ROADWATCH UPDATE

October 31, 2024 to November 6, 2024

1. Road Work/Maintenance/Improvement

Corkscrew Road Widening Project – Phase I Construction Project: The project widens Corkscrew Road to six lanes from Ben Hill Griffin Parkway to Fire House Lane, and to four lanes from Fire House Lane to Bella Terra Boulevard. The project includes adding on-road bike lanes, some sidewalk, installing new drainage, and constructing a wildlife crossing approximately 1000 feet west of the entrance to Cypress Shadows Boulevard. This crossing will coincide with a regional flow-way that crosses Corkscrew Road at that location. The Village of Estero will be installing shared use paths, lighting, and landscaping as phasing allows. **Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone. Please be aware of shifts in travel lanes and bike lanes, sidewalk detours, and miscellaneous turn lane closures.**

Please use caution and drive with courtesy and patience throughout the project area. Residents are entering and exiting communities on both sides of Corkscrew Road.

The following information is provided by Cougar Contracting, Inc.:

- Corkscrew Road is now in its final configuration from Ben Hill Griffin Parkway to Bella Terra Boulevard. Motorists should expect isolated flagging operations with periodic lane closures as the contractor works through the final project punch list. Motorists should also expect construction vehicles entering and leaving the roadway.
- Crews continue installing signalization and fencing throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

WORK PERFORMED BY OTHERS:

- The Village of Estero anticipates beginning construction of their shared use path in fall 2024. The path is designed to extend to the east property line of Bella Terra on the south side and to east of Grandezza on the north side of Corkscrew Road.

**MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT.
FOR EVERYONE'S SAFETY, PLEASE STAY OUT OF THE ACTIVE WORK ZONE.**

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Estimated completion of the full project is fall 2024. Project cost is approximately \$23 M. The contractor is Cougar Contracting, LLC. For further questions, please visit the project website at <http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Corkscrew Road Widening Project – Phase 2 Construction Project: The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bike lanes in each direction, a 10-foot-wide shared-use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Crews may be performing earthwork close to the roadway. Please be aware that trucks may be entering and leaving Corkscrew Road.
- Crews are installing water main from Wayside Lane to Alico Road.
- Crews are installing a force main on both sides of Corkscrew Road.
- During daytime hours, the contractor continues earthwork as a part of the new pond construction east of Corkscrew Shores.
- Crews are installing erosion control and traffic control devices throughout the project.
- Crews may be working close to the roadway. Motorists are asked to drive with caution. Sidewalks may be closed in areas throughout the project as the contractor performs underground work.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Estimated completion is spring 2026. Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at

<http://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: Crews have moved traffic to the permanent lanes on the Sanibel Causeway. **The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access, including from the water.**

The following work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

East of the Toll Plaza:

- On Friday, November 1, motorists should expect the McGregor Boulevard work area to shift to the north side of the road. Both directions of McGregor Boulevard traffic will shift to the south side of the road from approximately ½ mile from Shell Point Boulevard to west of Port Comfort Road. This shift is necessary for the contractor to reconstruct the underground pipe crossing under the north side of the road. McGregor Boulevard is scheduled to remain REDUCED TO ONE LANE IN EACH DIRECTON through early 2025.
- The eastbound (south/beach side) shoulder on McGregor Boulevard remains FULLY CLOSED TO ACCESS. Crews have installed underground devices (marine mattresses) to reinforce the shoreline and are scheduled to finalize shoulder work by late November 2024.
- Motorists should expect temporary daytime lane closures on McGregor Boulevard, both eastbound and westbound from Shell Point Boulevard to Punta Rassa Road for crews to move equipment and materials as necessary.

West of the Toll Plaza:

- Motorists should expect traffic to be intermittently stopped at the staging area entrance as equipment crosses the road with materials for work on the south side of McGregor Boulevard and on the south side of the toll plaza.
- Crews are scheduled to begin installing sod for roadway stabilization and pond construction in the coming weeks. Earthwork and debris removal continues along the causeway islands. Please expect construction equipment periodically entering/leaving the travel lanes when necessary. The contractor is limiting this interruption during peak hours.
- The westbound merge location is now west of the toll plaza. Motorists are urged to use caution and obey the 20 MPH speed limit. Construction vehicles and equipment continue to enter/exit the staging area near this location.
- Crews continue work in the area of the off-island U-turn under Span A.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Bicyclists are encouraged to utilize another mode of transportation to travel the causeway and pedestrians are not permitted on the Sanibel Causeway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional information.

