ROADWATCH UPDATE

March 20, 2025 to March 26, 2025

1. Road Work/Maintenance/Improvement

Corkscrew Road Widening Project – Phase 2 Construction Project: The project constructs four, 11-foot-wide travel lanes from Bella Terra Boulevard to just east of Alico Road, and a new traffic signal at the Alico Road intersection. Also included are on-road bike lanes in each direction, a 10-foot-wide shared-use path on the south side of the road, a 6-foot sidewalk on the north side of the road, and street lighting. The 22-foot wide (varies) median includes various hardwood and palm trees as well as shrubs.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Motorists should expect periodic driveway closures throughout the project area for crews to work on underground drainage. Flaggers will be onsite at Corkscrew Estates and Corkscrews Shores to assist motorists when those driveways are impacted by the work. Access will be maintained.
- Crews will be installing utility conduits and light pole bases on the south side of Corkscrew Road from Wayside Lane to Alico Road.
- Crews will be transporting dirt as part of the pond construction east of Corkscrew Shores. Motorists should expect heavy truck traffic entering and leaving Corkscrew Road in that area.
- Motorists should expect intermittent daytime flagging for crews to perform earthwork close to the roadway. The contractor is placing embankment for the new road on both the north and south sides of Corkscrew Road. Please be aware that trucks may be entering and leaving the roadway.
- Motorists should expect crews to be working on underground utilities near the intersection of Corkscrew Road and Alico Road. The contractor will be doing initial work for the traffic signal installation.
- Crews are removing the old water main from Wayside Lane to Alico Road.

- Crews are installing raw water main on the south side and force main on both sides of Corkscrew Road.
- During daytime hours, the contractor continues earthwork as a part of the new pond construction east of Corkscrew Shores.
- Crews are installing erosion control and traffic control devices throughout the project.
- Crews may be working close to the roadway. Motorists are asked to drive with caution. Sidewalks may be closed in areas throughout the project as the contractor performs underground work.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Estimated completion is spring 2026. Project cost is approximately \$27 M. The contractor is Bergeron Land Development, Inc. For further questions, please visit the project website at <https://corkscrewroadwidening.com> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Village of Estero Corkscrew Road Shared Use Path Project: This Village of Estero project constructs a 10-foot-wide asphalt pathway on the north side of Corkscrew Road from Ben Hill Griffin Parkway to Palermo Lake Court (eastern entrance of Grandezza), and 6-foot wide concrete sidewalk from east of Palermo Lake Court that connects to the sidewalk that runs to Midnight Blue Court (Wild Blue Vista) built by Lee County's previous widening project. The 10-foot-wide asphalt pathway will also be constructed on the south side of Corkscrew Road from Ben Hill Griffin Parkway to Bella Terra Boulevard. Roadway and pathway lighting similar to those on Estero Parkway will be installed to complement the new facilities, along with a substantial amount of landscaping and irrigation which will add to the beautification of the Corkscrew Road corridor.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

- Crews are currently installing erosion control and performing earthwork along the north side of Corkscrew Road adjacent to Grandezza.
- Crews will be conducting underground drainage work on the north side of Corkscrew Road between Grande Oak Boulevard and Grand Oak Way.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution and watch for workers and construction vehicles entering and leaving the roadway. Estimated completion is Fall 2025. Project cost is approximately \$23 million. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Sanibel Causeway Emergency Restoration: Crews have moved traffic to the permanent lanes on the Sanibel Causeway. The causeway islands surrounding the temporary roadway are an active work zone and are currently closed for public access, including from the water.

