(d) The County shall not take or permit any action or fail to take any action which would cause the Notes to be "arbitrage bonds" within the meaning of Section 148(a) of the Code.

**SECTION 2.04. NOTES NOT TO BE INDEBTEDNESS OF THE COUNTY OR STATE.** The Notes, when delivered by the County pursuant to the terms of this Agreement, shall not be obligations of the County, the State or any political subdivision or agency thereof, within the meaning of any constitutional, statutory or charter limitations of indebtedness, but shall be payable solely as herein provided. No Noteholder shall ever have the right to compel the exercise of the ad valorem taxing power of the County, or taxation in any form on any property therein to pay the Notes or the interest thereon. The Notes are special and limited obligations payable as to principal and interest from the Designated Revenues.

**SECTION 2.05. SECURITY FOR NOTES.** The Notes shall be secured by the Designated Revenues. The Pledged Revenues with respect to each Note shall be described in the resolution authorizing such Note and shall be pledged to and shall secure each such Note and the Noteholder shall have a lien on such Pledged Revenues upon the issuance of said Note. The County does hereby pledge the Designated Revenues to the payment of the principal of and interest on the Notes in accordance with the provisions hereof. The pledge of and lien on such

Designated Revenues shall attach with respect to each Note at the time it is issued. The County agrees to collect the Pledged Revenues in the maximum amount permitted by law.

**SECTION 2.06. COVENANT TO BUDGET AND APPROPRIATE.** With respect to each Loan proposed to be made hereunder, the Bank shall have the right to review the assessment program relating to the Project proposed to be financed, refinanced or reimbursed with proceeds of such Loan and, if deemed necessary in the sole discretion of the Bank, require that the foregoing covenant apply with respect to such Loan. In such event the foregoing covenant shall be set forth in the resolution authorizing the issuance of the Note evidencing the Loan.

(a) Until the particular Note is paid or deemed paid pursuant to the provisions of this Agreement, the County shall covenant to appropriate in its annual budget, by amendment if necessary, from Non-Ad Valorem Revenues lawfully available in each fiscal year of the County in which principal or interest on the particular Note becomes due and payable, amounts sufficient, together with other available moneys, to pay the principal of and interest on the Note, as the same become due (whether by prepayment, at maturity or otherwise). Such covenant and agreement on the part of the County to budget and appropriate such amounts of Non-Ad Valorem Revenues shall be cumulative to the extent not paid, and shall continue until such Non-Ad Valorem Revenues or other legally available funds in amounts sufficient to make all such required payments hereunder and under the Note shall have been budgeted, appropriated and actually paid. Once such Non-Ad Valorem Revenues are so budgeted, the same shall constitute "County Moneys" hereunder. Notwithstanding the foregoing covenant of the County, the County does not covenant to maintain any services or programs, now provided or maintained by the County, which generate Non-Ad Valorem Revenues.

(b) Such covenant to budget and appropriate does not create any lien upon or pledge of such Non-Ad Valorem Revenues, nor does it preclude the County from pledging in the future its Non-Ad Valorem Revenues, nor does it require the County to levy and collect any particular Non-Ad Valorem Revenues, nor does it give the Noteholders a prior claim on the Non-Ad Valorem Revenues as opposed to claims of general creditors of the County. Such covenant to appropriate Non-Ad Valorem Revenues is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues hereinafter entered into (including the payment of debt service on bonds and other debt instruments). The covenant to budget and appropriate in its general annual budget for the purposes and in the manner stated herein shall have the effect of making available for the payment of the principal of and interest on the Notes in the manner described herein Non-Ad Valorem Revenues and placing on the County a positive duty to appropriate and budget, by amendment, if necessary, amounts sufficient to meet its obligations hereunder; subject, however, in all respects to the restrictions of Section 129.07, Florida Statutes, which provides, in part, that it is unlawful for the Board to expend or contract for the expenditure in any fiscal year more than the amount budgeted in each fund's budget and in no case shall the total appropriations of any budget be exceeded, except as provided pursuant to Section 129.06, Florida Statutes; and subject, further, to the payment of

services and programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the County or which are legally mandated by applicable law.

**SECTION 2.07. RE-ASSESSMENTS.** If any Pledged Revenues shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the County shall be satisfied that any such Pledged Revenues are so irregular or defective that the same cannot be enforced or collected, or if the County shall have omitted to make such Pledged Revenues when it might have done so, the County shall either (a) take all necessary steps to cause a new source of Pledged Revenues to be made for the whole or any part of said improvement or against any real property benefitted by said improvement, or (b) in its sole discretion, make up the amount of such Pledged Revenues from legally available moneys.

