## **ROADWATCH UPDATE**

**February 20, 2025 to February 26, 2025**

### **1. Road Work/Maintenance/Improvement**

**Corkscrew Road Widening Project – Phase 2 Construction Project:** The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bike lanes in each direction, a 10-foot-wide shared-use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

**Drivers, pedestrians, and bicyclists are urged to use extra caution  
when traveling through the work zone.**

- Crews will be installing utility conduits and light pole bases on the south side of Corkscrew Road from Wayside Lane to Alico Road.
- Crews will be transporting dirt as part of the pond construction east of Corkscrew Shores. Motorists should expect heavy truck traffic entering and leaving Corkscrew Road in that area.
- Motorists should expect intermittent daytime flagging for crews to perform earthwork close to the roadway. The contractor is placing embankment for the new road on both the north and south sides of Corkscrew Road. Please be aware that trucks may be entering and leaving the roadway.
- Motorists should expect crews to be working on underground utilities near the intersection of Corkscrew Road and Alico Road. The contractor will be doing initial work for the traffic signal installation.
- Crews are removing the old water main from Wayside Lane to Alico Road.
- Crews are installing raw water main on the south side and force main on both sides of Corkscrew Road.
- During daytime hours, the contractor continues earthwork as a part of the new pond construction east of Corkscrew Shores.

- Crews are installing erosion control and traffic control devices throughout the project.
- Crews may be working close to the roadway. Motorists are asked to drive with caution. Sidewalks may be closed in areas throughout the project as the contractor performs underground work.

*The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.*

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. **Estimated completion is spring 2026.** Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at <https://corkscrewroadwidening.com> or contact Jennifer Dorning by email at [Jennifer.Dorning@atkinsrealis.com](mailto:Jennifer.Dorning@atkinsrealis.com) or by phone at (239) 338-7723.

**Corkscrew Road Shared Use Path Project:** This Village of Estero project constructs a 10-foot wide asphalt pathway on the north side of Corkscrew Road from Ben Hill Griffin Parkway to Palermo Lake Court, and 6-foot wide concrete sidewalk from east of Palermo Lake Court that connects to the sidewalk that runs to Vista built by Lee County's previous widening project. The 10-foot wide asphalt pathway will also be constructed on the south side of Corkscrew Road from Ben Hill Griffin Parkway to Bella Terra Boulevard. Roadway and pathway lighting similar to those on Estero Parkway will be installed to complement the new facilities, along with a substantial amount of landscaping and irrigation which will add to the beautification of the Corkscrew Road corridor.

**Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.**

- Crews are installing erosion control and beginning earthwork along Grandezza.

*The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.*

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Estimated completion is Fall 2025. Project cost is approximately \$23 million. For further questions, please contact Jennifer Dorning by email at [Jennifer.Dorning@atkinsrealis.com](mailto:Jennifer.Dorning@atkinsrealis.com) or by phone at (239) 338-7723.

**Sanibel Causeway Emergency Restoration:** Crews have moved traffic to the permanent lanes on the Sanibel Causeway. The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access, including from the water.

*The following work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.*

East of the Toll Plaza:

- Motorists should expect the outside eastbound lane closed from the toll plaza to Shell Point Boulevard for crews to restore guardrail and the asphalt shoulder. This lane closure is required for crews to work safely on the south side of the roadway. The contractor anticipates shortening the length of the closure as work progresses west.
- Motorists should expect a daytime westbound lane closure between Port Comfort Road and Punta Rassa Road for crews to install sod.
- Motorists can continue to expect intermittent daytime flagging on McGregor Boulevard, both eastbound and westbound from Shell Point Boulevard to Punta Rassa Road for crews to move equipment and materials.
- The shoulder on McGregor Boulevard remains FULLY CLOSED TO ACCESS from the toll plaza to approximately ¾ miles east. Work in this area is expected to be complete in March 2025.