The following work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

West of the Toll Plaza:

- During the nighttime/overnight hours from 7:00 PM to 6:00 AM, motorists should expect one lane of travel with a flagging operation for crews to work on bridge approaches and painting the concrete traffic railings approaching all bridge sites.
- Motorists should expect lanes to shift through the toll plaza as work activities require.
- Motorists should expect intermittent flagging during daytime hours throughout the causeway for various work activities. The contractor is working to keep vehicles moving and has shifted work activities based on heavy traffic.
- Lee County continues work to prepare the recreational areas of the Causeway for future reopening to the public. THE CAUSEWAY ISLANDS PARK REMAINS CLOSED TO PUBLIC ACCESS AT THIS TIME.
- Motorists are urged to use caution and obey the 20 MPH speed limit. Construction vehicles and equipment continue to enter/exit the travel lanes throughout the project.
- Crews continue work on the off-island U-turn under Span A.

East of the Toll Plaza:

- Motorists should expect a daytime eastbound and westbound lane closure (eastbound after peak morning travel) between Port Comfort Road and Punta Rassa Road for crews to install sod.
- The shoulder on McGregor Boulevard remains FULLY CLOSED TO ACCESS from the toll plaza to approximately $\frac{3}{4}$ miles east. Work in this area is expected to be complete later this month.
- Motorists can continue to expect intermittent daytime flagging on McGregor Boulevard, both eastbound and westbound from Shell Point Boulevard to Punta Rassa Road for crews to move equipment and materials.

Work by others:

- Sanibel-Captiva Conservation Foundation continues work on the north side of McGregor Boulevard for mangrove restoration. For more information visit: www.sccf.org.

Many oversized vehicles are crossing the causeway to assist with recovery efforts on the island. Please be patient as travel may be slower than usual. Bicyclists are encouraged to utilize another mode of transportation to travel the causeway. Pedestrians are not permitted on the Sanibel Causeway.

MOTORISTS ARE REMINDED TO OBEY THE POSTED SPEED LIMIT OF 20 MPH. Please use caution and watch for workers and construction vehicles entering and leaving the roadway. For further questions, please contact Jennifer Dorning by email at Jennifer.Dorning@dot.state.fl.us or by phone at (239) 338-7723. Please visit www.swflroads.com/SanibelCauseway for additional information.

Big Carlos Pass Bridge Project – Construction Project: The project builds a new bridge over Big Carlos Pass, from Estrellita Drive on Fort Myers Beach to the Lovers Key State Park bayside entrance on Lovers Key. The new bridge will replace the existing moveable bridge over Big Carlos Pass with a fixed span bridge that will provide a vertical navigation clearance of 60 feet. The new bridge will be constructed on the Gulf side of the existing bridge, and will include one travel lane in each direction, bicycle lanes, a six-foot-wide sidewalk along the north side of Estero Boulevard, and a 10-foot-wide shared use path along the south side of Estero Boulevard. A parking area with access to the Lovers Key State Park will be included on the southeast side of the bridge. The project also includes relocation of existing infrastructure for Lee County Utilities and Bonita Springs Utilities.

Boaters are reminded to avoid the construction equipment and the temporary trestle that is in the water.

Please use the channel when traveling through Big Carlos Pass.

To contact the bridge tender, please call: 239-955-3973.

Oversize loads be aware that vertical clearance on Estero Boulevard is limited to 16 feet.

- Motorists should expect intermittent daytime flagging for crews to install overhangs for the new bridge.
- Crews will be performing auger operations until 10:00 PM.
- The contractor is scheduled to continue setting bridge beams for the new bridge.
- The contractor will continue driving additional piles for the bridge and construction of the trestle. The contractor will be building the bridge from this temporary trestle. Pile driving will continue through the duration of the project.
- During the very early morning hours, the contractor is taking delivery of concrete. Crews are pouring early to ensure the concrete is delivered timely and temperatures are favorable for successful pours. This is scheduled to continue through March 31, 2025 when sea turtle nesting season begins.
- Pedestrians should follow signs to use the sidewalk on the north side of the bridge.
- Crews will continue performing earthwork throughout the project area.
- Trolley stops are available at the south entrance to Black Island (Lovers Key Resort) for those traveling to Fort Myers Beach and across the street from Black Island (Lovers Key Resort) for those traveling to Lovers Key and Bonita Springs. Travelers are asked to wait behind the concrete barrier until ready to board the trolley.

