## MEMORANDUM

**To:** Commissioner John Albion, Chair Affordable Housing Committee

**From:** Gloria M. Sajgo, AICP, Principal Planner *MS*

**Subject:** Recommendation for SHIP 2004 Hurricane Season Disaster Mitigation/ Recovery Funding

**Date:** November 9, 2004

On September 30, 2004, Lee County started soliciting applications for the Lee County State Housing Initiatives Partnership (SHIP) 2004 Hurricane Disaster Mitigation and Recovery funding cycle. Since the solicitation of applications will be ongoing, staff will bring applications for review and approval by the Board of County Commissioners as it receives them. Under this SHIP Disaster Mitigation program, the regular SHIP rules have been relaxed so as to facilitate aid to hurricane victims. Funds are being awarded to non-profit housing providers on a first come/first ready/most needed basis. The county received two applications for disaster rehabilitation of General Rental/Special Needs Rental affordable housing facilities. Maximum SHIP funding available for this strategy is \$179,709.

**Staff recommendation: Presbyterian Villas of Lehigh Inc. – SHIP funding at \$179,709 for 96 very low income elderly or disabled households in 16 apartment buildings**

Presbyterian Homes and Housing Inc. has spun off several non-profit corporations each dedicated to managing a rental affordable housing complexes in Southwest Florida. Two of those complexes have requested disaster assistance from the Lee County SHIP program: Presbyterian Villas of Lehigh, Inc. and Presbyterian Homes of South Florida Inc.

Presbyterian Villas of Lehigh Inc. is requesting \$199,360 to repair the roofs in 18 buildings that are used by 102 elderly or disabled very-low or low-income elderly or disabled households. Staff is recommending maximum allowable funding at \$179,709 to replace the roofs of 16 apartment buildings with 96 very low-income elderly or disabled households.

This organization provided all suitable back up and documentation and proved that it is ready to start the project immediately. The organization has \$266,745 in reserves and using \$199,360 to replace the roofs would have left its with reserves of only \$67,385 for servicing 18 buildings; staff believed that allowing such a large complex to operate with such low reserves could harm operation and maintenance activities. Also staff notes that all households benefiting from SHIP funds would be very-low income households and because this complex provides housing for both elderly and disabled, SHIP funding would benefit two distinct Special Needs populations.

Presbyterian Homes of South Florida Inc is requesting \$69,400 to repair the roofs of 11 buildings housing 46 very-low and low-income elderly households. Staff is recommending no funding for this request. This organization provided all suitable back up and documentation and proved that it is ready to start the project immediately. However, this organization has \$267,568 in reserves (\$229,002 in general reserves and \$38,566 in paint reserves) and using \$69,400 to replace the roofs would leave its reserves at \$198,168, which staff believes would be adequate for operations and maintenance. Staff also notes that the beneficiaries of this project would be both very low and low-income and only elderly households.

Rules of the Auditor General.

### Audit Requirements for States, Local Governments and Nonprofit Organizations:

Non-federal organizations that expend \$300,000 or more in a fiscal year in Federal awards (**all Federal funding sources must be considered**) must have a single audit or a program-specific audit conducted for that fiscal year in accordance with current Government Auditing Standards issued by the Comptroller General of the United States, and in compliance with The Single Audit Act of 1984 (P.L. 98-502), the Single Audit Act Amendments of 1996 (P.L. 104-156) and OMB Circular A-133 "Audits of States Local Governments, and Non-Profit Organizations".

**Single Audit** – Single Audit means an audit that includes both the entity’s financial statements and the Federal awards requirements as described in Section \_\_.500 of OMB Circular A-133. A State single audit means an audit of a non-state entity’s financial statements and state awards. A Single Audit also includes a report on Internal Controls and a report on Program Compliance.

**Program-Specific Audit** – A Program-Specific Audit means an audit of **one Federal program** as provided for in Section \_\_.200© and Section \_\_.235 of OMB Circular A-133. Additionally, a state program-specific audit means an audit of **one state project** in accordance with the requirements of FS 216.3491.

**No Audit Exemption:**

**Even when cumulative (all programs considered) Federal and/or State award expenditures are less than \$300,000 in a fiscal year, an audit is required.**

The cost of audits conducted in accordance with the Single Audit Act and/or the provisions of Section 216.3491, Florida Statutes, must be paid from non-Federal/non-State funds (i.e., the cost of such an audit must be paid from subrecipient/contractor funds obtained from other than Federal/State sources).
