This Property is being acquired for the Three Oaks Parkway South Extension, No. 4043, hereinafter called the Project, with the SELLER's understanding that the Property, if not voluntarily sold, would have been condemned by BUYER through the exercise of its eminent domain powers.
- 2. **PURCHASE PRICE AND TIME OF PAYMENT:** The total purchase price ("Purchase Price") will be Eighty-Two Thousand Four Hundred Fifty-Five Dollars (\$82,455), payable at closing by County warrant. The Purchase Price is mutually agreeable to both the SELLER and BUYER and represents the voluntary sale and purchase of the property in lieu of BUYER's condemnation.

- 3. **EVIDENCE OF TITLE:** BUYER will obtain at BUYER's expense an American Land Title Association Form B Title Commitment and provide title insurance Owner's Policy in the amount of the Purchase Price, from a title company acceptable to BUYER. The commitment will be accompanied by one copy of all documents that constitute exceptions to the title commitment. The commitment will also show title to be good and marketable with legal access, subject only to real estate taxes for the current year, zoning and use restrictions imposed by governmental authority, and restrictions and easements common to the area.
- 4. **CONDITION OF PROPERTY; RISK OF LOSS:** BUYER has inspected the Property and, except as is otherwise provided herein, accepts the Property in the condition inspected. Any loss and/or damage to the Property occurring between the date of this offer and the date of closing or date of possession by BUYER, whichever occurs first, will be at SELLER'S sole risk and expense. However, BUYER may accept the damaged property and deduct from the Purchase Price any expenses required to repair the damage, or BUYER may cancel this Agreement without obligation.
- 5. **SELLER'S INSTRUMENTS AND EXPENSES:** SELLER will pay for and provide:
 - (a) A statutory warranty deed, and an affidavit regarding liens, possession, and withholding under FIRPTA in a form sufficient to allow "gap" coverage by title insurance:
 - (b) utility services up to, but not including the date of closing;
 - (c) taxes or assessments for which a bill has been rendered on or before the date of closing;
 - (d) payment of partial release of mortgage fees, if any;
 - (e) SELLER'S attorney fees, if any.
- 6. BUYER'S INSTRUMENTS AND EXPENSES: BUYER will pay for:
 - (a) Recording fee for deed;
 - (b) survey, (if desired by BUYER).
- 7. **TAXES**: SELLER will be charged for Real Estate taxes and personal property taxes (if applicable) up to, but not including the date of closing.

This voluntary sale and purchase is considered by Florida law to be exempt from the payment of Documentary Stamp Taxes because this transaction was made under the threat of an eminent domain proceeding by the BUYER.

- 8. **DEFECTS IN TITLE AND LEGAL ACCESS:** Prior to closing, BUYER will have a reasonable time to examine the title and documents establishing legal access to the Property. If title or legal access is found to be defective, BUYER will notify SELLER in writing of the defects and SELLER will make a prompt and diligent effort to correct such defects. If SELLER fails to make corrections within 60 days after notice, BUYER may elect to accept the Property in its existing condition with an appropriate reduction to the Purchase Price, or may terminate this Agreement without obligation.
- 9. **SURVEY:** BUYER may order the Property surveyed at BUYER's expense. SELLER agrees to provide access to the Property for such survey to be performed. If the survey shows a discrepancy in the size or dimensions of the Property, or shows encroachments onto the Property or that improvements located on the Property encroach onto adjacent lands, or if the survey identifies violations of recorded covenants and/or covenants of this Agreement, upon notice to the SELLER, the BUYER may elect to treat such discrepancies, violations and/or encroachments as a title defect.
- 10. **ENVIRONMENTAL AUDIT:** BUYER may perform or have performed, at BUYER's expense, an environmental audit of the Property. If the audit identifies environmental problems unacceptable to the BUYER, BUYER may elect to accept the Property in its existing condition with an appropriate abatement to the Purchase Price or BUYER may terminate this Agreement without obligation.
- 11. **ABSENCE OF ENVIRONMENTAL LIABILITIES:** The SELLER warrants and represents that the Property is free from hazardous materials and does not constitute an environmental hazard under any federal, state or local law or regulation. No hazardous, toxic or polluting substances have been released or disposed of on the Property in violation of any applicable law or regulation. The SELLER further warrants that there is no evidence that hazardous, toxic or polluting substances are contained on or emitting from the property in violation of applicable law or regulation. There are no surface impoundments, waste piles, landfills, injection wells, underground storage areas, or other man-made facilities that have or may have accommodated hazardous materials. There is no proceeding or inquiry by any governmental agency with respect to production, disposal or storage on the property of any hazardous materials, or of any activity that could have produced hazardous materials or toxic effects on humans, flora or fauna. There are no buried, partially buried, or above-ground tanks, storage vessels, drums or

containers located on the Property. There is no evidence of release of hazardous materials onto or into the Property.

