9. Background:

On August 15, 2006, the Board approved Blue Sheet No. 20060985 awarding the purchase of the Electric Control and Auxillary Control Panels to Carter & Crawley, Inc., the low priced proposer for this equipment. During fabrication and assembly of this equipment it is required that certain changes an additions be made to accommodate certain third party equipment input and output control signals in order to provide two complete systems for the WTE expansion project. A portion of the additional funds is being provided to expedite delivery of the control panels.

 Division Solid Waste
 By: Lindsey J. Sampson

9. Background:

Sealed quotes were received by the County's design engineer, Burns & Roe, on behalf of the Solid Waste Division in May 2006 with adjustments in June 2006. Proposals were received from two pre-qualified vendors. After review and determination of conformance for technical and commercial requirements recommendation was made to award to the low-priced proposer meeting all specification requirements, Carter & Crawley, Inc.

An allowance of approximately 10% is requested for modifications that may be required upon the receipt of finalized third party instruments that will be placed within these control panels. Such information is expected during the next month.
