9. Background:

Letters of Interest were solicited on behalf of the Board of County Commissioners for MISCELLANEOUS PROFESSIONAL SERVICES, for Lee County.

The deadline for receipt of the Letters of Interest was May 17, 2006. A total of thirty five (35) Letters of Interest were submitted by the established deadline date and time. All Letters of Interest were considered at the Competitive Negotiations Committee meeting held on May 30, 2006. The Competitive Negotiations Committee consisted of the following staff members: Scott Gilbertson, Director of Transportation as Chairman, Roland Ottolini, Natural Resources Director and Don DeBerry, DOT, Project Manager. Based on the information submitted by the Consultants in their Letters of Interest, it was the consensus of the Committee to invite twenty (20) firms for telephone interviews.

On the basis of the information submitted by the firms in their Letters of Interest and after conducting the telephone interviews on June 5, 2006, with the "short list" firms, it was the consensus of the Committee to recommend to the Board the selection of nineteen (19) firms and request Board approval for staff to commence contract negotiations with the nineteen

(19) firms as follows: Agnoli, Barber & Brundage, Inc., AIM Engineering & Surveying, Inc., Boyle Engineering Corporation, Cella & Associates, Inc., Costal Engineering Consultants, Inc., David Plummer & Associates, Inc., Dyer, Riddle, Mills & Precourt, Inc., Environmental Consulting & Technology, Hardesty & Hanover, LLP, HDR Engineering, Inc., Integrated Marking & Research Group, Johnson Engineering, Inc., Kisinger Campo & Associates Corp., LBFH, Inc., PBS&J, Pitman-Hartenstein & Associates, Inc., Stanley Consultants, Inc., T.Y. Lin International, Wilson Miller, Inc.

In accordance with Section 6 of the Contracts Manual for annual type master contracts the Board can concur with the selection of consultants and authorize staff to negotiate hourly rates and independent testing cost within the same blue sheet request. This will eliminate the need for an additional blue sheet requesting Board approval of agreements.

Because of the large amount and variety of miscellaneous professional services expected to be needed during the year, the Committee agreed that the County's interests will be served best by developing Professional Services Agreements with several firms. Accordingly, the Committee recommends that the Board of County Commissioners authorize the Committee to negotiate two year contracts with the nineteen (19) firms to provide miscellaneous professional services on a project-by-project basis with work assignments confirmed, authorized and accounted for by the issuance of Supplemental Task Authorizations.

Funds will be available within specific project budgets.
