will be replacing a water main **beginning Tuesday, July 9, 2024, and continuing through August 31, 2024**. A water main will be replaced on NE 3rd Terrace between NE 15th Place and NE 16th Place, crossing under Del Prado Boulevard. Roadway restoration will follow the water main work. There will be lane and road closures around the intersection of Del Prado Boulevard N and NE 3rd Terrace. From southbound Del Prado Boulevard N, the left turn lane to NE 3rd Terrace will be closed. Eastbound NE 3rd Terrace will be closed from Del Prado Boulevard N to NE 16th Place. Also, from southbound Del Prado Boulevard N, the right turn to NE 3rd Terrace will be closed as the westbound lane of NE 3rd Terrace will be closed from Del Prado Boulevard N to NE 15th Place. Additionally, the right lane of NE 16th Place will be closed from NE 3rd Terrace southbound for approximately one block. Work will occur between the hours of **7:00 AM and 4:00 PM** on weekdays. Maintenance of Traffic will be provided in the area to route traffic around the road closures. For further information, please contact Chase Cherry at (321) 831-4258.

Milling and Paving will begin from July 9, 2024, to July 20, 2024. Work times will be from 7:00 AM to 5:00 PM. Motorists should use caution, as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. For further information, please contact paving@leegov.com.
