Agenda Item Summary**

Blue Sheet No. 20040736

1. REQUESTED MOTION:

ACTION REQUESTED: Approve Bid Waiver # W-040491 to waive the formal quoting procedure and allow Public Works to proceed with the purchase of a sound system from GTC Technology Group, Inc. for use at the new recreational center at the Veteran's Park K-8 School in Lehigh Acres. Total expenditure for the system: \$54,572.67. A bid waiver has been requested due to the fact that the School Board is managing the construction of the school and is using GTC for their sound system; therefore, the same equipment needs to be utilized in order to ensure compatibility.

WHY ACTION IS NECESSARY: Expenditures exceeding \$50,000 require Board approval.

WHAT ACTION ACCOMPLISHES: Ensures compatibility of the sound system throughout the new facility; and allows the school to meet its scheduled opening date of August, 2004.

BACKGROUND: On June 2, 2004, the Division of Purchasing received a request from Public Works to waive the formal quotation procedure and purchase a new sound system for the Veteran's Park K-8 School. The County entered into an inter-local agreement with the Lee County School Board on April 1, 2003 for the construction of this school. As part of this agreement, the County agreed to reimburse the School Board for a proportionate share of the design and construction of the school gymnasium to include a multi-generational recreational center. The purchase of this sound system is part of the County's obligations under this agreement.

RE: Furniture and Equipment for Veterans Park

The County entered into an interlocal agreement with the Lee County School Board on April 1, 2003 for the construction of Veteran's Park K-8 School in Lehigh Acres. The County agreed to reimburse the School Board for a proportionate share of the design and construction of the school gymnasium to include a multi-generational recreational center.

A bid waiver is requested to purchase the sound system for \$54,572.67 from GTC Technology Group, Inc. The School Board is managing the construction of the school and they are using this firm for their sound system. In order to have a compatible system, the same equipment needs to be utilized by both the County and the School Board. The school is scheduled to open in August 2004 and with a three to four week lead-time to acquire the equipment, time is running out to meet the August 2004 opening of the school.

Funds are available in account string: 20176018603.506410

Please let me know if you need any additional information.

As always, thank you for your assistance.
