All Sales by Kaba Ilco Corp. (hereinafter "Kaba Ilco") are expressly conditioned on these Standard Terms & Conditions of Sale (the "Terms"). By accepting an offer contained in a Kaba Ilco quotation to which these Terms are attached, or by otherwise purchasing goods from Kaba Ilco, the customer (hereafter "Buyer") creates a legally binding agreement based upon the terms and conditions contained herein (the "Order"). Any terms or conditions included by Buyer in an acceptance of a Kaba Ilco offer and/or included with any purchase order for goods and/or services to be purchased by Buyer (the "Products") shall not apply and are hereby rejected in their entirety. Acceptance of and/or performance by Kaba Ilco of a purchase order from Buyer for purchase of the Products shall not constitute acceptance of Buyer's added terms and conditions, if any, unless Kaba Ilco's acceptance specifically states otherwise.

- 1) **PRICES.** Prices are subject to change without notice and are not guaranteed. All orders will be invoiced at net prices in effect on date of shipment.
- 2) **TAXES.** Prices do not include any federal, state, municipal, or other governmental taxes, duties, levies, or other charges, including any sales, documentary, use, excise, purchase, turnover and/or import taxes, consular fees, and customs duties. The amount of any such taxes and fees will be added to the purchase price paid by Buyer.
- 3) **TERMS.** Standard payment terms are net 30 days. Kaba Ilco reserves the right to add a 1½% per month carrying charge on all invoices 30 days past due. For example: an invoice dated April 15th will be considered past due on May 16th and the carrying charge will be added to the May 30th statement.
- 4) **ORDER ACCEPTANCE.** Kaba Ilco reserves the right to refuse any orders which may be received and will not be bound to fill any order until it has been accepted. If the order is declined, notification will be provided within 14 working days of receipt of the order. Kaba Ilco makes an effort to identify and correct invalid product numbers. However, orders must contain valid, complete Kaba Ilco product number to avoid delays and assure that the item(s) will be shipped correctly.
- 5) **CREDIT.** Kaba Ilco retains a purchase money security interest in all goods and materials which have been or are hereafter acquired by Buyer with credit granted by Kaba Ilco ("Collateral"). Upon any default by Buyer, Kaba Ilco shall have the rights of a secured party under the Uniform Commercial Code as adopted by the State of North Carolina, as amended. Kaba Ilco may require Buyer to assemble the Collateral at a place designated by Kaba Ilco. Buyer shall reimburse Kaba Ilco for all costs (including reasonable attorney's fees) incurred in collecting any amounts due to Kaba Ilco or executing its interest hereunder. In addition to any other right or remedy hereunder, Kaba Ilco shall have at all times the right to offset any obligation of Buyer to Kaba Ilco against any obligation of Kaba Ilco to Buyer. If in Kaba Ilco's sole judgement any doubt arises at any time as to the ability of the Buyer to pay for the products, or if the Buyer at any time is past due in payment of any amount owing to Kaba Ilco, Kaba Ilco may (without liability and without prejudice to any other remedies, and regardless of any schedule of shipment or payment to the contrary), delay production, postpone any shipment or stop any product in transit until Kaba Ilco shall have received payment in full of all amounts, whether or not then due, owing to it by the Buyer. In case of any such postponement, the price of the products affected shall be the price in effect on the date of final shipment when released, orders are subject to standard lead times which will be calculated from the release date.
- 6) **MINIMUM ORDERS.** Orders with a value of \$100.00 or less may be accepted for processing or not at Kaba Ilco's option.
- 7) **ORDER MODIFICATIONS.** Kaba Ilco will accept changes to purchase orders until they have been entered into our order processing system. Once an order has been entered, changes are permissible only with approval.
- 8) **DELIVERY; FAILURE TO ACCEPT DELIVERY.** Shipping schedule estimates are based on our best judgment and are not guaranteed, nor can these estimates be considered legally binding. Kaba Ilco will notify Buyer if for any reason it is unable to deliver the Products as scheduled, and Kaba Ilco cannot be held liable for any damages of any nature resulting from these delays. If Buyer fails to accept delivery at the scheduled time, the purchase price shall become due and payable in accordance with the payment terms set forth herein, and all risks associated with the Products or parts of the Products to be delivered, shall be borne by the Buyer. Buyer shall be responsible for all storage and handling costs incurred and to be incurred as a result thereof.
- 9) **FREIGHT ALLOWANCE.** All shipments are F.O.B. Rocky Mount, NC, USA. The risk of loss related to the Products shall transfer to Buyer when the Products are accepted by the carrier. Any cartage, inside delivery or handling charges between freight destination and customer warehouse are to be paid by the customer. Freight will be prepaid on orders for \$1750 or more net to one destination within the 48 contiguous states and Canada by the routing of our choice. If customer specifies other routing, the difference will be invoiced. Priority shipments are not prepaid and may be subject to special handling charges. Should Buyer request a shipping method or carrier different than Kaba Ilco's standard, then the full amount of the shipping cost will be invoiced to the Buyer.
- 10) **TITLE.** Ownership of the Products shall remain with Kaba Ilco until full payment of the sale price has been received. Until complete payment has been received, Buyer undertakes to warrant and keep the goods free and clear of all liens, other charges or encumbrances.
