7 Brands...One Invoice in a Flash!

Note that some products may not be available in Canada as well as some of the programs offered in this price book may differ between the USA and Canada.

Please contact your sales representative for more information.

The ASSA ABLOY FlashShip™ program, with products from your favorite brands of Markar, McKinney, Norton, Pemko, Rixson, Rockwood and Yale, offers the convenience of placing ONE purchase order coupled with 24-hour processing. Same day order entry and eligibility for buying program discounts makes this your one-stop for these popular products!

What types of products are available on the FlashShip program?

- Markar, McKinney and Pemko continuous and architectural hinges
- Pemko thresholds, gasketing, and aluminum geared hinges
- Rixson pivots, stops and holders
- Rockwood door hardware and trim
- Norton door controls
- Yale mortise locks, Grade 1 and Grade 2 cylindrical locks/deadbolts, exit devices, door closers, nexTouch® keypad access locks and others

FlashShip™

How do I place an order?

FlashShip WebShop

FlashShip WebShop makes ordering your favorite ASSA ABLOY products easier than ever before. Enhancements include:

- User-friendly interface for simplified navigation
- High resolution product images for easy identification
- Several ways to shop: search by keyword or filter by product type
- Streamlined order & payment processing for quick checkout
- Saved order history - reorder in just a few clicks
- Helpful ordering tools including Quick Order, multiple carts, and lists

Traditional Order Submittal.

1. Use the FlashShip Order Form found in the current FlashShip program catalog OR prominently indicate "FlashShip Program" on purchase order
2. Use the part numbers listed in the FlashShip catalog to indicate products
3. Fax all orders to 877-888-2772 or email to FlashShip@assaabloy.com

Notes:

- Minimum order is $100
- Prepaid freight on orders over $1,750
- Only products listed in the FlashShip program catalog are eligible
- Reference the program catalog for a complete list of Terms & Conditions

Ordering Tips

- Please submit ASSA ABLOY FlashShip™ Product Orders and Plant Product Orders on separate order forms.
- Please use FlashShip™ Order Forms for all FlashShip™ Product Orders and include FlashShip™ Part Numbers.
- Order Forms are included in the Yale® Price Book and at www.yalecommercial.com.
- Please include Job Name and Registry Number for all contract orders.
- Keyed Lead Sheets A and B are required for contract orders that require Master Keying.
- Remember to include Keysets on all contract orders.
- Be sure to include Handing for mortise locks and exit devices.
- If you have a Quote, please include it with the purchase order. Orders without this information included may be delayed.
- Be sure to include Design.
- Be sure to include Backset and Strike on the 4300 and 5300 knobs and levers.
- Be sure to include Finish.

Ordering Tip Administrative Documentation

When submitting purchase orders for processing, please remember that certain cylinder types and/or keyways require additional administrative documentation before the order can be entered.

Purchase orders will be held and questioned if the following keyway/cylinder types do not have the proper administrative documentation submitted with each purchase order:

- Yale® KeyMark® products
- Security cylinders and keys
- High security cylinders and keys

All of the above product types must be accompanied by additional administrative documents unless they are shipping direct to the end user facility. These administrative documents include, but may not be limited to, the following:

- Letter of Authorization – must be submitted on the end user facility letterhead, dated and signed by an authorized individual from the facility. Letter must be quantity-specific for certain product types. Yale® does not keep letters of authorization on file.

Checklist

Before placing your order, check for the following ...