TRESSPASSING INTO THE CONSTRUCTION SITE IS DANGEROUS AND ILLEGAL. THIS INCLUDES THE BEACH AREA UNDER THE BRIDGE.

Pedestrians and boaters are reminded to please stay out of the work zone.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone as workers and construction vehicles are entering and leaving the roadway. Motorists should expect reduced speeds throughout the project area. Draw bridge will remain in operation during construction and motorists should be prepared to stop. Fishing from the Big Carlos Pass Bridge is restricted due to construction activities.

Estimated completion is summer 2026. Project cost is approximately \$90.8 M. The contractor is Superior Construction. For further questions, please visit the project website at <https://bigcarlosbridgeproject.com/> or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Littleton Road Widening Project from Corbett Road to US 41: The project widens Littleton Road from the Corbett Road roundabout east to US 41. The new road segment will include an 11-foot-wide travel lane in each direction and a 12-foot-wide center turn lane with landscaped planting islands. The project began in January 2024 with estimated completion in summer 2025. Project cost is approximately \$20 million. The contractor is Wright Construction Group, Inc.

- Intermittently during the weeks of Monday, March 24 and Monday, March 31, the Horizon Village driveway will be reduced to one lane for crews to prepare the driveway and mainline roadway for future paving operations. Flaggers will be onsite to assist motorists and access will be maintained.
- The DaVita Fort Myers North Dialysis driveway on Littleton Road will be closed during the weeks of Monday, March 24, 2025 and Monday, March 31, 2025 for crews to prepare the driveway and mainline roadway for future paving operations. The parking lot will continue to be accessible from the driveway on US-41/N Cleveland Avenue.
- Crews are continuing to work on roadway construction on the north side of Littleton Road, including curb work. They will also be pouring concrete east of the roundabout. Motorists should expect to see flagging operations with minimal delays between 9:00 AM and 4:00 PM.
- Motorists are advised that eastbound and westbound traffic have shifted to the south side of the corridor throughout the length of the project to allow crews to work on the north side.
- Motorists are advised that traffic may be heavy on weekdays from 7:00 AM to 8:30 AM and from 1:30 PM to 3:30 PM due to Littleton Elementary School traffic. Expect delays. Please choose an alternative route if possible.
- Two eastbound LeeTran bus stops on Littleton Road near Horizon Boulevard and Serendipity Boulevard are temporarily out of service. The bus stop on the corner of Littleton Road and US-41/North Cleveland Avenue near 7-Eleven is still in service.

- As requested by Windmill Village management, the driveway at Windmill Boulevard will remain closed until construction has progressed away from the area. Motorists entering and exiting Windmill Village are advised to continue using the Delft Avenue driveway during this closure.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

MOTORISTS ARE ADVISED THAT LITTLETON ROAD IS AN ACTIVE CONSTRUCTION ZONE. THE SPEED LIMIT IS 30 MPH THROUGHOUT THE WORK ZONE. SPEEDING FINES ARE DOUBLED WHEN WORKERS ARE PRESENT.

Drivers should also be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.LittletonRoadWidening.com or contact Michaela Zawodny by email at Michaela.Zawodny@atkinsrealis.com or by phone at 239-410-8174.

Ortiz Avenue Widening from SR 884 (Colonial Boulevard) to SR 82 (Martin Luther King, Jr. Boulevard): This project consists of widening of Ortiz Avenue from 2 lanes to 4 lanes and constructs a six-foot sidewalk on the east side of the road and a 10-foot paved trail on the west side of the road. An on-road bike lane on both sides of the road will also be included. New street lighting will be installed, and a grass median will separate traffic. No improvements will be made at the roundabout intersection with Hanson Street. The contractor will reconstruct the roadway with drainage improvements and stormwater management facilities. Work also includes installation of new water main and installation of new reclaimed water and sewer facilities for Lee County and the City of Fort Myers.

