

**Lee County Board Of County Commissioners  
Agenda Item Summary**

**Blue Sheet No. 20060723**

**1. ACTION REQUESTED/PURPOSE:**

Approve an addition of \$10,162.00 to Purchase Order No. 74571 to Standard Industrial Structures Corp. (SISCORP), for the purpose of changing door sizes and adding removable panels to the steel building housing the air pollution control equipment (WTE expansion project), as specified by the County's design engineer. Total price will now amount to \$981,731.00 prior to adjustments due to steel cost indexing as allowed by the original order.

**2. WHAT ACTION ACCOMPLISHES:** Provides change to PO 74571 reflecting revised purchase price including cost for changes/additions.

**3. MANAGEMENT RECOMMENDATION:** Staff Recommends the action requested.

**9. Background:**

The enclosure building being supplied by Siscorp requires certain modifications in order to allow removal of the induced draft fan. Such modifications could not have been anticipated in the original design because the fan sizing was not yet established by the air pollution control manufacturer. Final design of the fan is now established and requires the removable panels. Change in overhead door size provides a reduction to the overall price.

Agenda Item Summary**

**Blue Sheet No. 20051669**

**1. ACTION REQUESTED/PURPOSE:**

Approve award of formal quotation (RFP B&R 2661-SA-506) and issuance of a purchase order to Standard Industrial Structures Corp. (SISCORP) the sole proposer submitting and meeting all specification requirements for a steel building to house the air pollution control equipment, with a base price of \$971,569.00 that includes an amount of \$334,985.00 representing certain steel components that are price adjustable (escalation/de-escalation) based on an agreed index. Approval also includes this price adjustment in accordance with the term sheet.

**2. WHAT ACTION ACCOMPLISHES:** Provides the necessary APC building enclosure for the Waste To Energy Expansion Project.

**3. MANAGEMENT RECOMMENDATION:** Staff recommends approval of this request.

 Department Public Works  
 Division Solid Waste  
 By: Lindsey J. Sampson

**9. Background:**

Sealed quotes were received by the County's design engineer, Burns & Roe, on behalf of the Solid Waste Division on July 25, 2005. On that date one response was received, from SISCORP, that met all technical requirements for this pre-engineered building. After review and conformance for technical and commercial requirements recommendation was made to award to SISCORP.