- Purchase Order on Company Letterhead
- Purchase Order is Legible
- Purchase Order Number
- Account Number
- Ship To Address
- Contact Person for additional information requirements
- Pricing Requirements – Buying Program or Quote (please attach)
- FlashShip™ Order (FlashShip™ Order Form or FlashShip™ #'s Included)
- Contract Order (Keyed Lead Sheets attached)
- Keysets for ALL Keyed Product
- Handing (if applicable)
- Design (if applicable)
- Backset & Strike (if applicable)
- Finish (if applicable)

Key Stamping Definitions And Rules

Below are stamping codes and their definitions:

Code	Definition
VKC0	No keyset, registry number, or bitting stamping any keys. Includes master keys and change keys. Keys will be stamped with keyway designation. (Keys will be tagged.)
VKC1	Master keys stamped with their keyset symbol and registry number. Change keys stamped with their keyset symbol. (Standard for high security, security and Yale® KeyMark® cylinders.)
VKC2	Master keys stamped with their keyset symbol and registry number. Change keys stamped with their keyset symbol. Cylinders stamped with their keyset symbol on the face of the plug. (Not available for high security cylinders, security cylinders or Yale KeyMark.)
VKC3	Master keys stamped with their keyset symbol and registry number. Change keys stamped with their bitting. Cylinders stamped with their keyset symbol on the face of the plug. (Not available for high security cylinders, security cylinders or Yale KeyMark.)
CKC2	Master keys stamped with their keyset symbol and registry number. Change keys stamped with their keyset symbol. Cylinders stamped with their keyset symbol in a concealed location.
CKC3	Master keys stamped with their keyset symbol and registry number. Change keys stamped with their bitting. Cylinders stamped with their keyset symbol in a concealed location. (Not available for high security cylinders, security cylinders or Yale KeyMark.)

The following examples indicate what will be stamped on the thumb (logo) side of the keys when the codes are used. (Thumb side is determined by holding the key normally in your right hand.)

1. KEYS FOR MASTER KEYED CYLINDERS

A. Master Keys:

Code	Stamping	Location	Example
VKC0	NONE	-------	Keys will be tagged
VKC1, VKC2, VKC3, CKC3, or CKC3	Registry Number Keyset	Top Line Bottom Line	R69596 GMA
No VKC or CKC	Registry Number Keyset	Top Line Bottom Line	R69596 GMA

B. Change Keys:

Code	Stamping	Location	Example
VKC0	NONE	-------	Keys will be tagged
VKC1, VKC2 or CKC2	Keyset NONE	Top Line Bottom Line	AA1
VKC3, CKC3 or No VKC, No CKC	System + Bitting NONE	Top Line Bottom Line	E253653

2. CHANGE KEYS FOR KEYED RANDOM CYLINDERS

Code	Stamping	Location	Example
N/A	System + Bitting NONE	Top Line Bottom Line	E253653

3. CHANGE KEYS FOR 0-BITTED CYLINDERS

Code	Stamping	Location	Example
	NONE		

In addition, other standard practices for stamping Yale® keys are:

- For all Yale keys the keyway is stamped on the index finger side (non-logo side) of the key.
- The keyway will not be stamped on the key for stock keyway (Para), or keys for security cylinder, high security cylinders or Yale KeyMark®.
- "Do Not Duplicate" or any special stamping will be stamped on the index finger side (non-logo side) of the key.
- The Yale logo is standard on all keys unless otherwise requested.
- VKC1 is standard for all keys for high security cylinders, security cylinders and Yale KeyMark.
- VKC2, VKC3 or CKC3 is not available with high security cylinders, security cylinders or Yale KeyMark.
- All Yale KeyMark keys are coined on the index finger side of the key with the Yale logo. All stamping is done on the thumb side.

Website

Yale Locks & Hardware's website at www.yalecommercial.com is the place to go for all your Yale product information needs. Easy-to-navigate menus and intuitive icons allow simple and fast access to the latest on new products, as well as the most up-to-date catalogs, templates and installation instructions.

From the Yale website, you can click to the ASSA ABLOY eBusiness site. This site, for Yale account customers only, provides information about your orders, invoices and RGAs. See the eBusiness section below for more information.

Ebusiness

Visit www.yalecommercial.com to sign up for eBusiness access.

ASSA ABLOY Door Security Solutions provides sales and support for Yale Locks & Hardware.

