Ft Myers Florida 33902-0398

1. Terms and conditions of the contract: Contractor is to supply all labor material and equipment necessary to establish and conduct horticultural storm debris removal and/or disposal operations on Upper Captiva. Contractor shall exercise all necessary actions to minimize the amount of demolition debris in the collected horticultural debris.

**RFP-01-03 DISASTER RECOVERY SERVICES – UPPER CAPTIVA**

**Task 1** – Collect and remove to a county designated staging area, all horticultural debris that has been placed next to the roadways on Upper Captiva.

\$ 14.00 per cubic yard as delivered to the staging area

**Task 2** – Grind the horticultural material at the staging area into mulch (dimensions less than 2" X 6") and spread mulch onto sand roadways on Upper Captiva as directed by the County's Project Manager or his designee. Mulch spread on roadways shall not exceed 4" in depth.

\$ 8.00 per cubic yard for grinding at staging area based on volume delivered to staging area

\$ 4.00 per cubic yard for spreading mulch on roadways based on volume of mulch material spread per specification

**Task 3** – Set up, load and operate an air curtain incinerator at the staging area and dispose of ash on Upper Captiva as directed by the Project Manager or designee.

\$ 7.00 per cubic yard as delivered to the staging area.

**Task 4** – Collect and burn horticultural material from the extreme southern portion of Upper Captiva from the immediate areas of the residences therein, transport to a staging area, burn the material, and spread the cold ashes such that the burn site is acceptable to the Project Manager

\$ 30.00 per cubic yard as delivered to a different staging area using and air curtain incinerator

\$ 18.00 per cubic yard as delivered to a different staging area using "controlled" open burning method
