RE: Coconut Road/I-75 Interchange Environmental Review

As a follow-up to our Board meeting on May 23, 2006 concerning discussion on an environmental analysis of DRGR lands east of the proposed Coconut/I-75 interchange, I would agree with Commissioner St. Cerny's statement that the issue should be scheduled as a Board agenda item to give the public an opportunity to comment.

To that end, I am respectfully requesting that the issue pertaining to a locally sponsored environmental analysis of the DRGR lands east of the proposed Coconut/I-75 interchange be scheduled on the next available Board of County Commissioner meeting agenda.

Thank you.