Big Carlos Pass Bridge Project – Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

*Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water. Please use the channel when traveling through Big Carlos Pass.
To contact the bridge tender, please call: 239-955-3973.*

TRESSPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL. THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.

Pedestrians and boaters are reminded to please stay out of the work zone.

- During the very early morning hours, the contractor is taking delivery of concrete. Crews are pouring early to ensure the concrete is delivered timely and temperatures are favorable for successful pours. This is scheduled to continue through March 31 when sea turtle nesting season begins.
- Pedestrians will be directed to use sidewalk on the north side of the roadway through the construction area.
- The contractor will continue driving additional piles for the bridge and construction of the trestle. The contractor will be building the bridge from this temporary trestle. Pile driving will continue through the duration of the project.
- Crews will continue performing earthwork throughout the project area.
- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during

construction and motorists should be prepared to stop. **Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.**

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Leisure Lane to Del Prado Boulevard N along US 41 - North Fort Myers (FDOT Permit #2022-H-192-00135): Accurate Drilling Systems, Inc. will be performing utility improvements **beginning Monday, October 30, 2023, and will continue through November 19, 2024.** Asphalt pavement, concrete sidewalk, concrete curbing, and utility improvements will be performed. US 41 will not have any lane closures. For further information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services 239-656-1183.

Littleton Road Widening Project from Corbett Road to US 41: The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. The project began in January 2024 with estimated completion in summer 2025. Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- The DaVita Fort Myers North Dialysis driveway on Littleton Road is closed while crews install drainage. It is scheduled to reopen the week of Monday, November 11, 2024. The parking lot will continue to be accessible from the driveway on US-41/N Cleveland Avenue.
- During the week of Monday, November 4, 2024, the Horizon Village driveway will be reduced to one lane for crews to install underground drainage structures. Flaggers will be onsite to assist motorists and access will be maintained.
- Motorists are advised that eastbound and westbound traffic have shifted to the south side of the corridor throughout the length of the project to allow crews to work on the north side.
- Crews continue to install drainage structures within the project limits. Motorists should expect to see flagging operations with minimal delays from 9:00 AM to 4:00 PM.
- Motorists are advised that traffic may be heavy on weekdays from 7:00 AM to 8:30 AM and from 1:30 PM to 3:30 PM due to Littleton Elementary School traffic. Expect delays. Please choose an alternative route if possible.
- Two eastbound LeeTran bus stops on Littleton Road near Horizon Boulevard and Serendipity Boulevard are temporarily out of service. The bus stop on the corner of Littleton Road and US-41/North Cleveland Avenue near 7-Eleven is still in service.
- As requested by Windmill Village management, the driveway at Windmill Boulevard will remain closed until construction has progressed away from the area. Motorists entering and exiting Windmill Village are advised to continue using the Delft Avenue driveway during this closure.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE. THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE DOUBLED WHEN WORKERS ARE PRESENT.

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.LittletonRoadWidening.com or contact Michaela Zawodny by email at Michaela.Zawodny@atkinsrealis.com or by phone at 239-410-8174.

Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard): This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

