The time at which payment shall be due from the DISTRICT shall be forty-five (45) days from receipt of a proper invoice and acceptance of deliverables, based on compliance with the statutory requirements set forth in Section 218.70, F.S. and upon satisfaction of the DISTRICT conditions that are detailed herein. If all conditions are met and payment is not made by the DISTRICT in this timeframe, interest shall accrue after 30 days at the rate of 1% per month on the unpaid balance. The VENDOR must invoice the DISTRICT for any accrued unpaid interest.

INDEMNIFICATION. For value received, the VENDOR shall indemnify and hold the DISTRICT, its officers, directors, board members, agents, assigns, and employees harmless from liabilities, damages, losses and costs, including, but not limited to reasonable attorneys' fees, to the extent caused by the negligence, recklessness or intentionally wrongful conduct of the VENDOR and other persons employed or utilized by the VENDOR in the performance of the PURCHASE ORDER. The VENDOR further acknowledges that it is solely responsible for ensuring its compliance and the compliance of its subcontractors, suppliers, agents, assigns, invitees and employees with the terms of this PURCHASE ORDER. This paragraph shall survive the expiration or termination of this PURCHASE ORDER.

In accordance with DISTRICT Rule 40E-7, Part II, P.A.C., "material breach" is defined as any substantial, unexcused non-performance by failing to perform an act that is an important part of the transaction or performing an act inconsistent with the terms and conditions of the PURCHASE ORDER. If the VENDOR materially fails to fulfill its obligations under this PURCHASE ORDER, the DISTRICT will provide written notice of this deficiency by forwarding a Cure Notice citing the specific nature of the material breach. The VENDOR shall have thirty (30) days to cure the breach. If the VENDOR fails to cure the breach within the thirty (30) day period, the DISTRICT shall issue a Termination for Default Notice. Once the DISTRICT has notified the VENDOR that it has materially breached its PURCHASE ORDER with the DISTRICT, the DISTRICT's Governing Board shall determine whether the VENDOR should be suspended from doing future work with the DISTRICT, and if so, for what period of time. The VENDOR further understands and accepts that this PURCHASE ORDER shall be either void or subject to immediate termination by the DISTRICT, in the event there is any misrepresentation or lack of compliance with the laws and regulations of the U.S. Department of Treasury and/or the mandates of Section 287.133 or Section 287.134, respectively, Florida Statutes. The DISTRICT, in the event of such termination, shall not incur any liability to the VENDOR for any work or materials furnished.

The DISTRICT assumes no duty with regard to the supervision of the CONTRACTOR and the CONTRACTOR shall remain solely responsible for compliance with all safety requirements and for the safety of all persons and property at the site of performance under the PO.

The hourly rate of pay for each employee shall comply with state law and industry standards for similar work performed under the CONTRACT. The CONTRACTOR shall maintain records verifying the rate of pay for each employee working on this CONTRACT and make such records available for inspection on demand by the District. STATEMENT OF WORK Gator Slough/Yellow Fever Creek Transfer Facility

1.0 Introduction

The watershed of the greater Charlotte Harbor has a total area of approximately 4,468 square miles. The estuary itself is the second largest open water estuary in the state. It is 30 miles long and seven miles wide with a total area of 270 square miles. Rapid urban development has radically changed the character and ecology of the tributaries and coastal waters. Mangroves have been removed or cut back, red tide events cause public health warnings, seagrass areas have declined or have been damaged, and groundwater pumping has reached its maximum limit. Although the main body of Charlotte Harbor and its adjacent estuarine systems are in comparatively good condition compared to severely damaged areas, the watershed reflects the pressure of human activities by urbanization. If the watershed's population continues to grow at predicted growth rates, these pressures must be addressed to prevent further threats to natural systems and to protect current uses of resources.

The Gator Slough is the focus of a joint project conducted by Lee County and the South Florida Water management District. The Gator Slough canal system serves as a tributary to the Matlacha Pass, then to the Charlotte Harbor. As a proactive method to aid in the protection of the Charlotte Harbor and Matlacha Pass, we propose to reconnect the Gator Slough Canal system to the Yellow Fever Creek. Gator Slough once fed the Yellow Fever Creek, but this is no longer, due to urbanization.

2.0 Objectives

The goal of this project is to return the hydrological historical flows to the Yellow Fever Creek with an incremental approach by transferring surface water from the Gator Slough Canal system. This project would improve the area's overall water quality by reducing and balancing the fresh water peak inflows to the Matlacha Pass and Charlotte Harbor, by transferring these excess surface water flows to the Caloosahatchee River. The overall system will mimic the historical patterns and distributions.

