Re: Complete Summary Appraisal Report No. 02-03-03.1030  
Project: Veronica S. Shoemaker Blvd. (No. 4073)  
Parcel No: 1030  
Owner: Bonnie B. Prator  
County: Lee County, Florida

Dear Mr. Clemens:

We are pleased to transmit this summary report of a complete appraisal that was prepared on the above referenced property. The purpose of this appraisal is to estimate the market value of those property rights proposed for acquisition by Lee County, Florida together with all legally compensable diminution in value to the remaining land (if any) which can be attributed to the proposed partial taking, or the uses and/or activities proposed thereon. The attached report sets forth the data, research, analyses and conclusions for this appraisal.

The report has been prepared in conformity with the *Uniform Standards of Professional Appraisal Practice (USPAP)* and the *Code of Professional Ethics and Standards of Professional Appraisal Practice* of the Appraisal Institute. Our opinion of market value is premised upon the Assumptions and Limiting Conditions contained within this report. The definition of market value is in Addendum B.

The parent tract, containing 18,383 square feet of gross land area, is located along the west side of Veronica S. Shoemaker Boulevard approximately 660 feet north of Hanson Street in the Fort Myers market area of Lee County, Florida. The property is rectangular shaped with a west edge measuring 100.00 feet, a southerly edge which measures 183.83 feet, a north edge which measures 183.83 feet and an east edge measuring 100.00 feet along the westerly right-of-way of Veronica S. Shoemaker Boulevard. The property is zoned IL, Light Industrial and is designated Industrial Development on the Lee County Comprehensive Plan Future Land Use Map. The appraisers have estimated the highest and best use of the property "as vacant" for potential future light industrial development.

The parent tract is improved with a one story CBS industrial warehouse building. The Lee County Property Appraiser's record indicates it contains a total of 5,760 square feet of enclosed area and was built in 1979. The highest and best use "as improved" is for continued utilization of its warehouse building. The parent tract value is exclusive of the improvements that are outside the proposed acquisition area that are considered to be unaffected by the taking.

The partial acquisition area identified as Parcel 1030 (Drainage Easement) contains 1,000 square feet. This proposed acquisition area is for a perpetual storm water drainage easement. This easement area may be used for landscaping (except trees), walkway, and drainage or similar uses. No structures such as sheds, carports, garages, or other buildings can be constructed within the easement area. It is located along the proposed westerly right-of-way of Veronica S. Shoemaker Boulevard and has a depth from Veronica S. Shoemaker Boulevard of 10.00 feet along its north and south side and measures 100.00 feet along its east and west side. Improvements located within this partial acquisition area include chain link fencing along with a sliding gate.

The remainder property, contains 18,383 square feet inclusive of Parcel 1030 (Drainage Easement) area. Since the proposed acquisition is a perpetual drainage easement, the quantity of land will not change. The highest and best use is not expected to change as a result of the partial acquisition. The highest and best use remains unchanged with "as vacant" for potential future light industrial development and "as improved" for continued utilization of its warehouse building.

By reason of our investigation and analysis, data contained in this report and our experience in the real estate appraisal business, it is our opinion that the amount due the owner (as a result of the proposed partial acquisitions), as of April 20, 2005, is:

Value of Property Rights Taken:	
Parcels 1030 (Drainage Easement):	\$1,000
Value of Improvements Taken:	1,800
Incurable Severance Damages:	-0-
Net Cost to Cure:	<u>600</u>
<b>TOTAL AMOUNT DUE OWNER:</b>	<b>\$3,400</b>

If you have any questions or comments, please contact the undersigned. Thank you for the opportunity to be of service.

Respectfully submitted,