- LeeTran has installed a new temporary northbound bus stop just south of the Lee County Jail driveway. The northbound stops just north of the Lee County Jail driveway and near RaceTrac are temporarily out of service.
- Crews will continue earthwork activities.
- The contractor is scheduled to survey the project during daytime hours.
- Crews will be installing force main and water main north and south of the roundabout.
- The contractor is identifying existing utility locations throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is Spring 2026.** Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit www.ortizavewidening.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Ben Hill Griffin Parkway Force Main Improvements - Fort Myers (ROW2023-01519): Accurate Drilling Systems, Inc. will be performing installation of 18" force main **beginning on Thursday, March 4, 2024, and continuing through October 31, 2024.** The outside (right) lane of northbound traffic on Ben Hill Griffin Boulevard, between FGCU Lake Parkway W and Corkscrew Road, will be subject to lane closures. The closures will be in sections as we advance with the Concrete Sidewalk Restoration. The closure of the northbound right lane will occur between the hours of **9:00 AM to 3:30 PM** on weekdays. For further information, please contact Ismael Irigoyen at (863) 517-2838 or ismael@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Buckingham Road in front of Oakview Community – Fort Myers (ROW2024-03292): Mitchell & Stark Construction Company is scheduled to carry out roadway improvements, with construction set to commence during the week of **May 20, 2024, and continuing through November 22, 2024.** The current two-lane configuration in the area will necessitate periodic lane closures throughout the construction period. Daytime work will be conducted now that we are out of season. The planned activities within the right-of-way (ROW) area include jack and boring underneath Buckingham Road, milling and paving, as well as the addition of a deceleration lane and a turn lane. For further information, please contact Kody Chapman at (239) 777-3603 or kchapman@mitchellstark.com. Bobs Barricades will be handling MOT.

Gateway - FGUA Bulk Water Interconnect - Fort Myers (ROW2024-00503): Accurate Drilling Systems, Inc. will be performing installation of 12" watermain along Griffin Drive/Ray Avenue/Nobel Avenue to interconnect the Gateway and FGUA systems by Open, HDD and Jack and Bore methods, **beginning on Monday, June 24, 2024, and continuing through November 27, 2024.** The intersection of Ray Avenue S and Meadow Road will be subject to lane closures. The right lane of Northbound traffic on Ray Avenue S, just after Meadow Road, will be subject to lane closures, as well as the right lane of Northbound traffic on Nobel Avenue S, just after 28th St SW, will be subject to lane closures. The closures will be in sections as we advance with the open-cut activities. The closure of the lanes will occur between the hours of **9:00 AM to 3:30 PM on weekdays.** For further information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Three Oaks Parkway Extension Project Phase 1 from Fiddlesticks Canal to Indian Paint Lane: This project consists of extending Three Oaks Parkway north of the Fiddlesticks Canal and constructs 4 lanes with a 5-foot-wide bicycle lane. In Phase 1, there is an 8-foot-wide sidewalk on the west side of the roadway and a 6-foot-wide sidewalk on the east side of the roadway.

- The outside northbound lane of Three Oaks Parkway, from Alico Road to Fiddlesticks Canal, will have intermittent lane closures for light pole installation.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is early 2026.** Project cost is approximately \$26.8 M. The

contractor is Wright Construction Group. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

Bonita Beach Road – Bonita Springs (DOS22-96885-BOS): Benco Construction, LLC. will be performing onsite work on the Bonita 75 project beginning **Monday, June 17, 2024, and continuing through December 17, 2025.** There are no roadway and sidewalk improvements with Bonita Beach Rd. as part of this work. The proposed MOT that will be placed along Bonita Beach Road will include only “Trucks Entering Highway” signs to alert westbound traffic of construction traffic entering Bonita Beach Rd. at Miller Rd. For further information, please contact Daniel Morris at (813) 778-1295 Dmorris@bencoconstructionllc.com.

NE 3rd Terrace at Del Prado Boulevard N – Cape Coral (ROW2024-00352): M.E. Construction, Inc. will be replacing a water main **beginning Tuesday, July 9, 2024, and continuing through Friday, November 22, 2024.** A water main will be replaced on NE 3rd Terrace between NE 15th Place and NE 16th Place, crossing under Del Prado Boulevard. Roadway restoration will follow the water main work. There will be lane and road closures around the intersection of Del Prado Boulevard N and NE 3rd Terrace. From southbound Del Prado Boulevard N, the left turn lane to NE 3rd Terrace will be closed. Eastbound NE 3rd Terrace will be closed from Del Prado Boulevard N to NE 16th Place. Also, from southbound Del Prado Boulevard N, the right turn to NE 3rd Terrace will be closed as the westbound lane of NE 3rd Terrace will be closed from Del Prado Boulevard N to NE 15th Place. Additionally, the right lane of NE 16th Place will be closed from NE 3rd Terrace southbound for approximately one block. Work will occur between the hours of **7:00 AM and 4:00 PM** on weekdays. Maintenance of Traffic will be provided in the area to route traffic around the road closures. For further information, please contact Chase Cherry at (321) 831-4257.