**SECTION 2.08. PAYMENT COVENANT.** The County covenants that it shall duly and punctually pay from Designated Revenues the principal of and interest on the Notes at the dates, place and in the manner provided herein and in the Notes according to the true intent and meaning thereof and all other amounts due under this Agreement.

**SECTION 2.09. CONSTRUCTION OF PROJECTS.** The County shall maintain compliance with all material federal, state and local regulations applicable to the construction of the Projects.

### ARTICLE III

#### DESCRIPTION OF NOTES; PAYMENT TERMS; OPTIONAL PREPAYMENT

**SECTION 3.01. DESCRIPTION OF THE NOTES.** (a) In connection with any Loan incurred by the County pursuant to this Agreement, the County shall, pursuant to authority granted under the Resolution and this Agreement, issue and deliver a Note to the Bank in minimum principal amounts of \$ 50,000 to evidence such Loan, which Note, together with any other Notes issued pursuant to this Agreement, shall not exceed FIVE MILLION AND 00/100 DOLLARS (\$5,000,000) in aggregate principal amount. Each Note shall be designated as "Lee County, Florida Revenue Note, Series \_\_\_\_\_" with a further designation identifying the MSBU Project relating to the Loan. The County shall establish a separate series for each Project it finances, refinances or reimburses pursuant to the terms hereunder. The County shall identify each Note in such manner as it deems appropriate. The text of the Notes shall be substantially in the form attached hereto as Exhibit A, with such omissions, insertions and variations as may be necessary and desirable to reflect the terms of each Note. The provisions of the form of the Note are hereby incorporated in this Agreement. No Note shall be issued hereunder until the conditions set forth in Article IV hereof shall have been satisfied.

(b) Each Note shall be dated the date of its delivery (the "Date of Issuance") and bear interest from such date at the applicable Interest Rate as set forth below, as the same may be adjusted pursuant to Section 3.02 hereof. The Notes shall be executed in the name of the County by the manual signature of the Chairman of the Board and the official seal of the County shall be affixed thereto and attested by the manual signature of the Clerk. In case any one or more of the officers, who shall have signed or sealed any of the Notes, shall cease to be such officer of the County before the Notes so signed and sealed shall have been actually delivered, such Notes may nevertheless be delivered as herein provided and may be issued as if the person who signed or sealed such Notes had not ceased to hold such office. Any Note may be signed and sealed on behalf of the County by such person who at the actual time of the execution of such Note shall hold the proper office, although at the date the Notes shall actually be delivered, such person may not have held such office.

(c) Subject to the adjustments set forth in Sections 3.01(d) and 3.02 hereof, the Notes shall bear interest at either the Qualified Rate or the Non-Qualified Rate in accordance with the notice given by the County to the Bank pursuant to Section 4.01 hereof. The initial rate of interest on each Note shall be determined as of the fifth (5<sup>th</sup>) business day prior to the date of issuance of such Note. Interest on each Note, shall be payable semi-annually on May 1 and November 1 of each year commencing on the May 1 or November 1 that immediately succeeds the Date of Issuance of the Note by at least 30 days. Principal of a Note shall be payable on May 1 or November 1, as determined by the County and approved by the Bank, of each year in such amounts as shall be agreed to by the County and the Bank and set forth in the resolution

authorizing the issuance of the Note. Interest on a Note shall be calculated on the basis of 360-day year, consisting of twelve 30-day months.

(d) In the event of a Determination of Taxability, the interest rate on any Note subject to such Determination of Taxability shall be changed to the Taxable Rate effective retroactively to the date on which such Determination of Taxability was made. Immediately upon a Determination of Taxability, the County agrees to pay to any Noteholder subject to such Determination of Taxability the Additional Amount (as defined herein). "Additional Amount" means (i) the difference between (A) interest on such Note for the period commencing on the date on which the interest on such Note (or portion thereof) loses its tax-exempt status and ending on the earlier of the date such Note ceased to be outstanding or the date the Note regains its tax-exempt status (the "Taxable Period") at a rate per annum equal to the Taxable Rate as adjusted from time to time on the same dates and in the same manner as the interest rate on such Note was or would be adjusted pursuant to the provisions of such Note, and (B) the aggregate amount of interest payable on such Note for the Taxable Period under the provisions of such Note, plus (ii) any penalties and interest paid or payable by such Noteholder to the Internal Revenue Service by reason of such Determination of Taxability.

