Lee County Board Of County Commissioners
Agenda Item Summary

Blue Sheet No. 20030086

1. REQUESTED MOTION:

ACTION REQUESTED: Approve the award of Project #EX030264, the purchase of tires for Fleet Management and Lee Tran, from the Goodyear Tire and Rubber Company through the following local vendors: Wingfoot Commercial Tire Service, Martino Tire Company, and Goodyear Auto Service Center; at the prices listed in the Florida State Contract #863-000-03-1; for a combined total estimated annual amount of approximately \$250,000.00. (Fleet Management is also requesting permission to utilize any Goodyear vendor in Florida in an emergency situation; i.e., a breakdown while out of town on County business.) The expiration date of this contract is February 28, 2005 with possible extensions; therefore, permission is requested to utilize this contract until it expires if in the best interest of Lee County. Also approve expenditures to the above referenced vendors for tire related services; including, but not limited to mounting, balancing, alignments, service calls for flat tires, etc. for a combined total estimated annual amount of approximately \$160,000.00.

WHY ACTION IS NECESSARY: Section 11.0.3.1 of the Lee County Purchasing and Payment Procedures Manual exempts "the purchase of equipment that has gone through the Administrative Code Procedure, such as State Contracts or Federal General Services Administration Schedules, providing the purchase, rental, or lease amount does not exceed \$50,000.00". As this expenditure will exceed \$50,000.00, Board approval is required.

WHAT ACTION ACCOMPLISHES: Allows Fleet Management and Lee Tran to purchase tires at a competitive price, and also obtain related services from the same vendor(s) for a turnkey package.

--BACKGROUND CONTINUED FROM PAGE ONE--

On January 22, 2003, the Division of Purchasing received requests from the Division of Fleet Management and the Transit Division to prepare a blue sheet for the purchase of tires and tire related services from the Goodyear Tire and Rubber Company through the following local vendors: Wingfoot Commercial Tire Service, Martino Tire Company, and Goodyear Auto Service Center.

Section 11.0.3.1 of the Lee County Purchasing and Payment Procedures Manual exempts "the purchase of equipment that has gone through the Administrative Code Procedure, such as State Contracts or Federal General Services Administration Schedules, providing the purchase, rental, or lease amount does not exceed \$50,000.00". As this expenditure will exceed \$50,000.00, Board approval is required.

Therefore, Board approval is requested to purchase tires from the Goodyear Tire and Rubber Company through the following local vendors: Wingfoot Commercial Tire Service, Martino Tire Company, and Goodyear Auto Service Center; at the prices listed in the Florida State Contract #863-000-03-1. Also approve expenditures to the above referenced vendors for tire related services for a total turnkey package.

The expiration date of this contract is February 28, 2005 with possible extensions; therefore, permission is requested to utilize this contract until it expires if in the best interest of Lee County. (It should be noted that Fleet Management anticipates annual growth of approximately 20% for tires and tire related services.)
