**7. BACKGROUND:**

The Utilities Division submitted a request to Contracts Management to obtain bids for the MATANZAS PASS FORCE MAIN AND WATER MAIN REPLACEMENT PROJECT. The expected cost of construction required the use of the formal advertised sealed bid procedure.

On the bidding deadline of August 18, 2004, Contracts received two bids. The Utilities Division has reviewed the bids and it is being recommended that the award be made to the lowest responsive/responsible bidder, Danella Companies, Inc., for a total not-to-exceed amount of \$1,100,162.00 with a project completion of 231 days.

**SUBJECT: RECOMMENDATION FOR AWARD  
MATANZAS PASS FORCE MAIN REPLACEMENT**

The Design Engineer and I have reviewed the bid tabulations for Bid #B-04-30. We find that Danella Companies, as low bidder with a bid amount of \$1,100,162.00, is qualified to perform this project.

The only other bid was \$1,785,068.60, submitted by Kelly Brothers.

We hereby recommend awarding the project to **Danella Companies**.

Please forward the Contract to the contractor for execution and prepare a bluesheet for BOCC approval after the Contract is returned at your earliest convenience.
