**7. BACKGROUND:**

The Lee County Toll Rates are among the most complex in the United States. Simplifying them could lead to greater ease of using the toll facility for customers, and result in more efficient operation of the LeeWay System. The county has the option of adopting a simplified toll schedule. This will result in a more understandable toll program in the County. Further, the simplified program will allow savings in costs associated with the LeeWay renewal process. These costs are conservatively estimated at \$125,000 per year.

Each day or fraction thereof that such violation is committed or permitted to continue shall constitute a separate offense and shall

be punishable according to law.

**SECTION FOUR:            CIVIL REMEDIES**

A.     A person may not use any toll facility without payment of tolls, except as provided in Section 338.155, Florida Statutes, for any County Resolution. Failure to pay a prescribed toll is a noncriminal traffic infraction, punishable as a moving violation under Chapter 318, Florida Statutes.

B.     1)     The Board of County Commissioners authorizes a toll enforcement officer to issue a uniform traffic citation for a violation of this Ordinance. Toll enforcement officer means the designee of Lee County whose sole authority is to enforce the payment of tolls. - 4) A written report of a toll enforcement officer or photographic evidence that indicates that a required toll was not paid is admissible in any proceeding to enforce this section, and raises a rebuttable presumption that the motor vehicle named in the report or shown in

the photographic evidence was used in violation of this section.

- C. The submission of a false affidavit is a misdemeanor of the second degree.
- D. Lee County may supply the Department of Motor Vehicles with data that is machine readable by the department's computer system, listing persons who have ~~three~~ one or more outstanding violations of this section. If any of the provisions of this Ordinance shall be held unconstitutional by any Court of competent jurisdiction, the decision of such Court shall not affect or impair any remaining provisions of this Ordinance. It is hereby declared to be the legislative intent that this Ordinance would

have been adopted had such unconstitutional provisions not been included therein
