9. Background: Lee County proposes to enter into a three party agreement with the Federal Highway Administration (FHWA), and the Florida Department of Transportation (FDOT) and also enter into a Local Agency Program Agreement with FDOT for a Value Pricing study of the Sanibel Bridge & Causeway.

The Value Priced Study will study the effects of lowering tolls prior to the morning peak and just after the peak times to attract drivers out of the peak hours. Due to the nature of tolling on Sanibel Island where travelers only pay the toll to enter the island this study will also research the benefit of providing credits to account holders that exit the island during off-peak times.

In addition to executing these agreements, the Board is also asked to approve a transfer of funds from Gas Tax Reserves in the amount of \$25,000. The \$25,000 represents Lee County's match of 10%, FHWA is contributing 80% of the costs and FDOT is contributing 10%.

Funds will be available in the following accounts:
 20581730700.506510 \$25,000 (Lee County Matching Share)
 21581730700.506510 \$200,000 (FHWA Share)

The closing out of federal financial participation in the project shall not constitute a waiver of any claim which the Department may otherwise have arising out of this Agreement.

9.00 Contracts of the Agency:

9.01 Third Party Agreements: Except as otherwise authorized in writing by the Department, the Agency shall not execute any contract or obligate itself in any manner requiring the disbursement of Department funds, including consultant or construction contracts or amendments thereto, with any third party with respect to the project without the written approval of the Department. Failure to obtain such approval shall be sufficient cause for nonpayment by the Department. The Department specifically reserves unto itself the right to review the qualifications of any consultant or contractor and to approve or disapprove the employment of the same.

9.02 Compliance with Consultants' Competitive Negotiation Act: It is understood and agreed by the parties hereto that participation by the Department in a project with an Agency, where said project involves a consultant contract for engineering, architecture or surveying services, is contingent on the Agency complying in full with provisions of Section 287.055, Florida Statutes, Consultants Competitive Negotiation Act. At the discretion of the Department, the Agency will involve the Department in the Consultant Selection Process for all projects. 11.00 Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion (Applicable to all federal-aid contracts – 49 CFR 29)

By signing and submitting this Agreement, the Agency is providing the certification set out below:

The inability of the Agency to provide the certification set out below will not necessarily result in denial of participation in this covered transaction. The Agency shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the Department's determination whether to enter into this transaction. However, failure of the Agency to furnish a certification or an explanation shall disqualify the Agency from participation in this transaction.

The certification in this clause is a material representation of fact upon which reliance was placed when the Department determined to enter into this transaction. If it is later determined that the Agency knowingly rendered an erroneous certification, in addition to other remedies available, the Department may terminate this transaction for cause of default.

The Agency shall provide immediate written notice to the Department if any time the Agency learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. The terms "covered," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. Contact the Department for assistance in obtaining a copy of those regulations.

The Agency further agrees by executing this Agreement that it shall not knowingly enter into any contracts with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department.

The Agency further agrees by submitting this Agreement that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the Department, without modification, in all contracts and in all solicitations for contracts.

The Agency may rely upon a certification of a prospective sub-contractor that the person or entity is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. The Agency may decide the method and frequency by which it determines the eligibility of its sub-contractors. The Agency may, but is not required to, check the nonprocurement portion of the "Lists of Parties Excluded From Federal Procurement or Nonprocurement Programs" (Nonprocurement List) which is compiled by the General Services Administration.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of the Agency is not required to exceed that which is normally processed by a prudent person in the ordinary course of business dealings.

Unless authorized by the Department, if the Agency knowingly enters into a contract with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available, the Department may terminate this agreement for cause or default.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion:

The Agency certifies, by execution of this Agreement, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

Where the Agency is unable to certify to any of the statements above, an explanation shall be attached to this proposal.

12.00 Restrictions, Prohibitions, Controls, and Labor Provisions:

12.01 Equal Employment Opportunity: In connection with the performance of any project, the Agency shall not discriminate against any employee or applicant for employment because of race, age, religion, color, sex, national origin, disability or marital status. The Agency will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, age, religion, color, gender, national origin, disability or marital status. Such action shall include, but not be limited to, the following: employment upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Agency shall insert the foregoing provision in all contracts modified only to show the particular contractual relationship in all its contracts in connection with the development of operation of the project, except contracts for the standard commercial supplies or raw materials, and shall require all such contractors to insert a similar provision in all subcontracts, except subcontracts for standard commercial supplies or raw materials. 12.06 Prohibited Interests: Neither the Agency nor any of its contractors or their subcontractors, shall enter into any contract, subcontract, or arrangement in connection with the project or any property included or planned to be included in the project in which any member, officer, or employee of the Agency or the locality during his tenure, or for two years thereafter, has any interest, direct or indirect. If any such present or former member, officer, or employee involuntarily acquires or had acquired any such interest prior to the beginning of his tenure, and if such interest is immediately disclosed to the Agency, the Agency with prior approval of the Department may waive the prohibition contained in this subsection, provided, that any such present member, officer or employee shall not participate in any action by the Agency or the locality relating to such contract, subcontract, or arrangement.

The Agency shall insert in all contracts entered into in connection with the project or any property included or planned to be included in any project, and shall require its contractors to insert in each of its subcontracts, the following provision:

The Agency will be responsible for securing any applicable permits.

13.02 Department Not Obligated to Third Parties: The Department shall not be obligated or liable hereunder to any party other than the Agency.

13.03 When Rights and Remedies Not Waived: In no event shall the making by the Department of any payment to the Agency constitute or be construed as a waiver by the Department of any breach of covenant or any default which may then exist on the part of the Agency and the making of such payment by the Department, while any such breach or default shall exist, shall in no way impair or prejudice any right or remedy available to the Department with respect to such breach or default.

13.06 State Law: Nothing in the Agreement shall require the Agency to observe or enforce compliance with any provision thereof, perform any other act or do any other thing in contravention of any applicable state law, provided, that if any of the provisions of the Agreement violate any applicable state law, the Agency will at once notify the Department in writing in order that appropriate changes and modifications may be made by the Department and the Agency to the end that the Agency may proceed as soon as possible with the project.

The Agency and the Department will evaluate the claim and report their findings to each other within 14 working days and will jointly discuss options in defending the claim. After reviewing the claim, the Department will determine whether to require the participation of the Agency in the defense of the claim or to require the Agency defend the Department in such claim as described in this section. The Department's failure to promptly notify the Agency of a claim shall not act as a waiver of any right herein to require the participation in or defense of the claim by the Agency. The Department and the Agency will each pay its own expenses for the evaluation, settlement negotiations, and trial, if any. However, if only one party participates in the defense of the claim at trial, that party is responsible for all expenses at trial.

After resolution of these comments and recommendations to the Department's satisfaction, the Department will issue to the Agency written approval regarding the remainder of the project. Failure to obtain this written approval shall be sufficient cause for nonpayment by the Department.

Certification is required prior to advertisement for or solicitation of bids for construction of the project, including those projects for which no right of way is required.
