### **2005 JOHN DEERE 544J Specification #38 3.0 Cu. Yd. Wheel Loader (Z-Bar Linkage - Parallel Arm Option)**

The John Deere 544J purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by manufacturer by specification by zone.

<b>ZONE:</b>	★ <b>Western</b>	★ <b>Northern</b>	★ <b>Central</b>	★ <b>Southern</b>
<b>BASE PRICE:</b>	<b>\$82,069.00</b>	<b>\$82,069.00</b>	<b>\$82,069.00</b>	<b>\$82,069.00</b>

Purchasers are advised that the above referenced vehicle specification comes equipped as a base unit only. The Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have identified and equipped the base unit with those specifications and equipment items required to meet National Standards. Since equipment needs and preferences are going to vary from agency to agency - any additional options required or changes to the base unit desired by the purchaser shall be made through the vendor listed.

**NOTE:** An official listing of all add/delete options and their prices should be obtained from the awarded vendor. Customers may select from any published optional items within this bid contract, or from any unpublished options submitted to the purchaser by the manufacturer.

A **37%** discount off manufacturer's current published retail prices for non-specified options and any optional models bid. (The discount is applied to the manufacturer's current published retail prices.) Date of current published price book: **04-16-04**  
Also includes models 444J, 624J and 644J
