7. BACKGROUND:

The letter of intent has been received.
 The review fee has been paid.
 The plans have been reviewed for conformance to the Lee County Utilities Operations Manual.
 The project is to construct 535'± of 3" diameter sewage force main with all related fittings.
 The proposed lift station will be privately owned and maintained due to the fact it will not provide any regional benefit.
 Project location map—copy attached.
 50% of the connection fees have been paid.
 Potable water service will be provided by LCU by connecting to existing infrastructure located within the right-of-way of SR 80.
 No funds required.
