1. The easement is a perpetual non-exclusive easement, and is part of the water management system for Eastlake and for Unit 1, Country Lakes Subdivision, as shown in Plat Book 26, Page 12, of the Public Records of Lee County, Florida ("Country Lakes").

RE: Pantropic Power Products  
9651 Kelly Tractor Road.  
Section 10, township 44 south, range 22 east

Dear Mr. Wilson:

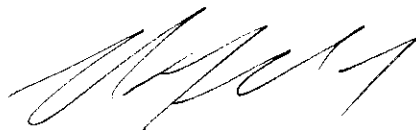

The Pantropic Power Products project is located in northeast Lee County, near I-75 and the Lockett Road exit. The project straddles lots 8 and 9 of the pre-platted Kelly Tractor subdivision. Strap numbers are 10-44-25-08-00000.0080 & 10-44-25-08-00000.0090 respectively.

Currently, a 10' public utility easement exists between lots 8 and 9. It is proposed that the easement be vacated so the lots can be combined into one for construction of the proposed project. The parcels are both owned by Kelly Tractor Company and are presently vacant. There are no existing utilities within the easement to be vacated and letters of no objection have been secured.

All additional items requested by the Development Services Division are included with this submittal.

Should you have any questions or require additional information please feel free to contact me.

Sincerely,

Peter Pellerito, P.E.