Imperial Parkway: Lee County Department of Transportation will be conducting a sidewalk repair project starting on **August 9, 2024,** and will continue through **November 27, 2024.** Work will be on the Northbound side from E Terry Street to Solerno Bay Road. Work will be conducted in daylight hours from **9:00 AM - 4:00 PM.** There will be intermittent lane closures throughout the day. Any questions or concerns with this project please contact Jose Villa-Fuerte at 863-444-0143.

Bonita Beach Road SE – Bonita Springs (ROW2024-00090): Thompkins Contracting, Inc. will be performing roadway and sidewalk improvements beginning **Monday, August 5, 2024, and continuing through Thursday, October 31, 2024.** Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. The outside (right) lane of Westbound traffic on Bonita Beach Road SE just after Bonita Grande Drive will be subject to lane closures, as will one of two lanes from the eastbound portion of Bonita Beach Road just after Trade Way One. Periodic lane closures for westbound and eastbound lanes will occur between the hours of **9:00 AM and 3:30 PM** on weekdays. For further

information, please contact Curt Moore at (239) 770-2825 or Chris Dietrich (239) 671-0672. Acme Barricades will provide maintenance of traffic services (239) 479-5266.

51st Street W, Lehigh Acres – 51st Street West, between Joan Avenue N and Olive Avenue N, will be closed for Culvert pipe replacement from **September 16, 2024 to November 1, 2024**. Detours will be in place for the duration of this project. The detour will be 59th Street West to Olive Avenue N. If you have any questions or concerns, please contact JD Geisler at 239-533-9400.

The City of Cape Coral will be conducted night milling/resurfacing operations on **October 30, 2024 through November 1, 2024 at the intersection of Santa Barbara Boulevard and Gleason Parkway**. **Beginning the week of November 4, 2024**, daytime milling/resurfacing operations will be conducted on Kamal Parkway east of Santa Barbara Boulevard; Garden Boulevard from De Navarra Parkway to Durden Parkway; Durden Parkway from Ramsey Boulevard to Garden Boulevard; Nelson Road from Diplomat Parkway to Wilmington Parkway. For additional information contact Donald Comtois at dcomtois@capecoral.gov or (239) 242-3213.

Veterans Memorial Parkway- Lee County DOT, along with their contractor AJAX Paving, will begin milling & paving Veterans Memorial Parkway from the bridge to Country Club. This is scheduled for night work **beginning September 8, 2024, through October 31, 2024, from 7:00 PM to 5:00 AM**. There will be temporary lane closures and possible detours. Message boards will be provided in advance of closures. Follow detour signage. Please use caution in the area as the road surface may be partially milled and provide an uneven surface. If you have any questions, please reach out to Ajax Paving at (239)936-9444.

Ortiz Avenue north of E Michigan Avenue TO Dean Street – Fort Myers (Ortiz Sidewalk Repair Project): Team SCOTT will be beginning sidewalk repair improvements **beginning September 11, 2024, and continuing through December 31, 2024 (excluding Holidays)**. Removal of and repair of damaged concrete sidewalk will be performed on the East side of Ortiz Avenue, North of E Michigan Avenue TO Dean Street in Fort Myers. The outside (right) lane of northbound Ortiz Avenue will be subject to lane closures utilizing FDOT indexes 102-603 & 102-605. Also, the sidewalks will be closed and detoured as needed per Index FDOT 102-660. Periodic lane closures for northbound lanes of Ortiz Avenue will occur between the hours of 9:00 AM and 3:30 PM on weekdays. For further information, please contact Clint Scott at (239) 340-8695 or info@team-scott.com. Scott Safety LLC will provide maintenance of traffic services (239) 340-8695.

