**7. BACKGROUND:**

The Division of County Lands has been requested by the Department of Transportation and the City of Fort Myers to acquire property that is necessary for the Palmetto Extension, Project No. 4073.

This acquisition consists of vacant property, further identified as part of 3605 Fairview Avenue, Ft. Myers, FL (STRAP Number 20-44-25-07-00001.0120)

F.S. §73.015, as amended, requires the County to submit a binding offer to the property owner prior to the initiation of condemnation proceedings. The County obtained an appraisal dated November 4, 2002, performed by J. Lee Norris, MAI, SRA., indicating a value of \$2,000.00. The binding offer to the property owner, Alice Kimbro, is for \$2,500.00. Should the property owner agree to accept this offer, condemnation proceedings will not be required. If the property owner elects not to accept this offer, then condemnation proceedings may be commenced.

Staff is of the opinion that the purchase price increase of \$500.00 above the appraised value can be justified considering the costs associated with condemnation proceedings, estimated between \$1,500 - \$3,000 excluding land value increases and attorney fees.

Staff recommends the Board approve the Requested Motion.

BOARD OF COUNTY COMMISSIONERS  
LEE COUNTY  
AGREEMENT FOR PURCHASE AND SALE OF REAL ESTATE  
IN LIEU OF CONDEMNATION PROCEEDINGS

THIS AGREEMENT for purchase and sale of real property is made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ by and between **Alice Kimbro, a single person**, hereinafter referred to as SELLER, whose address is **P.O.Box 9341, Ft. Myers, FL 33901** and **Lee County, a political subdivision of the State of Florida**, hereinafter referred to as BUYER.

WITNESSETH:

- 1. AGREEMENT TO PURCHASE AND TO SELL:** SELLER agrees to sell and BUYER agrees to purchase, subject to the terms and conditions set forth below, a parcel of land consisting of **0.17** acres more or less, and located at **3605 Fairview Avenue, Fort Myers, FL** and more particularly described in "Exhibit A" attached hereto and made a part hereof, hereinafter called "the Property." This property is being acquired for the Palmetto Extension, hereinafter called "the Project", with the SELLER'S understanding that the property, if not voluntarily sold, would have been condemned by BUYER through the exercise of its eminent domain powers.
- 2. PURCHASE PRICE AND TIME OF PAYMENT:** The total purchase price ("Purchase Price") will be **Two thousand five hundred and no/100 dollars (\$2,500.00)**, payable at closing by County warrant. The Purchase Price is mutually agreeable to both the SELLER and BUYER and represents the voluntary sale and purchase of the property in lieu of BUYER's condemnation.

3. **EVIDENCE OF TITLE:** BUYER will obtain at BUYER'S expense an American Land Title Association Form B Title Commitment and provide title insurance Owner's Policy in the amount of **\$2,500.00**, from a title company acceptable to BUYER. The commitment will be accompanied by one copy of all documents that constitute exceptions to the title commitment. The commitment will also show title to be good and marketable with legal access, subject only to real estate taxes for the current year, zoning and use restrictions imposed by governmental authority, and restrictions and easements common to the area.
  
4. **CONDITION OF PROPERTY; RISK OF LOSS:** BUYER has inspected the Property and, except as is otherwise provided herein, accepts the Property in the condition inspected. Any loss and/or damage to the Property occurring between the date of this offer and the date of closing or date of possession by BUYER, whichever occurs first, will be at SELLER'S sole risk and expense. However, BUYER may accept the damaged property and deduct from the purchase price any expenses required to repair the damage, or BUYER may cancel this Agreement without obligation.
  
5. **SELLER'S INSTRUMENTS AND EXPENSES:** SELLER will pay for and provide:
  - (a) A statutory warranty deed, and an affidavit regarding liens, possession, and withholding under FIRPTA in a form sufficient to allow "gap" coverage by title insurance;
  - (b) utility services up to, but not including the date of closing;
  - (c) taxes or assessments for which a bill has been rendered on or before the date of closing;
  - (d) payment of partial release of mortgage fees, if any;
  - (e) SELLER'S attorney fees, if any.
  
6. **BUYER'S INSTRUMENTS AND EXPENSES:** BUYER will pay for:
  - (a) Recording fee for deed;
  - (b) survey, (if desired by BUYER).
  
7. **TAXES:** SELLER will be charged for Real Estate taxes and personal property taxes (if applicable) up to, but not including the date of closing. This voluntary sale and purchase is considered by Florida law to be exempt from the payment of Documentary Stamp Taxes because this transaction was made under the threat of an eminent domain proceeding by the BUYER.

8. **DEFECTS IN TITLE AND LEGAL ACCESS:** Prior to closing, BUYER will have a reasonable time to examine the title and documents establishing legal access to the property. If title or legal access is found to be defective, BUYER will notify SELLER in writing of the defects and SELLER will make a prompt and diligent effort to correct such defects. If SELLER fails to make corrections within 60 days after notice, BUYER may elect to accept the Property in its existing condition with an appropriate reduction to the purchase price, or may terminate this Agreement without obligation.

