10. Background:

   Florida Statute 194.015 provides that three (3) members of the Board of County Commissioners will serve as representatives on the Value Adjustment Board. Two (2) School Board members comprise the remaining board members. With the concurrence of the Property Appraiser's Office, Agricultural Classifications and Exemption denials will be heard in August, prior to the normal hearing process for assessment petitions. Because the BOCC will not be meeting during the month of July, the VAB organizational meeting will need to be held in June, 2007 to consider routine annual VAB matters, to review applications for Special Magistrate positions, and to refer all petitions to Special Magistrates for hearings.