(e) All payments of principal of and interest on the Notes shall be payable in any coin or currency of the United States, which at the time of payment, is legal tender for the payment of public and private debts and shall be made to the bank (i) in immediately available funds, or (ii) in such other manner as the County and the Bank shall agree upon in writing.

(f) There will be no Bank fees to maintain the line of credit and no draw fees thereunder. The Bank shall pay for all of its costs relating to servicing the line of credit.

**SECTION 3.02. ADJUSTMENTS TO INTEREST RATES AS A RESULT OF TAX LAW CHANGES.** The Interest Rate shall be subject to adjustment as described in this Section from the date of its issuance. The Bank shall promptly notify the County in writing of any adjustments to the Interest Rate pursuant to this Section. ANY ADJUSTMENTS UNDER THIS SECTION 3.02 MAY BE MADE ONLY AFTER THE NOTEHOLDER HAS PROVIDED THE COUNTY 30 DAYS WRITTEN NOTICE OF SUCH ADJUSTMENTS. If the tax laws or regulations are amended to decrease the Maximum Corporate Tax Rate, to cause the interest on any Notes to become taxable or be subject to a minimum tax or an alternative minimum tax to the extent not otherwise taxable or subject on the Date of Issuance thereof, or to otherwise decrease the yield on any Notes to the Noteholder (directly or indirectly, other than because of a Determination of Taxability) then the Interest Rate on any Notes so affected shall be adjusted to cause the yield on such Notes, to equal what the yield on the Notes would have been in the absence of such change or amendment in the tax laws or regulations. If the tax laws or regulations are amended to increase the effective after-tax yield on the Notes to the Noteholder (including by way of an increase in the Maximum Corporate Tax Rate) then the Interest Rate on the Note will be increased or decreased to cause the effective after-tax yield on the Note to equal what the yield would have been in the absence of such change or amendment in the tax laws or regulations. As set forth in Section 3.01 hereof, upon a

Determination of Taxability, the Interest Rate applicable to any such Notes shall be the Taxable Rate.

To the extent an adjustment to the Interest Rate on any Notes under this Section 3.02 is not affected within three (3) months of the event giving rise to the adjustment, the additional interest due as a result of such adjustment shall be paid with interest thereon compounded monthly at the rate which is equal to the interest rate on such Notes; provided, however, in no event shall such interest rate exceed the maximum rate permitted by law. Subject to the provisions of this Section 3.02 hereof, all unpaid amounts determined to be owing as a result of such calculation shall be due and payable within thirty (30) days after delivery of written notice of the amount of such adjustment, and shall be paid to the Noteholder of record during the period to which the adjustment relates. This obligation shall survive the payment and cancellation of any Notes.

**SECTION 3.03. OPTIONAL PREPAYMENT.** The County may prepay and redeem any Note or all Notes, in whole or in part, at any time or from time to time, without penalty or premium, by paying to the Noteholder all or part of the principal amount of the Note or Notes to be prepaid, together with the unpaid interest accrued on the amount of principal so prepaid to the date of such prepayment. Each prepayment and redemption of such Notes shall be made on such date and in such principal amount as shall be specified by the County in a written notice delivered to the Noteholder not less than ten (10) days prior thereto specifying the principal amount of the Note or Notes to be prepaid and the date of such prepayment. Prepayments shall be applied against the County's principal repayment requirements as determined by the County in its sole discretion as set forth in each Note. Notice having been given as aforesaid, the principal amount of the Note stated in such notice or the whole thereof, as the case may be, shall become due and payable on the prepayment date stated in such notice, together with interest accrued and unpaid to the prepayment date on the principal amount then being paid; and the amount of principal and interest then due and payable shall be paid upon presentation of such Note at the office of the Noteholder for notation thereon of the amount of the Notes so then paid. If on the prepayment date moneys for the payment of the Note(s) or portion thereof to be prepaid, together with interest to the prepayment date on such amount, shall have been paid to the Noteholder as above provided and if notice of prepayment shall have been given to the Noteholder as above provided, then from and after the prepayment date interest on such Note(s) or portion thereof shall cease to accrue. If said moneys shall not have been so paid on the prepayment date, such principal amount of such Note or portion thereof shall continue to bear interest until payment thereof at the rate or rates provided for in this Agreement.

