9. Background:

On October 11, 2005 the Lee County Board of County Commissioners approved an after-the-fact Emergency under E-05-02 for the Utilities Division to Cabana Construction Co., Inc. for replacement of a 30" major sewer line that was getting ready to collapse in the amount of \$151,045.00.

On February 10, 2006 LCU requested an increase to this Emergency Purchase Order #73320 in the amount of \$72,500.00 for additional costs associated with the after-the-fact Emergency under E-05-02 for the Utilities Division to Cabana Construction Co., Inc., for emergency sewer repair on S.R. 80.

These associated costs are due to underground gas lines installed too close to our sewage force main, which requires additional work for our contractor. This is very dangerous work that needs to be performed with extreme caution.

Due to the emergency nature the Utilities Division is requesting approval of the increase of this Purchase Order #73320 for the additional work in the amount of \$72,500.00.

9. Background:

On September 22, 2005 LCU requested an emergency purchase order be approved to replace a 30" major sewer line that was getting ready to collapse at any time on State Road 80 (Palm Beach Blvd.) which could have been a major health hazard as well as dangerous to the community. A sinkhole was already forming which could cause a major vehicle accident.

Pursuant to the Lee County Contracts Manual, Section 1, 1.6 Emergency Services, the County Manager may authorize emergency services of Board authorization or higher (over \$50,000) and waive any bid requirements and then recommend to the Board of County Commissioners its approval of the project.

Due to the emergency nature the Utilities Division is requesting an after-the-fact approval of this emergency to Cabana Construction Co., Inc. in the amount of \$151,045.00.