Drivers, pedestrians, and bicyclists are urged to use extra caution when traveling through the work zone.

- LeeTran has installed a new temporary northbound bus stop just south of the Lee County Jail driveway. The northbound stops just north of the Lee County Jail driveway and near RaceTrac are temporarily out of service.
- Crews will continue earthwork activities.
- The contractor is scheduled to survey the project during daytime hours.
- Crews will be installing drainage north of the roundabout, and force main and water main south of the roundabout.
- The contractor is identifying existing utility locations throughout the project.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. Estimated completion is Spring 2026. Project cost is approximately \$31 M. The contractor is OHLA USA. For further questions, please visit www.ortizavewidening.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

Gateway - FGUA Bulk Water Interconnect - Fort Myers (ROW2024-00503): Accurate Drilling Systems, Inc. will be performing installation of 12" watermain along Griffin Drive/Ray Avenue/Nobel Avenue to interconnect the Gateway and FGUA systems by Open, HDD and Jack and Bore methods, **beginning on Monday, June 24, 2024, and continuing through March 31, 2025.** The intersection of Ray Avenue S and Meadow Road will be subject to lane closures . The right lane of Northbound traffic on Ray Avenue S, just after Meadow Road, will be subject to lane closures, as well as the right lane of Northbound traffic on Nobel Avenue S, just after 28th St SW, will be subject to lane closures. The closures will be in sections as we advance with restoration efforts. **The closure of the lanes will be during nights on weekdays from 7:00 PM to 6:00AM.** For further information, please contact Mario Acevedo at (863) 517-4124 or ace@accuratedrilling.com. Bob's Barricades will provide maintenance of traffic services (239) 656-1183.

Three Oaks Parkway Extension Project Phase 1 from Fiddlesticks Canal to Indian Paint Lane: This project consists of extending Three Oaks Parkway north of the Fiddlesticks Canal and constructs 4 lanes with a 5-foot-wide bicycle lane. In Phase 1, there is an 8-foot-wide sidewalk on the west side of the roadway and a 6-foot-wide sidewalk on the east side of the roadway.

- The outside northbound lane of Three Oaks Parkway, from Alico Road to Fiddlesticks Canal, will have intermittent lane closures for light pole installation.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone. **Estimated completion is early 2026.** Project cost is approximately \$26.8 M. The contractor is Wright Construction Group. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

Striping Maintenance: Lee County DOT Traffic will be performing a moving operation with traffic delays on **March 13, 2025, to March 26, 2025,** between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Park Rd	Nobel Ave S
Sunshine Blvd	Owen Ave S

Homestead Rd	Westgate Blvd
Alabama Rd	Leonard Blvd
Meadow Rd	23 rd St SW
40 th St SW	Beth Stacey Blvd
Ray Ave S	

Intersection Markings Maintenance: Intermittent Lane closures and delays are possible **March 13, 2025, to March 26, 2025**, between the hours of **9:00 AM to 4:00 PM** (weather permitting) on the following roadways:

Hancock Bridge Pkwy	Treeline Ave
Ben Hill Griffen Pkwy	

Night work scheduled for Thursday March 13, 2025 and Thursday, March 20, 2025: LCDOT Traffic will be working on Ben Hill Griffin Pkwy at various intersections **between the hours of 8:00 PM to 4:00 AM** (weather permitting). Delays are expected and motorists are advised to use caution while traveling through the area as workers will be present on the roadway.

