7. BACKGROUND:

Extends the temporary (interim) regulations enacted in November of 2001 covering the construction of communication towers in unincorporated Lee County. The interim ordinance was adopted for a period of 8 months and is due to expire on July 30, 2002. Planned public hearings in July before the Board of County Commissioners have been cancelled by the Board. An extension of the existing (interim) ordinance will prevent a lapse in regulations and will facilitate the opportunity for a full Board review of the requested Communication Tower Master Plan and ordinance.

The Management and Planning Committee (M&P) conducted its review of the proposed extension on June 3, 2002, recommending the extension move forward to public hearing. The proposed extension of the interim ordinance was reviewed and approved by the Executive Regulatory Oversight Committee (EROC) on June 5, 2002. The Local Planning Agency (LPA) and the Land Development Code (LDC) Advisory Committee will both review the proposed extension June 10, 2002 and make their recommendations. Copies of the committee minutes and findings are available upon request.

To the extent that any existing regulation set forth in the LDC is in conflict with this ordinance, the more restrictive regulation will supersede and control.

Section Five: Conflicts of Law.

Whenever the requirements or provisions of this Ordinance are in conflict with the requirements or provisions of any other lawfully adopted ordinance or statute, the most restrictive requirements will apply.
