**LEE COUNTY PUBLIC WORKS  
DEPARTMENT OF TRANSPORTATION  
LEE COUNTY, FLORIDA  
TRAFFIC REGULATION ORDER**

**Date Advertised**

02/20/2025

**Date Issued**

02/20/2025

**Location:** East St., Interstate Ct., Mercantile St.

**I hereby direct that** a “No Parking” restriction be established within the right of way at the above-named locations, in accordance with the attached detail (WO 25-12). This regulation shall be effective upon posting of the signs.

**Initiated by:** Frank Laco- Project Manager (DOT Engineering Services-Paving Dept.)

**Recommended by:** Lee County Department of Transportation

**Studies on file:** Due to frequent parking within the right-of-way on the three county-maintained roadways within the industrial park significant damage to the edge of the roadways has occurred. As the three roads will be re-surfaced within the next several weeks, the “No Parking” restriction is intended to preserve the county’s road from future road edge damage.  
Each of the properties are required to have adequate parking on-site for their operations.