3.0 Scope of Work

To design and construct an operable inter-connect facility between the Gator Slough Canal and Yellow Fever Creek in North Fort Myers/Northeastern Cape Coral. The project would transfer surface waters during periods of high flows from Gator Slough Canal system located just north of Del Prado Boulevard (S22-T43-R24) to the Yellow Fever Creek near Littleton Road through a constructed water control structure. The project will utilize existing dedicated rights of ways, City of Cape Coral lands, and Lee County owned lands.

4.0 Work Breakdown Structure

Task 1: Preliminary Agreement: Lee County shall obtain a memorandum of understanding (MOU) with the City of Cape Coral outlining the conditions under which surface water can be transferred from the Gator Slough Canal system to Yellow Fever Creek.

Task 2: Engineering and Permitting

Hire a consultant to design and acquire all necessary permits for the proposed construction project.

Deliverables: Submission of invoice for reimbursement accompanied by a set of proposed construction plans.

5.0 County Responsibility (In-Kind Service Contributions)

Lee County shall be responsible for acquiring all necessary permits in order to construct subject project. Lee County shall be responsible for the satisfactory completion of all work under this project including the hiring of contractors and the oversight of the work. Lee County shall be responsible for any operational maintenance of the project after successful completion.

6.0 Payment And Deliverables Schedule

This is a cost share project with anticipated funding of \$600,000.00 from the Lee County Department of Natural Resources, and the District's share is not to exceed share of \$100,000.00.

Task	Deliverable	*District Not-to-Exceed Payment	**Lee County Match	Completion Date
Task 1	Plans and Permit	\$100,000	\$100,000	September 30, 2007
Total		\$100,000	\$100,000	

*In no event shall the District's total obligation exceed \$100,000.00 as specified above. The District shall only be obligated to pay for documented actual expenditures within the not-to-exceed amount specified above.

**Lee County shall provide evidence its minimum 50% cost share has been met for each invoice submitted.

PURCHASE ORDER TERMS AND CONDITIONS

This PURCHASE ORDER constitutes a binding contract between the South Florida Water Management District (DISTRICT) and the VENDOR as named on the PURCHASE ORDER when accepted by the VENDOR either by express acknowledgment or by commencement of shipment without reservations.

INVOICES AND PAYMENTS. The VENDOR shall submit a separate invoice for each purchase order or purchase release after each delivery. Invoices for other than lump sum payments shall be substantiated by adequate supporting documentation, including an itemization of the date, hours expended, description of the deliverable, and, if applicable, transportation charges, the bill of lading and the freight waybill. The VENDOR's invoices shall reference the DISTRICT's PURCHASE ORDER number and shall be mailed to ACCOUNTS PAYABLE, South Florida Water Management District, Box 24682, West Palm Beach, FL 33416-4680. It is the policy of the DISTRICT that payment for all goods and services shall be made in a timely manner and that interest payments are made on late payments. In accordance with Florida Statutes, Section 218.70, Florida Prompt Payment Act, a "proper" invoice is defined as an invoice that conforms to all statutory requirements and all DISTRICT requirements as specified in the PURCHASE ORDER for invoice submission. The time at which payment shall be due from the DISTRICT shall be forty-five (45) days from receipt of a proper invoice and acceptance of deliverables, based on compliance with the statutory requirements set forth in Section 218.70, F.S. and upon satisfaction of the DISTRICT conditions that are detailed herein. If all conditions are met and payment is not made by the DISTRICT in this timeframe, interest shall accrue after 30 days at the rate of 1% per month on the unpaid balance. The VENDOR must invoice the DISTRICT for any accrued unpaid interest.

INDEMNIFICATION. For value received, the VENDOR shall indemnify and hold the DISTRICT, its officers, directors, board members, agents, assigns, and employees harmless from liabilities, damages, losses and costs, including, but not limited to reasonable attorneys' fees, to the extent caused by the negligence, recklessness or intentionally wrongful conduct of the VENDOR and other persons employed or utilized by the VENDOR in the performance of the PURCHASE ORDER. The VENDOR further acknowledges that it is solely responsible for ensuring its compliance and the compliance of its subcontractors, suppliers, agents, assigns, invitees and employees with the terms of this PURCHASE ORDER. This paragraph shall survive the expiration or termination of this PURCHASE ORDER.

TERMINATION FOR DEFAULT. In accordance with DISTRICT Rule 40E-7, Part II, F.A.C., "material breach" is defined as any substantial, unexcused non-performance by failing to perform an act that is an important part of the transaction or performing an act inconsistent with the terms and conditions of the PURCHASE ORDER. If the VENDOR materially fails to fulfill its obligations under this PURCHASE ORDER, the DISTRICT will provide written notice of the deficiency by forwarding a Cure Notice citing the specific nature of the material breach. The VENDOR shall have thirty (30) days to cure the breach. If the VENDOR fails to cure the breach within the thirty (30) day period, the DISTRICT shall issue a Termination for Default Notice. Once the DISTRICT has notified the VENDOR that it has materially breached its PURCHASE ORDER with the DISTRICT, the DISTRICT's Governing Board shall determine whether the VENDOR should be suspended from doing future work with the DISTRICT, and if so, for what period of time. Should the DISTRICT terminate for default in accordance with this provision, the DISTRICT shall be entitled to recover recoupment costs in addition to all other remedies under law and/or equity.

