SLOPE/RESTORATION EASEMENT and
TEMPORARY CONSTRUCTION EASEMENT

This INDENTURE, made and entered into this 6th day of OCTOBER 2004, between Dudley Hind and Irma Hind, husband and wife, whose address is 3180 NW 93rd Avenue, Sunrise, FL 33351, (Grantor), and LEE COUNTY, a political subdivision of the State of Florida, whose address is PO Box 398, Fort Myers, Florida 33902-0398, (Grantee):

WITNESSETH:

1. For good and valuable consideration, receipt of which is hereby acknowledged, Grantor grants to the Grantee, its successors and assigns, a perpetual non-exclusive slope/restoration easement situated in Lee County, Florida, and located and described as set forth in attached Exhibit "C" (Easement Parcel).

2. Grantee, its successors and assigns, are granted the right, privilege, and authority to construct, replace, repair, remove, extend, and maintain a slope/restoration easement on the Easement Parcel to support, reinforce, and stabilize the adjacent public roadway.

3. The improvements that may be placed within the Easement Parcel for roadway slope/restoration purposes are not limited to a particular type, style, material or design. These improvements may include the use of foliage.

4. Grantor may not construct or place any structures within the Easement Parcel; however, Grantor may authorize the installation of utilities or may plant foliage within the easement area conveyed herein, provided such use does not interfere with or prevent the Grantee's use of the easement.

5. Title to the improvements constructed by the Grantee within the Easement Parcel will remain in the Grantee, its successors or assigns.

6. Subject to any existing easements for public highways or roads, railroads, laterals, ditches, pipelines and electrical transmission or distribution lines and telephone and cable television lines covering the land herein described, Grantors covenant they are lawfully seized and possessed of the real property described in Exhibit "C" and "D", have good and lawful right and power to convey it, and that the property is free and clear of all liens and encumbrances, except as herein stated, and accordingly, Grantor will forever warrant and defend the title and terms to this said easement and the quiet possession thereof against all claims and demands of all other entities.

7. Grantee has a reasonable right of access across Grantor's property for the purposes of reaching the Easement Parcel on either paved or unpaved surfaces. Any damage to Grantor's property or permitted improvements thereon resulting from Grantee's use of this access right will be restored by the Grantee, to the condition in which it existed prior to the damage.

8.