West of the Toll Plaza:

- During the nighttime/overnight hours of 7 PM to 6 AM, motorists should expect one lane of travel with a flagging operation for the contractor to complete final paving of the roadway. This work is anticipated to be complete by early March.
- Work continues close to the eastbound travel lane near the toll plaza. Please drive with caution as crews finalize this area in preparation for final paving.
- Motorists should expect intermittent flagging during daytime hours throughout the causeway for various work activities.
- Lee County is installing a post & rope system to delineate traffic on the causeway islands during the upcoming recreational facility reconstruction. **THE CAUSEWAY ISLANDS PARK REMAINS CLOSED TO PUBLIC ACCESS.**
- Motorists are urged to use caution and obey the 20 MPH speed limit. Construction vehicles and equipment continue to enter/exit the travel lanes throughout the project.
- Crews continue work on the off-island U-turn under Span A.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Bicyclists are encouraged to utilize another mode of transportation to travel the causeway. Pedestrians are not permitted on the Sanibel Causeway.

**MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH.** Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at [Jennifer.Dorning@dot.state.fl.us](mailto:Jennifer.Dorning@dot.state.fl.us) or by phone at (239) 338-7723. Please visit [www.swflroads.com/SanibelCauseway](http://www.swflroads.com/SanibelCauseway) for additional information.

**Big Carlos Pass Bridge Project – Construction Project:** The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

*Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water.*

*Please use the channel when traveling through Big Carlos Pass.*

*To contact the bridge tender, please call: 239-955-3973.*

***Oversize loads be aware that vertical clearance on Estero Boulevard is limited to 16 feet.***

- Crews will be performing auger operations until 10:00 PM.
- Motorists should expect intermittent daytime flagging for crews to install overhangs for the new bridge.
- The contractor is scheduled to continue setting bridge beams for the new bridge.
- The contractor will continue driving additional piles for the bridge and construction of the trestle. The contractor will be building the bridge from this temporary trestle. Pile driving will continue through the duration of the project.
- During the very early morning hours, the contractor is taking delivery of concrete. Crews are pouring early to ensure the concrete is delivered timely and temperatures are favorable for successful pours. This is scheduled to continue through March 31, 2025, when sea turtle nesting season begins.
- Pedestrians should follow signs to use the sidewalk on the north side of the bridge.
- Crews will continue performing earthwork throughout the project area.
- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.

***TRESSPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL.  
THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.***

*Pedestrians and boaters are reminded to please stay out of the work zone.*

**Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway.** Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during

construction and motorists should be prepared to stop. **Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.**

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at [Jennifer.Dorning@atkinsrealis.com](mailto:Jennifer.Dorning@atkinsrealis.com) or by phone at (239) 338-7723.

**Littleton Road Widening Project from Corbett Road to US 41:** The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. The project began in January 2024 with estimated completion in summer 2025. Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- During the week of Monday, February 24, 2025, the Horizon Village driveway will be reduced to one lane for crews to prepare the driveway and mainline roadway for future paving operations. Flaggers will be onsite to assist motorists and access will be maintained.
- Crews are continuing to work on roadway construction on the north side of Littleton Road, including curb work. They will also be pouring concrete east of the roundabout. Motorists should expect to see flagging operations with minimal delays between 9:00 AM and 4:00 PM.
- Motorists are advised that eastbound and westbound traffic have shifted to the south side of the corridor throughout the length of the project to allow crews to work on the north side.
- Motorists are advised that traffic may be heavy on weekdays from 7:00 AM to 8:30 AM and from 1:30 PM to 3:30 PM due to Littleton Elementary School traffic. Expect delays. Please choose an alternative route if possible.
- Two eastbound LeeTran bus stops on Littleton Road near Horizon Boulevard and Serendipity Boulevard are temporarily out of service. The bus stop on the corner of Littleton Road and US-41/North Cleveland Avenue near 7-Eleven is still in service.
- As requested by Windmill Village management, the driveway at Windmill Boulevard will remain closed until construction has progressed away from the area. Motorists entering and exiting Windmill Village are advised to continue using the Delft Avenue driveway during this closure.

*The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.*

**MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE. THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE DOUBLED WHEN WORKERS ARE PRESENT.**

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit [www.LittletonRoadWidening.com](http://www.LittletonRoadWidening.com) or contact Michaela Zawodny by email at [Michaela.Zawodny@atkinsrealis.com](mailto:Michaela.Zawodny@atkinsrealis.com) or by phone at 239-410-8174.

**Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard):** This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

**Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.**

- LeeTran has installed a new temporary northbound bus stop just south of the Lee County Jail driveway. The northbound stops just north of the Lee County Jail driveway and near RaceTrac are temporarily out of service.
- Crews will continue earthwork activities.
- The contractor is scheduled to survey the project during daytime hours.
- Crews will be installing drainage north of the roundabout, and force main and water main south of the roundabout.
- The contractor is identifying existing utility locations throughout the project.

*The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.*

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is Spring 2026.** Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit [www.ortizavewidening.com](http://www.ortizavewidening.com) or contact Jennifer Dorning by email at [Jennifer.Dorning@atkinsrealis.com](mailto:Jennifer.Dorning@atkinsrealis.com) or by phone at (239) 338-7723.

**Gateway - FGUA Bulk Water Interconnect - Fort Myers (ROW2024-00503):** Accurate Drilling Systems, Inc. will be performing installation of 12" watermain along Griffin Drive/Ray Avenue/Nobel Avenue to interconnect the Gateway and FGUA systems by Open, HDD and Jack and Bore methods, **beginning on Monday, June 24, 2024, and continuing through March 1, 2025.** The intersection of Ray Avenue S and Meadow Road will be subject to lane closures. The right lane of Northbound traffic on Ray Avenue S, just

after Meadow Road, will be subject to lane closures, as well as the right lane of Northbound traffic on Nobel Avenue S, just after 28th St SW, will be subject to lane closures. The closures will be in sections as we advance with restoration efforts. **The closure of the lanes will be during nights on weekdays from 7:00 PM to 6:00AM.** For further information, please contact Mario Acevedo at (863) 517-4124 or [ace@accuratedrilling.com](mailto:ace@accuratedrilling.com). Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

**Three Oaks Parkway Extension Project Phase 1 from Fiddlesticks Canal to Indian Paint Lane:** This project consists of extending Three Oaks Parkway north of the Fiddlesticks Canal and constructs 4 lanes with a 5-foot-wide bicycle lane. In Phase 1, there is an 8-foot-wide sidewalk on the west side of the roadway and a 6-foot-wide sidewalk on the east side of the roadway.

- The outside northbound lane of Three Oaks Parkway, from Alico Road to Fiddlesticks Canal, will have intermittent lane closures for light pole installation.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is early 2026.** Project cost is approximately \$26.8 M. The contractor is Wright Construction Group. For further questions, please visit [www.ThreeOaksExtension.com](http://www.ThreeOaksExtension.com) or contact Kris Cella by email at [Kcella@cella.cc](mailto:Kcella@cella.cc) or by phone at (239) 337-1071.

**Striping maintenance:** Lee County DOT Traffic will be performing a moving operation with traffic delays on **February 20, 2025 to February 26, 2024** between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Park Rd	Homestead Rd
Sunshine Blvd	Bell Blvd
Maryland Rd	Sentinela Blvd
Massachusetts Rd	Columbus Blvd
Arthur Ave	Eisenhower Blvd
Shadyside St	Nimitz Blvd
Maple Ave	Jaguar Blvd

**Intersection markings maintenance:** Intermittent Lane closures and delays are possible **February 20, 2025 to February 26, 2024** between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Hancock Bridge Pkwy	
---------------------	--

For additional information, please contact Randy Hart at [DOTMarkings@leegov.com](mailto:DOTMarkings@leegov.com)

PMI will be performing mill and pave operations on Lee County roads starting on **January 27, 2025, and continuing through March 28, 2025**, during the hours of **9:00 AM to 4:00 PM**, with periodic lane closures:

**Bell Boulevard Sidewalk from SR 82 to Sunrise Boulevard:** Lee County is constructing a new 6-foot-wide concrete sidewalk on the east side of Bell Boulevard from SR 82 approximately 4.2 miles north to Sunrise Boulevard. Work includes concrete driveway replacements, minor roadway reconstruction and paving, minor drainage improvements, and signing and pavement markings. The project began in late October 2024 with estimated completion in summer 2025. Project cost is approximately \$3.2 M. The contractor is V&H Construction.