The SELLER also warrants that there have been no requests from any governmental authority or other party for information, notices of claim, demand letters or other notification that there is any potential for responsibility with respect to any investigation or clean-up of hazardous substance releases on the property. All warranties described herein will survive the closing of this transaction.

In the event the SELLER breaches the warranties as to environmental liability, SELLER agrees to indemnify and hold the BUYER harmless from all fines, penalties, assessments, costs and reasonable attorneys' fees resulting from contamination and remediation of the property.

- 12. **TIME AND BINDING AGREEMENT:** Time is of the essence for closing this transaction. The BUYER's written acceptance of this offer will constitute an Agreement for the purchase and sale of the Property and will bind the parties, their successors and assigns. In the event the BUYER abandons this project after execution of this Agreement, but before closing, BUYER may terminate this Agreement without obligation.
- 13. **DATE AND LOCATION OF CLOSING:** The closing of this transaction will be held at the office of the insuring title company on or before 60 days from the date this Agreement is made. The time and location of closing may be changed by mutual agreement of the parties.
- 14. **ATTORNEYS' FEES:** The prevailing party in any litigation concerning this Agreement will be entitled to recover reasonable attorneys' fees and costs.
- 15. **REAL ESTATE BROKERS:** SELLER hereby agrees to indemnify and hold the BUYER harmless from and against any claims by a real estate broker claiming by or through SELLER.
- 16. **POSSESSION:** SELLER warrants that there are no parties in possession other than SELLER unless otherwise stated herein. SELLER agrees to deliver possession of Property to BUYER at time of closing unless otherwise stated herein.
- 17. **TYPEWRITTEN/HANDWRITTEN PROVISIONS:** Typewritten and handwritten provisions inserted herein or attached hereto as addenda, and initialed by all parties, will control all printed provisions in conflict therewith.

PURPOSE, FUNCTION AND SCOPE OF THE APPRAISAL

The purpose of this appraisal is to estimate the total compensation due the property owner. The function (use) of the appraisal is for providing the Lee County Commissioners with sufficient data to make an informed decision in the acquisition of a fee simple interest in a take of a 276sf strip of land (Parcel 240), and for a 861sf slope/drainage easement (Parcel 240SDE) next to the proposed right of way on the north frontage of the parent tract described as Lot 3, Leitner Creek Manor Unit 2, Block 8.

The scope of this appraisal encompasses the necessary research and analysis to prepare a report in accordance with the USPAP of the Appraisal Foundation. Data sources typically include observation, public records, First American Real Estate Services, Sunshine MLS, Realtors, other professionals, appraiser's files, builder's contracts, and cost estimating services (Marshall and Swift).

A thorough search is conducted for comparable properties within an appropriate market area and time frames. The most comparable properties are compared to the subject with appropriate adjustments made for significant differences. The data provided in the report is representative of the market and is presented in a manner that will bring the reader to a similar conclusion of the value estimate. Limiting conditions are described in the attached addenda.

USPAP CERTIFICATION

The appraisal assignment was not based on a requested minimum valuation, a specific valuation, or the approval of a loan.

SUMMARY APPRAISAL REPORT

This is a Summary Appraisal Report which is intended to comply with the reporting requirements set forth under Standards Rule 2-2(b) of the Uniform Standards of Professional Appraisal Practice for a Summary Appraisal Report. As such, it presents only summary discussions of the data, reasoning, and analyses that were used in the appraisal process to develop the appraiser's opinion of value. Supporting documentation that is not provided with the report concerning the data, reasoning, and analyses is retained in the appraisar's files. The depth of the discussion contained in this report is specific to the needs of the client and for intended use stated in the report. The appraiser is not responsible for unauthorized use of this report.

COMMENTS ON THE MARKET AREA

The subject is located in Leitner Creek Manor, a development of manufactured homes in Bonita Springs. Leitner Creek Manor has good proximity to area facilities in Bonita Springs. Improvements in the subject development exhibit a wide range of manufactured home size, style, age and quality.