For additional information, please contact Randy Hart at DOTMarkings@leegov.com

PMI will be performing mill and pave operations on Lee County roads starting on **January 27, 2025 and continuing through March 28, 2025**, during the hours of **9:00 AM to 4:00 PM**, with periodic lane closures:

Bell Boulevard Sidewalk from SR 82 to Sunrise Boulevard: Lee County is constructing a new 6-foot-wide concrete sidewalk on the east side of Bell Boulevard from SR 82 approximately 4.2 miles north to Sunrise Boulevard. Work includes concrete driveway replacements, minor roadway reconstruction and paving, minor drainage improvements, and signing and pavement markings. The project began in late October 2024 with estimated completion in summer 2025. Project cost is approximately \$3.2 M. The contractor is V&H Construction.

**Drivers, pedestrians, and bicyclists are urged to use extra caution
when traveling through the work zone.**

- Motorists should expect periodic flagging throughout the project.
- Crews are pouring sidewalk and installing driveways throughout the project. This will require some work across driveways.
- Crews will continue clearing & grubbing from Grant Boulevard to Sunrise Boulevard, as well as completing final grading and sod installation.
- Crews are installing and maintaining erosion control and traffic control devices throughout the

project.

- The contractor is identifying existing utility locations throughout the project. Crews may be working close to the roadway. Motorists are asked to drive with caution.

The work activities above are scheduled to occur, however unforeseen underground conditions and weather may affect this schedule.

Please use caution as crews are working close to the roadway. Be aware of construction vehicles entering and leaving the roadway. For further questions, please visit www.leegov.com or contact Jennifer Dorning by email at Jennifer.Dorning@atkinsrealis.com or by phone at (239) 338-7723.

16601 Old US 41 in Fort Myers (ROW 2024-00108): Tomahawk Construction will be working adjacent to the roadway on Old US 41 (2-lane road), north of Alico Road, from **February 28, 2025 through March 31, 2025**. Work will consist of grading roadway shoulders and ditches. Work will be conducted from the hours of **9:00 AM to 5:00 PM**. No lane closures are anticipated during this period. For further information, please contact David Sies at (239) 633-0648 or david@tomahawkconstruction.com.

3201 Del Prado Boulevard S – Cape Coral (ROW2024-00692): Caloosa Site Development Inc. will be performing sidewalk improvements **beginning Monday, December 16, 2024 through March 30, 2025**. Asphalt pavement, concrete sidewalk, concrete curbing, and drainage improvements will be performed. The outside (right) lane of the Northbound traffic on Del Prado Boulevard South, just after SE 32nd Terrace, will be subject to lane closures and sidewalk closures. Periodic lane closures for northbound lane will occur between the hours of **7:00 PM and 6:00 AM** on weekdays. For further information, please contact Noe Peña at (239) 258-0751 or Noe@caloosasite.com. ACME Barricades will be providing the traffic control items while Caloosa Site Development Inc. will be providing the setup and maintenance of traffic services.

Hancock Bridge (ROW2024-00833): PMI will be conducting roadway improvements on Hancock Bridge Parking starting **February 5, 2025 through April 14, 2025**. We will be closing a right lane turn lane on US 41 turning into the existing strip mall. For further information, please contact Jonathan Wurtenburg at (239) 334-6760 or JWurtenberg@pmioffl.com.

Alico Road starting at Cam Court – Fort Myers (ROW2024-01000): MAJ Contracting & Clary's Site Work, Inc. will be performing roadway and sidewalk improvements **beginning Monday, February 10, 2025, and continuing through Friday, May 30, 2025**. Water main & Force main relocation, asphalt pavement,

concrete sidewalk, concrete curbing and drainage improvements will be performed. The outside (right) lane road shoulder of the eastbound traffic on Alico Road just after Cam Court will be subject to lane closures. This work will occur between the hours of **7:00 PM and 6:00 AM** on weekdays. For further information, please contact Mark Nottingham @ 239-997-4004 or mark@clarysitework.com. ACME Barricades will provide maintenance of traffic services (239-479-5266).

