7. BACKGROUND:

On May 11, 2004 the BOCC approved an agreement between Lee County and the South Florida Water Management District (SFWMD) authorizing Parks & Recreation to utilize \$125,000.00 provided by the SFWMD for exotic plant removal at the Caloosahatchee Creeks Preserve (CCP).

On June 1, 2004 the Contracts Management office received a request from Parks & Recreation to waive the formal bid process to the sole source contractor, John C Brown & Sons, Inc., for expenditures in the amount of \$108,790.00 for the exotic plant removal at the Caloosahatchee Creeks Preserve. On June 29, 2004 the Board approved their request for BW-04-06 on Bluesheet 20040767.

Parks & Recreation is now requesting to utilize the remainder of the funds, in the amount of \$16,210.00, provided by the SWFMD for the services of John C Brown & Sons and their Brontosaurus equipment, for which they have a patent, to selectively mulch to ground level all Brazilian peppers and Australian pines within a particular management unit of Caloosahatchee Creeks.
