**7. BACKGROUND:**

Up to \$1.5 million is allocated from the General Fund Reserve for implementation of Lee County's business incentive program, including participation in the 20% local match for the State of Florida's Qualified Target Industry Tax Refund Program. The State of Florida requires a Resolution from the local government agreeing to provide 20% match over 4 years in the event the incentive application is approved by the State. The local match is not to exceed \$112,000 over 4 years.

This tax incentive would be an inducement for Project No. LC-04-04-01 to expand in Florida and Lee County. If Lee County is chosen as the proposed site, the company expects to employ 140 full-time employees with salaries at 150% of the average wage for Lee County. The project would create an estimated economic impact annually of \$15.3 million in wages and create 69 indirect jobs.

The Lee County Industrial Development Authority, administrator of the County incentive program, met on May 14, 2004 recommending approval of the resolution to the Board of County Commissioners.