Captiva Drive - Sanibel (ROW2024-00817) (ROW2024-00813) (ROW2024-00815): Utilities One will be performing underground boring on the side of Captiva Drive **beginning Monday, March 3, 2025, through Friday, March 21, 2025.** Periodic lane closures for northbound and southbound lanes will occur between the hours of **7:00 PM and 6:00 AM**, Monday through Friday. For further information, please contact Trevor Clerico at (239) 370-4955 or trevorc@utilitiesone.com. Flagger Force will provide maintenance of traffic services (717) 215-9623.

Sandy Key – Lehigh Acres (ROW2024-01392): Downrite Engineering Inc. will be performing sod restoration, restore right-of-way utilities offsite, remove ex plus and connect to exterior 8" WM at GV offsite, remove ex 10x12 reducer and connect to ex 10" WM w/10x8" reducer offsite, trench 4" HDPE DR-11 FM offsite, trench 8" PVC c-900 DR-800 DR-18 WM offsite, plug EX 2" GV offsite, install 6" concrete sidewalks offsite. We will be working on the right of way and will need to close one (1) lane from Cook Road to Iona Road and Cook Road to Linton Road on the West Lane, which will occur between the hours of **7:00 AM and 5:30 PM**. We will provide MOT. **Our start date is Thursday, February 27, 2025. Completion is expected by March 28, 2025.** For further information, please contact Luis Dilan, Project Manager at 786-493-0274 or ldilan@downrite.com.

Cape Coral Parkway E/ College Parkway from Cape Coral Street to McGregor Boulevard – Cape Coral & Fort Myers (ROW2024-01965): Tierra, Inc. will be performing 48 soil test borings along the Cape Coral Parkway E/ College Parkway alignment from Cape Coral Street to McGregor Boulevard in Cape Coral & Fort Myers. The testing will **begin on Monday night, March 10, 2025 at 9:00 PM and end the following morning at 5:00 AM. The nightly lane closures will continue through Thursday, March 27, 2025 (work will only be performed Monday through Thursday nights; no work will be done on Fridays, Saturdays, or Sundays).** Lane closures will be required to perform the work in the northbound and southbound directions. For further information, please contact Tom Musgrave at (813) 989-1354 or tmusgrave@tierraeng.com. ACME Barricades, Inc. will be performing maintenance of traffic operations (239) 479-5266.

Plantation Road Intersecting with Idlewild Street (ROW2024-0119): Nobis Technology will be drilling beginning **Monday, March 17, 2025 and continue through March 21, 2025**. The southbound lane on the west side of Plantation Road intersecting with Idlewild Street is subject to lane closure between the hours of **8:00 PM and 6:00 AM**. For further information, please contact Julio Muro at (786) 644-3215 or jmuro@nobistec.com. Company providing Traffic Control is Southern Traffic Supply contact Robert Mumma (470) 561-2594.

Cypress Lake Drive (ROW2024-01222): Westbound right lane closure for Greengate Boulevard. Pike Electric on behalf of FPL will perform maintenance on the overhead utilities beginning **Monday, March 17, 2025 through Friday, March 28, 2025**. The right lane from Westbound Summerlin Road will be closed and/or shortened at Michelle Way and the adjacent westbound sidewalk will be subject to a closure. The work will utilize FDOT indexes 102-613, 102-615 & Index FDOT 102-660. This periodic lane closure on the Westbound right lane at Greengate Boulevard will occur between the hours of **7:00 PM and 5:00AM** beginning Monday, March 17, 2025, through Friday, March 21, 2025. For further information, please contact Rafael Ureña at (772) 882-5084 or Rurena@southeasterntraffic.com. SouthEastern Traffic Supply LLC will provide maintenance of traffic services (772) 882-5084.