Pineapple Road from Miami Boulevard to Tangerine Road – (ROW2024-00724): Pike Electric will be working on the overhead power lines. The projected start date is **September 20, 2024**. This section of road

will be subject to a lane closure with flaggers 500 feet at a time. From **9:00 AM and 3:30 PM**. The projected end date is **November 22, 2024**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at 239-225-8037 bwilliams@pike.com. For further information on MOT, related inquiries please contact Amber Shorter at 1(330)-814-0096. Amber.shorter@awpsafety.com.

Sixth Street at the Center Road Intersection (ROW2021-00980): Pike Electric will be working on the overhead power lines. The projected start date is **September 27, 2024**. This section of road will be subject to a lane closure with flaggers from **9:00 AM to 3:30 PM**. The projected end date is **November 14, 2024**. Area Wide Protective will be providing MOT services. For further information, please contact Brian Williams with Pike at (239) 225-8037 or bwilliams@pike.com. For further information on MOT related inquiries, please contact Amber Shorter at 1(330) 814-0096 or Amber.shorter@awpsafety.com.

SR 78 Bayshore Road just east of New Post Road / Hart Road west to Evalena Lane in Lee County, Fort Myers (FINANCIAL PROJECT ID 447875-1-52-01): Ajax Paving of Florida LLC. will be performing safety improvements beginning on **Sunday, September 22, 2024, and continuing through January 10, 2025**. Milling and resurfacing, drainage, curb removal, curb placement, sidewalk removal and replacement, shoulder widening, and new concrete traffic separator placement will be performed. The center and inside lanes east and west bound will be subject to lane closures. The right lanes east and west bound will remain open to traffic at all times. These lane closures will take place from **8:00 PM until 6:00 AM Sunday through Thursday**. For further information, please contact Chris Lopez at (239)214-1057 or clopez@ajaxpaving.com. Ajax Paving will be providing the traffic control.

Ben Hill Griffin Parkway at Radar Court – Fort Myers (ROW2024-00120): Gulf Coast Underground will be performing utility work and sidewalk demolition & replacement **beginning October 7, 2024, and continuing through November 6, 2024**. The sidewalk will be closed on the east side of Ben Hill Griffin Parkway immediately south of the Radar Court intersection. For further information, please contact Tony Stefanacci at (239) 274-9504 or tony@gcu.cc.

Striping maintenance: Lee County DOT will be performing a moving operation with traffic delays on **October 31, 2024 to November 6, 2024 between the hours of 9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Sunset Rd	W 17th St
Park Rd	E 17th St
Unice Ave N	E 14th St
12th St W	W 14th St

Sara Ave N	W 12 th St
Sunniland Blvd	E 12 th St
Sunshine Blvd	E 10 th St

Intersection markings maintenance: Intermittent Lane closures and delays are **possible October 31, 2024 to November 6, 2024 between the hours of 9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Summerlin Rd	Sanibel Blvd @ US 41 (<i>reinstalling Qwick Kurb</i>)
Hancock Bridge Pkwy	

Night work scheduled for Thursday, October 31, 2024: Lee County DOT Traffic will be refreshing the pavement markings at the following locations on **Thursday, October 31, 2024** between the hours of **8:00 PM to 4:00 AM** (weather permitting). Motorists are advised to use caution as intermittent lane closures and delays are expected.

1. Ortiz Ave @ Lockett Rd
2. Lockett Rd @ Enterprise Pkwy
3. Orange River Blvd @ Buckingham Rd

For additional information, please contact Randy Hart at DOTMarkings@leegov.com.

Milling and Paving will begin on October 14, 2024, and continue through November 14, 2024. Work times will be from **7:00 AM to 5:00 PM**. Motorists should use caution, as this area will have lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. The weather may affect start times and dates. The following streets will be affected:

Stay alert and please no texting in the work zone! For more information, please call Ajax Paving at 239-936-9444.

Leonard Boulevard from north of 2nd Street West to Hightower Avenue South - Lee County DOT along with their contractor, Preferred Materials, will begin paving operations at the location listed above. Milling and paving operations are **scheduled to begin October 27, 2024**. This work is **scheduled to be completed on November 14 2024**. Working hours are from **7:00 PM to 5:00 AM**. Motorists should use caution as this area will be constructed with lane closures and uneven pavement. Please be aware of the advanced warning signs in these areas. Weather may affect start times and dates. For further information contact paving@leegov.com.

