Introduction to Passport Service

The Americans with Disabilities Act (ADA) of 1990 prohibits discrimination and ensures equal opportunity and access for persons with disabilities. Lee County's Paratransit service, called Passport, is offered in strict accordance with the ADA. Passport is a shared-ride door-to-door service for persons with physical, cognitive, visual and/or other disabilities, which functionally prevent them from using the LeeTran fixed route bus system, either permanently or under certain conditions.

The Passport program provides transportation services sponsored by the Federal Transit Administration (FTA) and Florida Commission for the Transportation Disadvantaged (TD). Passport can be used for medical appointments, work, and other trips depending on the funding program the applicant qualifies under.

ADA Eligibility Requirements

Eligibility for paratransit service is directly related to the functional ability of individuals with disabilities to use fixed route transit services. Eligibility is not based on a diagnosis or type of disability. Disability alone does not confer or create eligibility for Passport service.

There are three categories under which a person can be eligible for demand response service:
Category 1: Eligibility includes those persons, who, because of their disability, cannot independently use a regular, accessible bus. **Category 2:** Eligibility is based on the accessibility of vehicles and terminals/stops (i.e., a person is able to use the regular bus, but it is not accessible). **Category 3:** Eligibility pertains to situations in which a person cannot travel independently to or from a bus stop.

Transportation Disadvantaged (TD) Eligibility Requirements

The TD Program is a "last resort" program for those persons, including children as defined in s. 411.202 F.S., who because of physical or mental disability, income status, or inability to drive due to age or disability are unable to transport themselves or purchase transportation and have no other form of transportation available. These persons are, therefore, dependent upon others to obtain access to health care, employment, education, shopping, or medically necessary or life-sustaining activities.

Eligibility Criteria	
ADA	TD
<ul style="list-style-type: none"> • The origin and destination of your trip is within ¾ mile from a fixed route. • You have a recognized disability verified by a medical professional. • You are unable to utilize LeeTran's fixed route. 	<ul style="list-style-type: none"> • Those persons who because of a physical or mental disability, income status, or age are unable to transport themselves or to purchase transportation, or children who are handicapped or high-risk or at-risk. • Household income must meet a maximum of 200% of the current Federal Poverty Guidelines.

In-Person Interview

The determination of ADA paratransit and TD eligibility, including the application of conditional trip-by-trip eligibility, often require more than a paper application. In-person interviews and functional assessments may be necessary to determine whether a particular individual can perform the functional tasks needed to use fixed route service independently. Interviews, whether in person or by phone, allow those making eligibility determinations to solicit additional information from applicants as needed. Through in-person interviews, an evaluator can also determine environmental, architectural, and personal barriers that may impact an applicant's ability to safely and independently access public transportation.

Per Federal Transit Administration (FTA) Circular 4710.1, Chapter 9.5.1, transit agencies that require in-person interviews and functional assessments consider applications complete at the conclusion of interviews and assessments, not when applications are received.

Processing of Passport applications can take up to 21 calendar days. The 21-day period begins AFTER the applicant's assessment or interview has been completed.

The Passport Application and Medical Certification form must be thoroughly completed and signed before submitting. **The Medical Certification form must be completed by a Medical Licensed Professional.**

Medicaid Transportation

LeeTran is not the Medicaid Transportation Provider. Medicaid clients may receive their Medicaid transportation through the local Florida Managed Medical Assistance Provider (MMA). Medicaid clients must call the Medicaid Enrollment Help Line for information regarding MMA enrollment, benefits, and **Medicaid medical transportation at 1-800-226-6735.**

What if I am approved service?

If you are approved for Passport service, you will receive an approval letter in the mail outlining how to use the service. You will be required to pay a \$3.00 fare every time you board the vehicle. Reservations for the trip should be made at least 24 hours in advance for ADA trips and 48 hours in advance for TD trips.

What If I am denied service? How do I appeal?

If your application is denied, you will receive the basis for the determination in writing. You will also receive the Passport appeals request form and appeals procedure. You have sixty (60) calendar days to appeal the decision. LeeTran will contact you by phone to schedule an appeal hearing. If necessary, transportation can be provided to the hearing at no cost to you.
