RE: Donation of Microscope to Lee County

Tony:

Dr. Barbara Wolf, Associate Medical Examiner for District 21 Medical Examiner's office, wishes to donate a microscope to Lee County.

The microscope has two viewing stations. It allows two doctors or investigators to simultaneously view the same slide, making consultation much more efficient and timely. We find it to be a very useful tool and it will provide many years of service to the District 21 Medical Examiner's office.

If you have any questions, please let me know.

Sincerely,

Rebecca A. Hamilton, M.D.  
District 21 Medical Examiner