Bridge Closure - Midpoint Memorial Bridge #124096: Lee County DOT will be closing the Midpoint Bridge for the Midpoint Madness Veteran's Day 5k Run/Walk on **Monday, November 11, 2024, starting at 6:00 PM and reopening no later than 9:00 PM**. Variable message boards will also be placed to alert drivers about the bridge closure. If you have any questions regarding this bridge closure, contact Bill Juhl at (239) 533-9415.

Helen Place between Hanna Avenue and Irma Avenue, Lehigh Acres (ROW2024-00987) - Irby Construction Company will be installing (4) new wooden poles; replacing (1) wooden pole; and removing (5) wooden poles along the north side of Helen Place between the intersections of Hanna Avenue and Irma Avenue for new service purposes. Helen Place could be subject to an intermittent lane closure in the westbound lane. This work is to **be completed by November 7th by 3:30 PM**. For further information, please contact Jess Calder at (863) 781-2282 or jcalder@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

Storm Drain repair project on Colonial Boulevard at Via Royale: Lee County and its contractor Hinterland Group, Inc. will be conducting Storm Drain Pipe repairs on Colonial Boulevard at Via Royale, starting **Monday, November 4, 2024**. The construction is anticipated to last for one week between the hours of **8:00 PM and 5:00 AM**. During work hours, the eastbound right lane of Colonial Boulevard between Via Royale and Rarco Boulevard will be closed to facilitate the necessary construction activities. Via Royale and Rarco Boulevard will have no access to or from Colonial Boulevard during construction hours. This temporary lane closure is essential for ensuring the safety of both the construction crew and the general public. We kindly request all commuters and residents to plan their routes accordingly and to consider potential delays due to the lane closure. Motorist and pedestrians are urged to use extra caution through the work zone. We appreciate your cooperation and understanding during this construction period. For any questions or concerns related to the CIPP Lining operations, please feel free to contact the Project Manager, Rhett Tillman at (239) 533-9400 or email at rtillman@leegov.com.

Brantley Road - Lee County DOT Operations will repair the guardrail on Brantley Road. **The job is scheduled to start October 28, 2024, and will be completed by November 7, 2024**, weather permitting. Lane closure will take place from **9:00 AM to 4:00 PM**. If you have any questions, please contact Carlos Hernandez at chernandez@leegov.com or (239) 533-9400.

Bell Boulevard Sidewalk from SR 82 to Sunrise Boulevard: Lee County is constructing a new 6-foot-wide concrete sidewalk on the east side of Bell Boulevard from SR 82 approximately 4.2 miles north to Sunrise Boulevard. Work includes concrete driveway replacements, minor roadway reconstruction and paving, minor drainage improvements, and signing and pavement markings. The project began in late October 2024 with estimated completion in summer 2025. Project cost is approximately \$3.2 M. The contractor is V&H Construction.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

- The contractor is scheduled to be surveying the area during daytime hours. This includes some low-level drone flying.
- Crews are installing erosion control and traffic control devices throughout the project.
- The contractor is identifying existing utility locations throughout the project. Crews may be working close to the roadway. Motorists are asked to drive with caution.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please visit www.leegov.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Bonita Beach Road at Imperial Shores Boulevard - The signal on Bonita Beach Road at Imperial Shores Boulevard will be out of service from **7:00 PM to 5:00 AM on November 7, 2024**, for signalization work. There will be Off-Duty officers at this location to assist with traffic flows during the working times noted. Please contact Darin Brown at dbrown@ajaxpaving.com or (239) 299-6662 for more information.

Pine Island Road NW - Lee County Dot will be doing shoulder work on Pine Island Road NW from Matlacha Boulevard West to Shoreview Drive. Lee county Dot will be fixing the shoulders on north and south sides of the road. Flagging operations will be in place for the duration of this project from **9:00 AM to 4:00 PM**. Dates for this project will be **November 5, 2024 through November 8, 2024**. If you have any questions or concerns, please contact J.D. Geisler (239) 533-9423.

