Notes: The County is receiving a percentage discount off the pricing list provided by the Vendors. Percentage discount is located within the contract documents. Price lists are provided as separate documents on the County webpage.

2. BASIS OF AWARD

2.1. It is the County's intent to award to a library of Vendors that are responsive, responsible, and meet the County's requirements and specifications. This will allow individual departments and divisions to use the Vendor that has the needed product that best supports the department's needs. The County reserves the right to purchase the product or service listed in this bid elsewhere at its sole discretion.

3. DISCOUNT PERCENTAGE PRICING

3.1. Vendor shall submit prices as a flat discount percentage to be deducted from the current manufacturer's web-based catalog prices or an established manufacturer's price list.

3.2. Vendor shall be required to bid each line with one of the following:

- Discount percentage off manufacturer's price.
- "0%" if the Vendor carries materials from the manufacturer and no discount percentage is being offered.
- "N/A" if the Vendor does not offer materials from the manufacturer.

3.2.1. Discount percentage must be provided as a flat percentage (i.e., 25% off Rainbird Manufacturer items). The County will not accept a "range" percentage off the listed Manufacturers item (i.e., 10% - 25% off Rainbird Manufacturer items). Where a "range" discount percentage is bid, the County may deem the associated Vendor Non-Responsive at its sole discretion.

3.3. Vendor shall provide a flat discount percentage that will be applied to items on the Vendor's website list pricing or current catalog list pricing.

3.4. Discounts specified per bid schedule shall be applied to each individual product of the manufacturer ordered and shall remain firm for the entire contract term, inclusive of any renewals.

3.5. Discount percentage shall include all delivery charges.
