**9. Background:**  
Beginning with FY 01/02 The Board of County Commissioners approved funding the ADA Standard Compliance Improvement project to ensure that County facilities adhered to ADA requirements mandated in 1991 and later amended in 1997. Since that time, over \$1 million has been spent to upgrade County facilities to bring them into compliance with the ADA standards.

Facilities Management staff has increased their effort to bring facilities up to the current ADA code. Additional funding is needed to enable staff to continue to correct deficiencies at County facilities.