TERMINATION FOR CONVENIENCE. The DISTRICT may terminate this PO with or without cause at any time for convenience upon 30 calendar days prior written notice to the VENDOR. In the event of termination for convenience, the DISTRICT shall compensate the VENDOR for all authorized and accepted deliverables and/or services completed through the date of termination in accordance with the Statement of Work. The DISTRICT shall be relieved of any and all future obligations hereunder, including but not limited to lost profits and consequential damages, under this PURCHASE ORDER. The DISTRICT may withhold all payments to the VENDOR for such work until such time as the DISTRICT determines the exact amount due to the VENDOR. In the event a dispute arises which the project managers cannot resolve between themselves, the parties shall have the option to submit to nonbinding mediation.

RECORDS RETENTION/AUDIT. The VENDOR shall maintain all records, books and documents pertinent to the performance of this PURCHASE ORDER in accordance with generally accepted accounting principles consistently applied. The DISTRICT shall have inspection and audit rights to such records for a period of 5 years from final payment under this PURCHASE ORDER. Records relating to any legal disputes arising from performance under this PURCHASE ORDER shall be made available until final disposition.

NONDISCRIMINATION. The VENDOR hereby assures that no person shall be excluded on the grounds of race, color, creed, national origin, handicap, age or sex, from participation in, denied the benefits of, or otherwise be subjected to discrimination in any activity hereunder. The VENDOR shall take all measures necessary to effectuate these assurances.

PUBLIC ENTITY CRIMES/SDN LIST. The VENDOR, by its execution of this PURCHASE ORDER or by commencement of shipment with reservations, acknowledges and attests that neither it, nor any of its suppliers, subcontractors or consultants who shall perform work which is intended to benefit the DISTRICT is included on the U.S. Department of Treasury's List of Specially Designated Nationals and Blocked Persons, is a State of Florida convicted vendor or is included on State of Florida's discriminatory vendor list; and if the VENDOR or any affiliate of the VENDOR has been convicted of a public entity crime or has been placed on the discriminatory vendor list, a period longer than 36 months has passed since placement on one of either of these lists. The VENDOR further understands and accepts that this PURCHASE ORDER shall be either void or subject to immediate termination by the DISTRICT, in the event there is any misrepresentation or lack of compliance with the laws and regulations of the U.S. Department of Treasury and/or the mandates of Section 287.133 or Section 287.134, respectively, Florida Statutes. The DISTRICT, in the event of such termination, shall not incur any liability to the VENDOR for any work or materials furnished.

PUBLIC ACCESS. The VENDOR shall allow public access to all project documents and materials in accordance with the provisions of Chapter 119, Florida Statutes. Should the VENDOR assert any exemptions to the requirements of Chapter 119 and related Statutes, the burden of establishing such exemption, by way of injunctive or other relief as provided by law, shall be upon the VENDOR.

DISTRICT'S TAX EXEMPTION. The VENDOR shall not utilize the DISTRICT's exemption certificate number issued pursuant to Sales and Use Tax Law, Chapter 212, Florida Statutes, when purchasing materials used to fulfill its contractual obligations with the DISTRICT. The VENDOR shall be responsible and liable for the payment of all applicable FICA/Social Security and other taxes resulting from this PURCHASE ORDER.

ASSIGNMENT/GUARANTOR. The VENDOR shall not assign, delegate or otherwise transfer its rights and obligations as set forth in this PURCHASE ORDER without the prior written consent of the DISTRICT. Any attempted assignment in violation of this provision shall be null and void. The VENDOR shall not pledge the DISTRICT's credit or make the DISTRICT a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness.

FORCE MAJEURE. Notwithstanding any provisions of this PURCHASE ORDER to the contrary, the parties shall not be held liable for any failure or delay in the performance of this PURCHASE ORDER that arises from fires, floods, strikes, embargoes, acts of the public enemy, unusually severe weather, outbreak of war, restraint of Government, riots, civil commotion, force majeure, act of God, or for any other cause of the same character which is unavoidable through the exercise of due care and beyond the control of the parties. Failure to perform shall be excused during the continuance of such circumstances, but this PURCHASE ORDER shall otherwise remain in effect.

AMENDMENTS. This Purchase Order may be amended or rescinded only with the written approval of the parties hereto.

