## Lee County Board Of County Commissioners Agenda Item Summary

Blue Sheet No. 20020713

## 1. REQUESTED MOTION:

ACTION REQUESTED: Concur with the selection of Consultants by the Competitive Negotiations Committee for CN-02-18 MATERIAL TESTING SERVICES, and authorize staff to negotiate hourly rates and independent testing cost with the following six (6) selected firms: Allied Engineering & Testing Inc., AMRC – American Management Resources Corp.; Ardaman & Associates Inc.; ACS Geosciences Inc.; GFA International; and Universal Engineering Sciences, for a contract period of two (2) years with the option of renewal for one (1) additional year. Also, authorize Chairman on behalf of the Board to execute the agreements upon final negotiations.

WHY ACTION IS NECESSARY: Pursuant to Lee County Contract Manual approved by the Board on September 25, 2002, the Board is required to approve all Consultant selections.

<u>WHAT ACTION ACCOMPLISHES</u>: Provides the County with several consultants on contract that can provide professional services involving field and laboratory tests, evaluations and reports relating to soils and materials at various construction sites in Lee County for projects undertaken by various County departments/divisions.

Per Section 6 of the Contracts Manual for annual type master contracts the Board can concur with the selection of consultants and authorize staff to negotiate hourly rates and independent testing cost within the same blue sheet request. This will eliminate the need for an additional blue sheet requesting Board approval of agreements.

Because of the large amount and variety of materials testing services expected to be needed and because many construction projects may required materials testing services during the same period of time, the Committee agreed that the County's interests will be served best by developing Professional Services Agreements with several material testing firms. Accordingly, the Committee recommends that the Board of County Commissioners authorize the Committee to negotiate two year contracts with the six (6) firms to provide materials testing services on a project-by-project basis with work assignments confirmed, authorized and accounted for by the issuance of Purchase Orders.

Funds will be available within specific project budgets.
