 - 26.3.1. The proposer acted in good faith in submitting the proposal,
 - 26.3.2. The mistake in proposal preparation that was of such magnitude that to enforce compliance by the proposer would cause a severe hardship on the proposer,

1. a corporate resolution by the Board of Directors, or
2. an extract of minutes, or

If the company's articles of incorporation identify additional positions that have the power to bind the corporation, we will accept the articles of incorporation with verification from the president that a certain individual serves in that role (e.g., the president confirms that John Doe is the CEO, and the articles of incorporation provide that the CEO has the power to bind the company).