The Florida Uniform Commercial Code (Chapters 671-679, Florida Statutes) shall control definitions. As part of the services to be provided by the CONTRACTOR under this PO, the CONTRACTOR shall substantiate, in whatever forum reasonably requested by the DISTRICT, the methodology, lab analyses, scientific theories, data, reference materials and research notes to formulate its opinions and testimony. This paragraph shall survive the expiration or termination of this PO. The parties agree that time is of the essence in the performance of each and every obligation hereunder. In the event CONTRACTOR

Such amount includes all expenses the CONTRACTOR may incur and therefore no additional compensation shall be authorized. The CONTRACTOR, by executing the PO or by commencement of work without reservations, certifies to truth-in-negotiation, specifically, that wage rates and other factual unit costs supporting the consideration are accurate, complete and current at the time of contracting. If the total consideration for this PO is subject to multi-year funding allocations, funding for each applicable fiscal year of this PO will be subject to DISTRICT Governing Board budgetary appropriation. In the event the DISTRICT does not approve funding for any subsequent fiscal year, this PO shall terminate upon expenditure of the current funding, notwithstanding other provisions in this PO to the contrary. The DISTRICT will notify the CONTRACTOR in writing after the adoption of the final DISTRICT budget for each subsequent fiscal year if funding is not approved for this PO.

INSURANCE. The CONTRACTOR shall procure and maintain, through the term of this PO, insurance coverage reflecting, at a minimum, general liability and automobile liability each with a limit of not less than \$300,000.00, and all Florida statutory workers' compensation insurance. The coverage required shall extend to all employees and subcontractors of the CONTRACTOR. The attached Certificate of Insurance shall be completed in full, indicating the producer, insured, carrier's name, and BEST rating, policy numbers and effective and expiration dates of each type of coverage required. The CONTRACTOR shall grant to the DISTRICT a perpetual, non-transferable, non-exclusive right to use any proprietary software, if any. Any equipment purchased by the CONTRACTOR with DISTRICT funding shall be returned and title transferred from the CONTRACTOR to the DISTRICT upon expiration or termination of the PO.

COMPLIANCE/LICENSES. The CONTRACTOR, its employees, subcontractors or assigns, shall obtain, at its own expense, all licenses, permits and other authorizations necessary to comply with all applicable federal, state and local laws and regulations relating to the performance of the PO. The DISTRICT undertakes no duty to ensure such compliance but will attempt to advise the CONTRACTOR, upon request, as to any such laws of which it has present knowledge.

APPLICABLE LAW/VENUE. The laws of the State of Florida shall govern all aspects of the PO. In the event it is necessary for either party to initiate legal action regarding the PO, venue shall be in the Fifteenth Judicial Circuit for claims under state law and in the Southern District of Florida for any claims which are justiciable in federal court.

INDEPENDENT CONTRACTOR. The CONTRACTOR shall be considered an independent contractor and nothing in this PO shall be interpreted to establish any relationship other than that of an independent CONTRACTOR between the parties and their respective employees, agents, subcontractors or assigns, during or after the term of the PO. Both parties are free to enter into contracts with other parties for similar services. The DISTRICT assumes no duty with regard to the supervision of the CONTRACTOR and the CONTRACTOR shall remain solely responsible for compliance with all safety requirements and for the safety of all persons and property at the site of performance under the PO.

SEVERABILITY. Should any term or provision of this PO be held, to any extent, invalid or unenforceable, as against any person, entity or circumstance during the term hereof, by force of any statute, law, or ruling of any forum of competent jurisdiction, such invalidity shall not affect any other term or provision of this PO, to the extent that the PO shall remain operable, enforceable and in full force and effect to the extent permitted by law. Instructions for all notices are set forth on the PO.

The mediation process shall be confidential to the extent permitted by law.

The CONTRACTOR shall be responsible for verifying employee authorization to work in the U.S. and certifying that a good faith effort has been made to properly identify employees by timely reviewing and completing appropriate documentation, including but not limited to, USCIS Form I-9. Written verification shall be kept by the CONTRACTOR and made available for inspection on demand by the District. The hourly rate of pay for each employee shall comply with State law and industry standards for similar work performed under the CONTRACT. The CONTRACTOR shall maintain records verifying the rate of pay for each employee working on this CONTRACT and make such records available for inspection on demand by the District. Failure to comply with these provisions shall be a material breach of the CONTRACT and cause for termination of the CONTRACTOR.

CHANGE IN PERSONNEL. The District may at any time and at its sole discretion request that the CONTRACTOR replace any CONTRACTOR personnel provided by the CONTRACTOR to work on this CONTRACT if the District believes that it is in the best interest of the District to do so. The District may, but will not be required to provide a reason for requesting the replacement of personnel. Such change in personnel shall be made immediately upon the District's written request for a change of personnel.
