Lee County Board Of County Commissioners Agenda Item Summary

1. REQUESTED MOTION:

Blue Sheet No. 20060175

Lee County, Florida FINANCIAL REPORT TO THE BOARD OF COUNTY COMMISSIONERS For the Month of January 2006

This report contains significant financial data for the stated period, which may be of interest to the Board of County Commissioners (BOCC) and the citizens of Lee County. Comments on variances, which meet a predetermined threshold, are provided for reserves, revenues and expenditures. This report is prepared and reviewed by the Lee County Clerk of Court, General Accounting Office, Finance and Records Department.

Significant Statistical Data (pages 2 - 3)

These pages show data collected throughout the Finance Department for the reported month of the current and prior year, current year-to-date, and prior year-to-date. Items reported are interest collected, total outstanding bonded debt, interest and principal paid, total dollars paid and the number of processed invoices, and payroll totals and the number of employees. Graphs accompany the statistical data for a visual picture.

Significant Funds-Cash and Reserves (page 4)

This page shows by fund the cash and investments balance at the end of the reported month, original budgeted reserves, prior month budgeted reserve balance, current month budgeted reserve balance, and a month-to-month comparison (variance) on budgeted reserves. A distinction is made between governmental and business-type activities. Comments are made on any increase (decrease) in budgeted reserves from the prior month to the current month.

Significant Revenues (page 5)

This page shows budgeted revenues by revenue source for current year and prior year, current year-to-date actual, prior year-to-date actual, percent of actual-to-budget variance for current year and prior year, and a variance on the change from prior year-to-date to current year-to-date. A distinction is made between governmental and business-type activities. Comments are based on a variance of at least 15% and \$500,000, up or down.

Expenditures By Significant Department (page 6)

This page shows the adopted operating budget by department, amended operating budget year-to-date, year-to-date operating expenditures for current and prior year. The variance is based on the change from prior to current year-to-date expenditures. A distinction is made between governmental and business-type activities. Comments are based on a variance of at least 15% and \$500,000, up or down.

Significant Projects (page 7)

This page shows for the listed projects the projected cost, cumulative expenditures from prior years, current year expenditures, total expenditures-to-date, and funding source(s). Expenditures include all capital and operating expenses associated with each project. A comparison is not made for this report. The criteria used for selecting projects to report are based on total projected project cost of \$15 million or more. This report is updated annually for selected projects and funding sources.

Driver Education Safety Trust Fund (page 8)

This page shows year-to-date revenues collected and expenditures made to identified parties as required by Lee County Ordinance 02-28.

Investment Summary (pages 9 - 10)

These pages contain current BOCC investment data. This information is divided into three categories: (1) Government Bills, Notes and Bonds, (2) Matured/Sold Investments, and (3) Summary of Investments for reporting month. This information is required to be prepared monthly pursuant to Administrative Code 3-13, Investment Policy for the Board of County Commissioners.

Very Truly Yours,

1/11/11/11

Charlie Green Clerk of the Circuit Court
