Re: VAC2005-00017 - Petition to Vacate a 4.67-foot portion of the existing 20' Drainage and Public Utility Easement at 11730 Timberline Circle, Fort Myers situated on the rear lot of 21, Block B as recorded in Plat Book 41 at Pages 51 - 53 of the Public Records of Lee County, FL

Dear Mr. & Mrs. Steele:

You have indicated that in order to build a two-room addition and pool enclosure on lot 21, you desire to eliminate a 4.67-foot portion of the existing 20 foot Drainage and Public Utility Easement, as shown on the cross section drawing, which you faxed on 6/7/05. The site is located at your primary residence in The Timbers subdivision. Please be advised that the minimum lake bank slope must be maintained at a minimum of 6:1 Horizontal to Vertical. Prior to construction, you should apply for a Letter of Transmittal and provide site plan to Lee County permitting. Upon the completion of this construction, you must notify Development Services Review Technician, in order for Development Services to field check for compliance. Based on a review of the information provided and our subsequent research, this office has no objection to the proposed vacation.

Should you have any questions, please call me at the above telephone number.

Sincerely,

RE: Strap # 08-45-25-01-0000B.0210

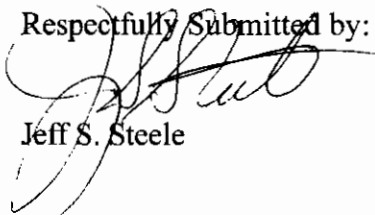

Dear Mr. Eckenrode:

The purpose of the attached "Petition to Vacate" a 4.67 foot portion of the 20 foot DE & PUC right-of-way associated with lot 21 of The Timbers subdivision is to enable the Construction of a two room addition to the single family home presently located at this address. The proposed addition will extend approximately 16 feet beyond the north facing outside wall of the structure as it exist today. In order to facilitate this construction it will be necessary to encroach on a small portion, (4.67 feet) of the easement written into the property deed.

The Timbers subdivision is a mature community. In this regard, the utilities have been installed for several years without using the original developers PUC right-of-way. Our proposed addition will not infringe on any other property owners access to this right-of-way as we are only requesting the vacation a 4.67 foot section of the existing 20 foot. As encroaching upon this right-of-way setting precedence for our request.

Should you have any questions concerning this request for vacation or our planned addition, please contact me at the following address.