## ARTICLE IV

## ARTICLE V

### EVENTS OF DEFAULT; REMEDIES

**SECTION 5.01. EVENTS OF DEFAULT.** An "Event of Default" shall be deemed to have occurred under this Agreement if:

(a) The County shall fail to make timely payment of principal or interest then due on any Note;

(b) Any representation or warranty of the County contained in Article II of this Agreement or any certificate provided the Bank under Article IV shall prove to be untrue in any material respect;

(c) Failure by the County to observe and perform any covenant, condition or agreement on its part to be observed or performed by it under this Agreement or the Resolution other than as referred to in clause (a) of this Section, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to the County, unless the Bank shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, then such time will automatically be extended if corrective action is instituted by the County within the applicable period and diligently pursued until the default is corrected; or

Occurrence of an Event of Default or notice of any event described in Section 5.01 above shall suspend the obligation of the Bank to honor additional Notes until such time as such Event of Default or item giving rise to the notice under paragraph (c) above has been cured to the satisfaction of the Bank. Nothing herein shall be deemed or construed to require the Bank to permit any cure or otherwise waive its rights hereunder to strict compliance by the County with its obligations hereunder, time being of the essence as to all such obligations. The Bank shall be entitled to its

reasonable costs and expenses (including reasonable fees and expenses of counsel) incurred in enforcing any of its rights under this Agreement after an Event of Default.

\$ _____	_____ %	_____, _____	_____, _____

KNOW ALL MEN BY THESE PRESENTS, that LEE COUNTY, FLORIDA (the "County"), for value received, hereby promises to pay, solely from the Designated Revenues described in the within mentioned Agreement, to the order of SUNTRUST BANK, or its successors or assigns (the "Noteholder"), the principal sum of \_\_\_\_\_ AND 00/100 DOLLARS (\$ \_\_\_\_\_) (the "Principal Amount") advanced pursuant to that certain Loan Agreement by and between SunTrust Bank and the County, dated as of June 4, 2004 (the "Agreement"), and to pay interest on such outstanding Principal Amount from the Date of Issuance thereof, or from the most recent date to which interest has been paid at the Interest Rate per annum identified above (subject to adjustment as hereinafter provided) in arrears semi-annually on May 1 and November 1 of each year, commencing \_\_\_\_\_ 1 until such Principal Amount shall have been paid. The Principal Amount hereof shall be payable [as described below] or [upon the Final Maturity Date] or earlier prepayment upon presentation hereof. Such Principal Amount and interest is payable in any coin or currency of the United States of America which, at the time of payment, is legal tender for the payment of public and private debts.

This Note, in the aggregate principal amount of \$ \_\_\_\_\_, is issued under the authority of and in full compliance with the Constitution and statutes of the State of Florida, including, particularly, Chapter 125, Florida Statutes, and other applicable provisions of law, resolutions duly adopted by the County on May 25, 2004 and \_\_\_\_\_, \_\_\_\_\_ (collectively, the "Resolution"), as such Resolution may be amended and supplemented from time to time, and is subject to all terms and conditions of the Resolution and the Agreement. Any term used in this Note and not otherwise defined shall have the meaning ascribed to such term in the Agreement.

[Insert Principal amortization]

This Note is being issued to finance or refinance the costs of acquiring and constructing \_\_\_\_\_ . This Note is secured by and shall be payable from the Designated Revenues as described in the Agreement. The Bank shall have a pledge of and lien on \_\_\_\_\_, which shall be part of the Designated Revenues.

This Note shall bear interest at the Interest Rate identified above on the basis of a 360-day year, consisting of twelve 30-day months. Such Interest Rate is subject to adjustment as provided in Section 3.01(d) and Section 3.02 of the Agreement. The Noteholder shall provide to the County upon request such documentation to evidence the amount of interest due on the Note.

*[Until the particular Note is paid or deemed paid pursuant to the provisions of the Loan Agreement, the County shall covenant to appropriate in its annual budget, by amendment if necessary, from Non-Ad Valorem Revenues lawfully available in each fiscal year of the County in which principal or interest on the particular Note becomes due and payable, amounts sufficient, together with other available moneys, to pay the principal of and interest on the Note, as the same become due (whether by prepayment, at maturity or otherwise). Such covenant and agreement on the part of the County to budget and appropriate such amounts of Non-Ad Valorem Revenues shall be cumulative to the extent not paid, and shall continue until such Non-Ad Valorem Revenues or other legally available funds in amounts sufficient to make all such required payments hereunder shall have been budgeted, appropriated and actually paid. Once such Non-Ad Valorem Revenues are so budgeted, the same shall constitute "County Moneys" hereunder. Notwithstanding the foregoing covenant of the County, the County does not covenant to maintain any services or programs, now provided or maintained by the County, which generate Non-Ad Valorem Revenues.]*

