1. ACTION REQUESTED/PURPOSE: Direct county staff to negotiate interlocal agreements with the cities relative to each parties' rights and responsibilities in future proposed annexations, with a target completion date of six months.

2. WHAT ACTION ACCOMPLISHES: Standing interlocal agreements will better delineate the county's and cities' responsibilities when annexations are proposed, including impact on urban services, and impact on the provision and quality of public services for the citizens inside and outside of the proposed annexed areas. Such agreements should also determine the responsibilities in achieving desired outcomes for any county natural systems included within a proposed annexed area.