COMMENTS ON THE LAND VALUE ESTIMATE

Since Leitner Creek Manor is maturely developed, there are limited land sales in support of the site value estimate. Included for reference are the following:

Parcel# 25-47-25-B4-00211.0180, 60x95, sold in 02/00 for \$15,500 per OR 3224/2042 Parcel# 25-47-25-B4-00211.0170, 60x95, sold in 06/00 for \$15,500 per OR 3282/1421

COMMENTS ON THE COST APPROACH AND OPTIONS INCLUDED

Screened porch, 292sf @ \$16.00/sf	\$4,672
MH utility room, 80sf @ \$16.00/sf	\$1,280
Shed, 64sf @ \$16.00/sf	\$1,024
Total Options	\$6,076

COMMENTS ON THE SALES

Age/condition and quality adjustments are based on observable data, and on comments provided by Realtors familiar with the sales utilized. The adjustments are believed to reflect market reaction to the differences.

All sales were smaller in livable area. Sales #1 and #2 included MH utility rooms, fencing, and had superior central HVAC systems relative to the subject's central HVAC + wall unit A/C in family room.

Sale #1 was on a smaller lot and included 312sf screened porch in addition to 260sf of covered porches. Listing Realtor confirmed that Sale #1 had only one bath. County database incorrectly indicated two (2) baths.

Sale #2 was on a larger lot and included an oversize 1 carport, a smaller covered porch and lacked a screened porch. This sale was reportedly among family members. The listing Realtor reported the the list price of \$85,000 generated no interest or "hits" during the prior 3 months of the listing and, that in light of this fact, the negotiated final sale price was realistic and fair to the parties involved in the sale. In the opinion of the Realtor, the sale price of \$70,000 was a reasonable indication of value given the overall condition of the property at the time of sale.

Sale #3 was on an adequately similar lot and included a larger 360sf screened porch, a somewhat larger shed, but lacked the subject's covered porch, MH utility room and covered parking.

After adjustments, sales indicate a range of value of \$69,500 to \$73,300. Greatest emphasis is placed on Sales #1 and #2 which are the most recent. Sale #3 is supportive.

ANALYSIS OF REMAINDER INTEREST IN EASEMENTS-PARCELS 240 & 240SDE AND PART TAKEN

Parcel 240 is a fee take area for proposed road right of way. Parcel 240 SDE is a slope/drainage easement and is adjacent to the proposed road right of way. The fee take area is approximately 276 square feet. The slope/drainage easement will contain approximately 86 square feet. The easement will be used to create a slope from the proposed final road grade to the adjoining property. The easement area will be 15 feet wide and utilized for fill and grass, and some drainage retention. The fee and easement areas will render the improved parent tract unusable to the property owner due to the barrier created across the front of the property denying access. There is no value contribution remaining intact to the property owner.

The impact of the fee and easement areas on the fee simple ownership of the full "bundle of rights "associated with the remainder is estimated at 100%.

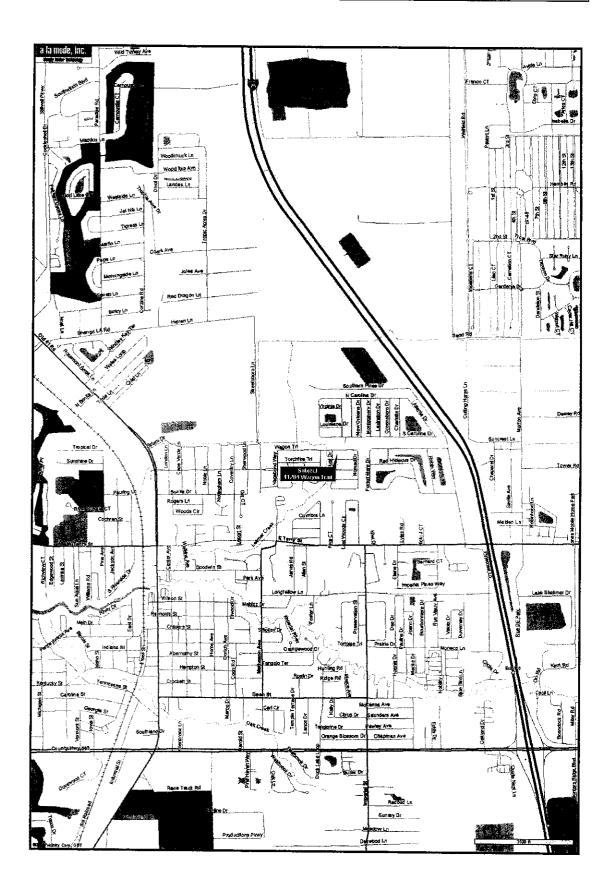

Based upon this analysis the total compensation due the property owner as of the effective date of the appraisal, February 26, 2005, was \$71,700.