State Avenue and W 14th Street (ROW2024-01102): At the intersection of State Avenue and W 14th Street, Lehigh Acres, Irby Construction Company will be installing (2) new wooden poles at the southwest corner of State Avenue and W. 14th Street and approximately 150' northwest of the intersection of State Avenue and W. 14th Street for new service purposes. State Avenue could be subject to an intermittent lane closure in the southbound lane. W. 14th Street could be subject to an intermittent lane closure in the eastbound lane. **This work is to begin on March 18, 2025, at 9:00 AM and will be completed by Friday, March 21, 2025 by 3:30 PM.** For further information, please contact Jess Calder at (863) 781-2282 or jcalder@irbyconstruction.com. Irby Construction Company will also provide maintenance of traffic services.

Colonial Boulevard at the intersection of Colonial Boulevard and Deleon Street (ROW2024-00092): Nobis Technology will be conducting core drilling operations to find utilities from **Wednesday, March 26, 2025, through Wednesday, April 2, 2025**. This work will require alternating lane closures on the rightmost westbound lane of Colonial Boulevard at the intersection of Colonial Boulevard and Deleon Street. Additionally, the left turn lane on the westbound side of the same intersection may be subject to closure. Lane closures will occur between the hours of **8:00 PM and 6:00 AM**. For further information, please contact Julio Muro at (786) 644-3215 or jmuro@nobistec.com. Southern Traffic Supply will be providing traffic control and can be reached at (470) 561-2594 (Robert Mumma).

Six Mile Cypress at Daniels Parkway: Lee County DOT, along with their contractor Ajax Paving will be milling, resurfacing, widening, installing new drainage and signalization on Six Mile Cypress at Daniels Parkway. The project is tentatively scheduled to start on **March 31, 2025 (weather permitting) and should be completed by the end of July, 2025.** There will be intermittent nightly lane closures with traffic pattern changes. Please pay attention to all signage and flaggers. Please note nighttime work hours will be from **7:00 PM to 6:00 AM, Sunday through Friday.** For further information, please contact Steve Fort, Sr. at sfort@leegov.com or (239) 533-9300.

2. Bridge Maintenance

Estero Parkway Bridge over I-75: Lee County DOT and its contractor, ZEP Construction, will perform maintenance activities on the Estero Parkway Bridge. This project includes repairs to the bridge's underside, substructure, MSE walls, and bridge deck. During the project duration, sporadic lane closures will be necessary. Therefore, motorists and pedestrians are urged to use extra caution in this area. Motorists are also encouraged to seek alternate routes. Construction activities are estimated to be **completed by April 30, 2025.** For further information, please contact Avelino Cancel at (239) 533-9400 or email: acancel@leegov.com.

3. Street Lighting Maintenance

4. Landscaping – Tree Trimming

5. Traffic Signal Maintenance

Lee Boulevard and Joan Avenue North (Lehigh Acres): Lee County DOT and its contractor, Horsepower Electric, will begin the installation of a new traffic signal and intersection improvements at Lee Boulevard & Joan Avenue N. The improvements include mast arm and signal installation, ADA improvements, asphalt milling and resurfacing, sod, signs and pavement markings, and drainage improvements at Joan Avenue N & 4th Street W. The project began **Monday, January 6, 2025,** and estimated completion is **Summer 2025.** Motorists and Pedestrians are urged to use extra caution when traveling through the work zones. For further information, please contact Ryan Kirsch at LCDOTProjects@leegov.com.

SR 82 and Daniels Parkway, Lee County: Lee County DOT Traffic will be rebuilding the traffic signal on **Thursday, March 20, 2025, from 9:00 PM to 4:00 AM.** The traffic signal will be dark with temporary short lane closures. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact John Dalton at (239) 898-7853 or Ryan Kirch (239) 896-8074.

McGregor Boulevard and A&W Bulb Road: Lee County DOT Traffic will be rebuilding the traffic signal on **Thursday April 3, 2025, from 9:00 AM to 4:00 PM.** The traffic signal will be dark and out of normal operation with police presence and temporary short lane closures. Motorists and pedestrians are urged to use extra caution in this area. For further information, please contact John Dalton at (239) 898-7853