*[Such covenant to budget and appropriate does not create any lien upon or pledge of such Non-Ad Valorem Revenues, nor does it preclude the County from pledging in the future its Non-Ad Valorem Revenues, nor does it require the County to levy and collect any particular Non-Ad Valorem Revenues, nor does it give the Noteholders a prior claim on the Non-Ad Valorem Revenues as opposed to claims of general creditors of the County. Such covenant to appropriate Non-Ad Valorem Revenues is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues hereinafter entered into (including the payment of debt service on bonds and other debt instruments). The covenant to budget and appropriate in its general annual budget for the purposes and in the manner stated herein shall have the effect of making available for the payment of the principal of and interest on the Notes in the manner described herein Non-Ad Valorem Revenues and placing on the County a positive duty to appropriate and budget, by amendment, if necessary, amounts sufficient to meet its obligations hereunder; subject, however, in all respects to the restrictions of Section 129.07, Florida Statutes, which provides, in part, that it is unlawful for the Board to expend or contract for the expenditure in any fiscal year more than the amount budgeted in each fund's budget and*

in no case shall the total appropriations of any budget be exceeded, except as provided pursuant to Section 129.06, Florida Statutes; and subject, further, to the payment of services and programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the County or which are legally mandated by applicable law.]

Notwithstanding any provision in this Note to the contrary, in no event shall the interest contracted for, charged or received in connection with this Note (including any other costs or considerations that constitute interest under the laws of the State of Florida which are contracted for, charged or received) exceed the maximum rate of interest allowed under the State of Florida as presently in effect. In the event the maturity of this Note is accelerated or prepaid in accordance with the provisions hereof, then such amounts that constitute payments of interest, together with any costs or considerations which constitute interest under the laws of the State of Florida, may never exceed an amount which would result in payment of interest at a rate in excess of the nonusurious interest allowed by the laws of the State of Florida or the United States to the extent applicable, as presently in effect and to the extent an increase is allowable by such laws; and excess interest, if any, shall be cancelled automatically as of the date of such acceleration, or, if theretofore paid, shall be credited on the principal amount of the Note unpaid, but such crediting shall not cure or waive any default under the Agreement or the Resolution.

All payments made by the County hereon shall apply first to accrued interest, and then to the principal amount then due on this Note.

The County may prepay this Note as a whole or in part, at any time or from time to time, without penalty or premium, by paying to the Noteholder all or part of the Principal Sum of the Note, together with the unpaid interest accrued on the amount of principal so prepaid to the date of such prepayment. Each prepayment of the Note shall be made on such date and in such principal amount as shall be specified by the County in a written notice delivered to the Noteholder not less than ten (10) days prior thereto. Prepayments by the County will be applied to the County's principal payment requirements [in ascending order or on a pro-rata basis.] Notice having been given as aforesaid, the Principal Sum of the Note stated in such notice or the whole thereof, as the case may be, shall become due and payable on the prepayment date stated in such notice, together with interest accrued and unpaid to the prepayment date on the principal amount then being paid; and the amount of principal and interest then due and payable shall be paid. If on the prepayment date moneys for the payment of the principal amount to be prepaid on such Note, together with interest to the prepayment date on such principal amount, shall have been paid to the Noteholder as above provided and if notice of prepayment shall have been given to the Noteholder as above provided, then from and after the prepayment date interest on such principal amount of such Note shall cease to accrue. If said moneys shall not have been so paid on the prepayment date, such principal amount of such Note shall continue to bear interest until payment thereof at the rate or rates provided for in the Agreement.

This Note, when delivered by the County pursuant to the terms of the Agreement and the Resolution, shall not be or constitute an indebtedness of the County or of the State of Florida, within the meaning of any constitutional, statutory or charter limitations of indebtedness, but shall be payable solely from the Designated Revenues, as provided in the Agreement and the Resolution. No Noteholder shall ever have the right to compel the exercise of the ad valorem taxing power of the County or the State, or taxation in any form of any property therein to pay the Note or the interest thereon.

Upon the occurrence of an Event of Default relating to this Note, the Principal Sum of this Note may become or be declared due and payable before the Final Maturity Date in the manner, with the effect and subject to the conditions set forth in the Agreement and the Resolution. The Noteholder shall also have such other remedies as described in the Agreement.

If the Note shall be declared to be immediately due and payable or any amounts due on the Note shall remain unpaid on the tenth (10th) day following any scheduled payment date, the Note shall bear interest at the Default Rate (as defined in the Resolution) until all amounts then due under the Note are paid in full.
