9. Background:

The Lee County Emergency Management Program within the Division of Public Safety is eligible to receive \$105,806 in funding less statewide satellite costs (\$2,847/year) from the Emergency Management Preparedness and Assistance Trust Fund. The trust fund, created by the 1993 Florida Legislature after Hurricane Andrew and the "Storm of the Century's" impact upon Florida, provides funding to support local emergency management programs.

Funding eligibility is based on county certification that it complies with the requirements of Chapter 252, F.S., administrative rules and regulations governing local emergency management programs, and that grant funds will not supplant county funding. The Lee County Emergency Management Program meets the compliance requirements set forth in Chapter 252, F.S., and the appropriate rules and regulations.

The county's share of the match for grant is the level of general revenue funding provided to the Emergency Management Program. By state rule, this share is equal either to the average funding level over the past three years, or equal to the last fiscal year's funding level, whichever is lower.

Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make any further payment of funds hereunder shall, if the Division so elects, terminate and the Division may, at its option, exercise any of its remedies set forth in Paragraph (11), but the Division may make any payments or parts of payments after the happening of any Events of Default without thereby waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous Agreement with the Division shall at any time be false or misleading in any respect, or if the Recipient shall fail to keep, observe or perform any of the obligations, terms or

covenants contained in this Agreement or any previous agreement with the Division and has not cured such in timely fashion, or is unable or unwilling to meet its obligations thereunder;

(d) If the Recipient has failed to perform and complete in timely fashion any of its obligations under this Agreement.

(11) REMEDIES

Upon the happening of an Event of Default, then the Division may, at its option, upon thirty (30) calendar days prior written notice to the Recipient and upon the Recipient's failure to cure within said thirty (30) day period, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty (30) days prior written notice of such termination. The notice shall be effective when placed in the United States mail, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address set forth in paragraph (13) herein;

(b) Commence an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Exercise any corrective or remedial actions, to include but not be limited to:

1. requesting additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

2. issuing a written warning to advise that more serious measures may be taken if the situation is not corrected,

3. advising the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

(f) Exercise any other rights or remedies which may be otherwise available under law.

(g) The pursuit of any one of the above remedies shall not preclude the Division from pursuing any other remedies contained herein or otherwise provided at law or in equity. No waiver by the Division of any right or remedy granted hereunder or failure to insist on strict performance by the Recipient shall affect or extend or act as a waiver of any other right or remedy of the Division hereunder, or affect the subsequent exercise of the same right or remedy by the Division for any further or subsequent default by the Recipient.

(12) TERMINATION

(a) The Division may terminate this Agreement for cause upon such written notice as is reasonable under the circumstances. Cause shall include, but not be limited to, misuse of funds; fraud; lack of compliance with applicable rules, laws and regulations; failure to perform in a timely manner; and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Florida Statutes, as amended.

(b) The Division may terminate this Agreement when it determines, in its sole discretion, that the continuation of the Agreement would not produce beneficial results commensurate with the further expenditure of funds, by providing the Recipient with thirty (30) calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience as evidenced by written amendment of this Agreement. The amendment shall establish the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after the date of receipt of notice of the termination will be disallowed. Notwithstanding the above, the Recipient shall not be relieved of liability to the Division by virtue of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold any payments to the Recipient for purpose of set-off until such time as the exact amount of damages due the Division from the Recipient is determined.

(b) By its execution of this Agreement, the Recipient authorizes the Division to pay on its behalf \$2,847 for the recurring charges for the satellite communications service from the total allocation provided to Recipient of \$105,806.

(c) Any advance payment under this Agreement is subject to Section 216.181(16), Florida Statutes, and is contingent upon the Recipient's acceptance of the rights of the Division under Paragraph (12)(b) of this Agreement. The amount which may be advanced may not exceed the expected cash needs of the Recipient within the first three (3) months of the

contract term. For a federally funded contract, any advance payment is also subject to federal OMB Circulars A-87, A-110, A-122 and the Cash Management Improvement Act of 1990. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds.

1. No advance payment is requested.
2. _____ An advance payment of \$ _____ is requested.

(d) After the initial advance, if any, payment shall be made on a quarterly reimbursement basis. Additional reimbursement requests in excess of those made quarterly may be approved by the Division for exceptional circumstances. The Recipient agrees to expend funds in accordance with the Budget, Attachment A, and the Scope of Work, Attachment B and B-1 of this Agreement.

If the necessary funds are not available to fund this Agreement as a result of action by Congress, the State Legislature, the Office of the Chief Financial Officer, State Office of Management and Budgeting or the Federal Office of Management and Budgeting, all obligations on the part of the Division to make any further payment of funds hereunder shall terminate, and the Recipient shall submit its closeout report within thirty (30) days of receipt of notice from the Division.

The amount of funds available pursuant to this rule chapter may be adjusted proportionally when necessary to meet any matching requirements imposed as a condition of receiving federal disaster relief assistance or planning funds.

Any requests received after November 1, 2007, may, in the discretion of the Division, not be reimbursed from this Agreement. Reimbursement requests shall not be submitted by facsimile transmission.

Recipient's general revenue funding for 911 services, emergency medical services, law enforcement, criminal justice, public works or other services outside the local emergency management agency as defined by Section 252.38, Florida Statutes, shall not be included in determining the "level of county funding of the Recipient's Emergency Management Agency." The Recipient shall certify compliance with this rule chapter and this rule by its execution of this Agreement, and as a condition precedent to receipt of funding.

Federal funds provided under this Agreement shall be matched by the Recipient dollar for dollar from non-federal funds.

Should the Recipient wish to carry forward into the fiscal year beginning October 1, 2007 any unspent funds awarded under this Agreement, the Recipient must request such carry forward of funds in writing with accompanying documentation detailing the exceptional circumstances requiring the need to the Division by June 30, 2007. At the Division's discretion, an amount not to exceed an amount equal to 25% of the initial amount awarded (\$105,806) may be carried forward under this Agreement. Failure to timely submit information, or failure to submit complete information, may result in the denial of a request to carry funds forward. Any carry forward amounts approved will be added to the Recipient's base Agreement for the following year.