9. **SURVEY:** BUYER may order the Property surveyed at BUYER's expense. SELLER agrees to provide access to the Property for such survey to be performed. If the survey shows a discrepancy in the size or dimensions of the Property, or shows encroachments onto the Property or that improvements located on the Property encroach onto adjacent lands, or if the survey identifies violations of recorded covenants and/or covenants of this Agreement, upon notice to the SELLER, the BUYER may elect to treat such discrepancies, violations and/or encroachments as a title defect.

10. **ENVIRONMENTAL AUDIT:** BUYER may perform or have performed, at BUYER's expense, an environmental audit of the Property. If the audit identifies environmental problems unacceptable to the BUYER, BUYER may elect to accept the Property in its existing condition with an appropriate abatement to the purchase price or BUYER may terminate this Agreement without obligation.

11. **ABSENCE OF ENVIRONMENTAL LIABILITIES:** The SELLER warrants and represents that the Property is free from hazardous materials and does not constitute an environmental hazard under any federal, state or local law or regulation. No hazardous, toxic or polluting substances have been released or disposed of on the Property in violation of any applicable law or regulation. The SELLER further warrants that there is no evidence that hazardous, toxic or polluting substances are contained on or emitting from the property in violation of applicable law or regulation. There are no surface impoundments, waste piles, land fills, injection wells, underground storage areas, or other man-made facilities that have or may have accommodated hazardous materials. There is no proceeding or inquiry by any governmental agency with respect to production, disposal or storage on the property of any hazardous materials, or of any activity that could have produced hazardous materials or toxic effects on humans, flora or fauna. There are no buried, partially buried, or above-ground tanks, storage vessels, drums or

containers located on the Property. There is no evidence of release of hazardous materials onto or into the Property.

The SELLER also warrants that there have been no requests from any governmental authority or other party for information, notices of claim, demand letters or other notification that there is any potential for responsibility with respect to any investigation or clean-up of hazardous substance releases on the property. All warranties described herein will survive the closing of this transaction.

In the event the SELLER breaches the warranties as to environmental liability, SELLER agrees to indemnify and hold the BUYER harmless from all fines, penalties, assessments, costs and reasonable attorneys' fees resulting from contamination and remediation of the property.

**12. TIME AND BINDING AGREEMENT:** Time is of the essence for closing this transaction. The BUYER's written acceptance of this offer will constitute an Agreement for the purchase and sale of the Property and will bind the parties, their successors and assigns. In the event the BUYER abandons this project after execution of this Agreement, but before closing, BUYER may terminate this Agreement without obligation.

**13. DATE AND LOCATION OF CLOSING:** The closing of this transaction will be held at the office of the insuring title company on or before 60 days from the date this Agreement is made. The time and location of closing may be changed by mutual agreement of the parties.

**14. ATTORNEYS' FEES:** The prevailing party in any litigation concerning this Agreement will be entitled to recover reasonable attorneys' fees and costs.

**15. REAL ESTATE BROKERS:** SELLER hereby agrees to indemnify and hold the BUYER harmless from and against any claims by a real estate broker claiming by or through SELLER.

**16. POSSESSION:** SELLER warrants that there are no parties in possession other than SELLER unless otherwise stated herein. SELLER agrees to deliver possession of Property to BUYER at time of closing unless otherwise stated herein.

17. **TYPEWRITTEN/HANDWRITTEN PROVISIONS:** Typewritten and handwritten provisions inserted herein or attached hereto as addenda, and initialed by all parties, will control all printed provisions in conflict therewith.

18. **SPECIAL CONDITIONS:** Any and all special conditions will be attached to this Agreement and signed by all parties to this Agreement.

Re: Vacant Land - Partial Take  
Parcel 159 - Palmetto Extension  
Fort Myers, Florida

Dear Mr. Clemens:

In accordance with your request, we have inspected the above referenced property for the purpose of estimating the market value of the parent tract, the remainder parcel thereby yielding a value for the part taken. This parcel is within the alignment of the Palmetto Extension Right of Way.

The parent tract contains road frontage on the west side of Hale Street just south of Martin Luther King Jr. Blvd.. The parent parcel contains 13,600 square feet. The remainder parcel is estimated to contain 6,316 square feet. Based upon documentation provided to the appraiser the part taken contains 7,284 square feet.

This analysis has utilized the most current market value definition which is contained within the attached appraisal report. The site is being valued under market conditions existing as of the last date of physical inspection of the property. As per your request this is a **Complete-Summary Appraisal Report** which presents summary data and analysis that was used in the appraisal process to develop the appraiser's opinion of value. As this is a complete appraisal, the departure provision of the Uniform Standards of Professional Appraisal Practice was not invoked.

Based on market conditions existing as of the date of appraisal and in consideration of the property as it existed on this date, it is our opinion the subject property (a partial take parcel) warranted a market value in fee simple ownership on November 4, 2002 of:

**TWO THOUSAND DOLLARS ..... (\$2,000.00).**

This value represents all property rights to be acquired including all legally compensable diminution in value to the remaining land

The parent parcel has a market value of \$10,000 without the influence of any improvements. The remainder parcel has a market value of \$5,000. The remainder parcel will remain a buildable lot after the take. There currently is a burned out residence on the site, an adjustment for the costs of demolition (if left up to the condemning authority) of these improvements is necessary. The estimated demolition costs are \$3,000. Therefore, the market value of the subject property, a partial take parcel is \$2,000, (\$10,000-\$5,000-\$3,000= \$2,000).
