**Background:**

Procurement Management advertised to obtain bids for Cummins remanufactured engines to fulfill the needs of LeeTran. On the bidding deadline of January 27, 2017, Procurement Management received one bid. The single submittal was deemed responsive and responsible and is recommended for award for use on an as needed basis for Cummins remanufactured engines.

Cummins Remanufactured engines purchase projections for upcoming fiscal years is based on the following:

- #1 Cummins engine failures historically occur at the 6 yr. bus life or 300,000 mile interval or after.
- #2 Cummins engine failures occur per national trends between buses mileages of 250,000 to 400,000 miles operated.

- 1) Bid Tabulation
- 2) Proposed Contract- Associated Fuel Systems, Inc.