**Drivers, pedestrians, and bicyclists are urged to use extra caution  
when traveling through the work zone.**

- Motorists should expect periodic flagging throughout the project.
- Crews are installing drainage, pouring sidewalk and installing driveways throughout the project. This work will require some tree removal and work across driveways.
- Crews are installing and maintaining erosion control and traffic control devices throughout the project.
- The contractor is identifying existing utility locations throughout the project. Crews may be working close to the roadway. Motorists are asked to drive with caution.

*The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.*

Please use caution as crews are working close to the roadway. Be aware of construction vehicles entering and leaving the roadway. For further questions, please visit [www.leegov.com](http://www.leegov.com) or contact Jennifer Dorning by email at [Jennifer.Dorning@atkinsrealis.com](mailto:Jennifer.Dorning@atkinsrealis.com) or by phone at (239) 338-7723.

**Boatways Road – Fort Myers (ROW2024-00795):** Diversified Underground Utility Services, Inc., will be performing roadway and sidewalk improvements **beginning Monday, December 2, 2024, and continuing through February 15, 2025.** We are closing the roadway to perform a water tap, install a new water main, restore the asphalt in roadway, and new sidewalk, curb and sod remediation. Both lanes on Boatways Road will be subject to lane closures, as will the right turn lane from the southbound portion of Orange River Boulevard. Lane closures for both lanes will occur 24/7 from **6:00 AM on December 2, 2024, to February 28, 2025, at 4:00 PM.** For further information, please contact Benjamin Green at 727-742-4699.

**16601 Old US 41 in Fort Myers (ROW 2024-00108):** Tomahawk Construction will be installing a waterline across Old US 41 (2-lane road), north of Alico Road, **beginning December 20, 2024 through February 28, 2025.** Periodic lane closures for northbound and southbound traffic will occur **between the hours of 7:00 PM and 6:00 AM.** For further information, please contact David Sies at (239) 633-0648 or [david@tomahawkconstruction.com](mailto:david@tomahawkconstruction.com).

**3201 Del Prado Boulevard S – Cape Coral (ROW2024-00692):** Caloosa Site Development Inc. will be performing sidewalk improvements **beginning Monday, December 16, 2024 through March 30, 2025.** Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. The outside (right) lane of the Northbound traffic on Del Prado Boulevard South, just after SE 32<sup>nd</sup> Terrace, will be subject to lane closures and sidewalk closures. Periodic lane closures for northbound lane will occur between the hours of 7:00 PM and 6:00 AM on weekdays. For further information, please contact Noe Peña at (239) 258-0751 or [Noe@caloosaside.com](mailto:Noe@caloosaside.com). ACME Barricades will be providing the traffic control items while Caloosa Site Development Inc. will be providing the setup and maintenance of traffic services.

**Hancock Bridge (ROW2024-00833):** PMI will be conducting roadway improvements on Hancock Bridge Parking starting **February 5, 2025, through March 1, 2025.** We will be closing a right lane turn lane on US 41 turning into the existing strip mall.

**Alico Road starting at Cam Court – Fort Myers (ROW2024-01000):** MAJ Contracting & Clary's Site Work, Inc. will be performing roadway and sidewalk improvements **beginning Monday, February 10, 2025 and continuing through Friday, May 30, 2025.** Water main & Force main relocation, asphalt pavement, concrete sidewalk, concrete curbing and drainage improvements will be performed. The outside (right) lane road shoulder of the eastbound traffic on Alico Road just after Cam Court will be subject to lane closures. This work will occur between the hours of **7:00 PM and 6:00 AM** on weekdays. For further information, please contact Mark Nottingham @ 239-997-4004 or [mark@clarysitework.com](mailto:mark@clarysitework.com). ACME Barricades will provide maintenance of traffic services (239-479-5266).

**Captiva Drive - Sanibel (ROW2024-00817) (ROW2024-00813) (ROW2024-00815):** Utilities One will be performing underground boring on the side of Captiva Drive **beginning Monday, February 24, 2025, through Friday, February 28, 2025.** Periodic lane closures for northbound and southbound lanes will

occur between the hours of **7:00 PM and 6:00 AM**, Monday through Friday. For further information, please contact Trevor Clerico at (239) 370-4955 or [trevorc@utilitiesone.com](mailto:trevorc@utilitiesone.com). Flagger Force will provide maintenance of traffic services (717) 215-9623.