Wentworth Drive (ROW2024-00127) (Physical Address: 746 Wentworth Dr. Lehigh Acres) - Irby Construction Company will be replacing (1) wooden pole; removing (1) wooden pole; and installing (1) new wooden pole and (1) new guy and anchor along the east and west sides of Wentworth Drive at the intersection of Maybrook Court and Wentworth Drive for new service purposes. Wentworth Drive could be subject to an intermittent lane closure in the southbound/northbound lanes. This work is to begin on **November 13, 2024, at 9:00 AM and will be completed same day by 3:30 PM**. For further information, please contact Jess Calder at (863) 781-2282 or jcalder@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

58th Street W. (ROW2024-00999) Physical Address: 2910 58th St. W. Lehigh Acres - Irby Construction Company will be replacing (1) wooden pole and installing (1) new wooden pole along the south and north sides of 58th Street W. in front of 2910 58th Street W for new service purposes. 58th Street W could be subject to an intermittent lane closure in the eastbound/westbound lanes. This work is to begin on **November 13, 2024, at 9:00 AM and will be completed same day by 3:30 PM**. For further information, please contact Jess Calder at (863) 781-2282 or jcalder@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

2. Bridge Maintenance

Estero Parkway Bridge over I-75: Lee County DOT and its contractor, ZEP Construction, will perform maintenance activities on the **Estero Parkway Bridge**. This project includes repairs to the bridge's

underside, substructure, MSE Walls, and bridge deck. During the project duration, sporadic lane closures will be necessary. Therefore, motorists and pedestrians are urged to use extra caution in this area. The activities will **begin on May 8, 2024**, and are estimated to be **completed by December 1, 2024**. Please contact Avelino Cancel at (239)533-9400 or email acancel@leegov.com for further information.

Lee County DOT will make bridge repairs on New Pass bridge # 120022 Bonita Beach Causeway. Weather permitting, repairs are scheduled for **July 1, 2024, to October 31, 2024**; flag men control single-lane closures from **9:00 AM to 4:00 PM**. If you have any questions, please contact Carlos Hernandez at chernandez@leegov.com or (239) 533-9400.

Esterio Parkway Bridge over I-75: Lee County DOT and its contractor, ZEP Construction, will perform maintenance activities on the Esterio Parkway Bridge. This project includes repairs to the bridge's underside, substructure, MSE walls, and bridge deck. During the project duration, sporadic lane closures will be necessary. Therefore, motorists and pedestrians are urged to use extra caution in this area. To complete the maintenance activities, the bridge will need to be temporarily closed to traffic. Right now, we are scheduling the closing from **November 1st at 12:00 PM (noon) to November 5th at 5:00 AM**. During this time, the bridge will be closed to traffic, and public will be detoured to the south along Three Oaks Parkway, Corkscrew Road, and Ben Hill Griffin Parkway. Motorists are also encouraged to seek alternate routes. Other construction activities are ongoing and are estimated to be completed by December 1st, 2024. For further information, please contact Avelino Cancel at (239) 533-9400 or email: acancel@leegov.com.

Lee County DOT will repair the deck on **Esterio Boulevard, New Pass Bridge**. Weather permitting, repairs are scheduled for **September 23, 2024 through October 31, 2024**; flag men control single-lane closures from **9:00 AM to 4:00 PM**. If you have any questions, please contact Carlos Hernandez at chernandez@leegov.com or (239) 533-9400.

3. Street Lighting Maintenance

Colonial Boulevard/Midpoint Bridge/Veterans Parkway: Lee County DOT Traffic will be performing street lighting maintenance on Colonial Boulevard/Midpoint Bridge/Veterans Parkway from Fowler Street to Country Club Boulevard on **Friday, November 1, 2024 through Friday, November 8, 2024**. Motorists are urged to use extra caution, as there will be intermittent lane closures in the eastbound and westbound lanes from **9:00 AM to 4:00 PM**. For further information, please contact Ryan Kirsch at (239) 896-8074.

4. Landscaping – Tree Trimming

5. Traffic Signal Maintenance
