**7. BACKGROUND:** The Board approved change order #4 to APAC-SE at the 11-16-2004 Board meeting agenda item #C9B to compensate APAC-SE for a necessary drainage modification along Bonita Beach Road on Arroyal. The original proposed drainage line for the Bonita Beach Road 6-Laning project near Arroyal Road had the drainage line running parallel to the road in the right-of-way. Due to the enormous number of crucial Sprint phone lines in that right-of-way Sprint disallowed the relocation of their lines to accommodate the drainage line. DOT proposed the relocation of the proposed drainage line near Arroyal Road if Sprint would reimburse DOT for the cost of the relocation. APAC-SE has completed the relocation and DOT has compensated them for this additional work in the amount of \$55,426.00. Accepting this contribution allows DOT to reimburse the project for this additional expense.

Funds should be posted upon appropriation as follows:

- 20 - Capital Improvement Project
- 4044 - Bonita Beach Rd. Widening/Resurfacing
- 30700 - Transportation Capital Improvement
- 506540- Improvement Construction