**Ben Hill Griffin Parkway Force Main Improvements - Fort Myers (ROW2023-01519):** Accurate Drilling Systems will be milling and paving along Ben Hill Griffin Parkway on **Thursday, February 20, 2025**. **Lane closures will commence at 7:00 PM and reopen before 6:00 AM**. One lane will remain open during construction activities. Should you require additional information, reach out to Ismael Irigoyen at (239) 276-4260 or via email at [ismael@accuratedrilling.com](mailto:ismael@accuratedrilling.com). For traffic maintenance services, Bob's Barricades can be contacted at (239) 656-1183.

**Buckingham Road in front of Riverdale Highschool (ROW2024-00318):** Bateman Contracting will be starting the road widening for the new traffic signal on the east side of Buckingham Road in front of Riverdale Highschool, from Drawdy Court to Coral Vine Lane, for the new turning lane. Flagging operation will accrue in the southbound and northbound lanes of Buckingham Road, making southbound a 1-lane road with a flagging operation between Drawdy Court and Coral Vine Lane. Buckingham Road will be back to normal operation at 6:00 AM each morning. The duration of this work will take place from **Tuesday, February 25, 2025 through Thursday, February 27, 2025**. The work hours will be from **8:00 PM to 6:00 AM**. MOT service will be provided by Acme Barricades. The Site Contractor is Bateman Contracting. If you have any questions, please contact Jay at (239) 229-5141.

**Sandy Key – Lehigh Acres (ROW2024-01392):** Downrite Engineering Inc. will be performing sod restoration, restore right-of-way utilities offsite, remove ex plus and connect to exterior 8" WM at GV offsite, remove ex 10x12 reducer and connect to ex 10" WM w/10x8" reducer offsite, trench 4" HDPE DR-11 FM offsite, trench 8" PVC c-900 DR-800 DR-18 WM offsite, plug EX 2" GV offsite, install 6" concrete sidewalks offsite. We will be working on the right of way and will need to close one (1) lane from Cook Road to Iona Road and Cook Road to Linton Road on the West Lane will occur between the hours of **7:00 AM and 5:30 PM**. We will provide MOT. **Our start date is Thursday, Feb 27, 2025**. For further information, please contact Luis Dilan, Project Manager at 786-493-0274 or [ldilan@downrite.com](mailto:ldilan@downrite.com)

## 2. Bridge Maintenance

**Estero Parkway Bridge over I-75:** Lee County DOT and its contractor, ZEP Construction, will perform maintenance activities on the Estero Parkway Bridge. This project includes repairs to the bridge's

underside, substructure, MSE walls, and bridge deck. During the project duration, sporadic lane closures will be necessary. Therefore, motorists and pedestrians are urged to use extra caution in this area. Motorists are also encouraged to seek alternate routes. Construction activities are estimated to be **completed by February 28, 2025**. For further information, please contact Avelino Cancel at (239) 533-9400 or email: [acancel@leegov.com](mailto:acancel@leegov.com).

### 3. Street Lighting Maintenance

### 4. Landscaping – Tree Trimming

### 5. Traffic Signal Maintenance

**Lee Boulevard and Joan Avenue North (Lehigh Acres):** Lee County DOT and its contractor, Horsepower Electric, will begin the installation of a new traffic signal and intersection improvements at Lee Boulevard & Joan Avenue N. The improvements include mast arm and signal installation, ADA improvements, asphalt milling and resurfacing, sod, signs and pavement markings, and drainage improvements at Joan Avenue N & 4th Street W.

- **Monday, February 17, 2025 – Thursday, February 20, 2025**, there will be nighttime lane closures from **7:00 PM – 6:00 AM** as crews will be installing the directional bores.

*The work activities above are scheduled to occur, however unforeseen conditions and weather may affect this schedule.*

The project begins **Monday, January 6, 2025**, and estimated completion is **Summer 2025**. Motorists and Pedestrians are urged to use extra caution when traveling through the work zones. For further information, please contact Ryan Kirsch at [LCDOTProjects@leegov.com](mailto:LCDOTProjects@leegov.com).