To sign up for eBusiness, follow the simple instructions below. Register today!

eBusiness offers anytime access to:

- Place Orders with On-Line Order Entry
- Order Status
- Order Check by P.O.
- Stock Status Check
- Cross Reference Guide
- Key Systems Administrative Forms
- Key Wizard® Ordering
- Newsletters
- Online Store
- Contact Webmaster
- Extended Literature (Price Books, Order Forms, Keyed Lead Sheets)
- Order Acknowledgement
- Invoice
- Return Good Authorizations

How to sign up for eBusiness:

Step 1: Visit our website at www.yalecommercial.com.
Step 2: Click Extranet in bottom navigation bar.
Step 3: Click "Sign up for a New Account" to complete our eBusiness sign-up form.

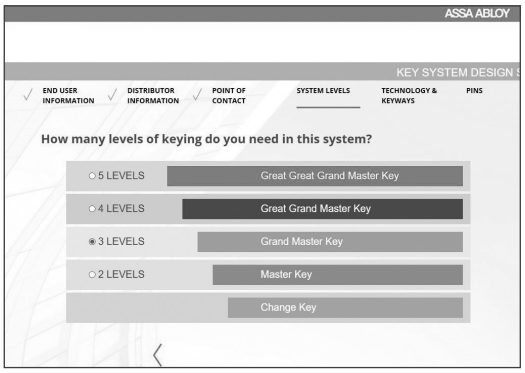
Key System Design Studio

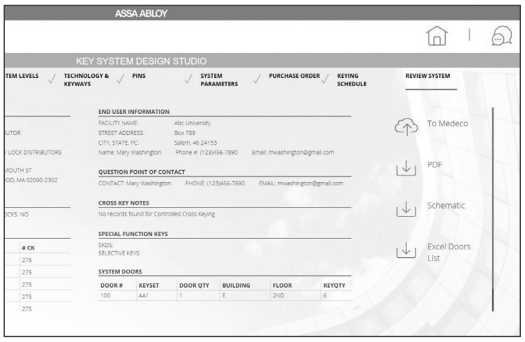
The ASSA ABLOY Key System Design Studio is an online portal that walks the user step-by-step through the master key system design process. With intuitive customer interface and enhanced features, the Key System Design Studio eliminates missing information, speeding up system creation and order processing. The system asks the user to answer specific questions about the systems parameters and functionality, ensuring that all required information is captured and that the system created is optimized for the customer's needs.



Select desired system parameters

Benefits:

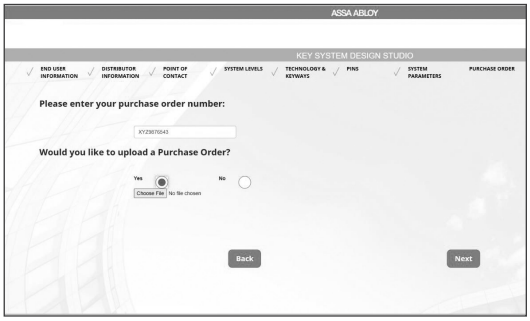
- Eliminates need to fill out paper forms with easy to use online portal
- Eliminates missing information which can delay system creation and order processing
- Streamlines the master key system request process with intuitive user interface



Download system schematic or doors list

Features:

- **Drag and drop keying tree** – easily sort and change keying tree to desired configuration
- **Dynamic upload** – users can upload their own door and key schedules for automatic population into a new system
- **Dynamic download** – users can download systems they have created any time without having to contact the master key department
- **Easy order submission** - save processing time by submitting product order along with the system request.



Submit product order along with system request

To access the Key System Design Studio:

Terms & Conditions

ACCEPTANCE
Yale® reserves the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion.

Purchase Orders, Quote requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on Yale, unless such terms and conditions are approved in a separate written agreement by Yale authorized representatives. In the event of an acceptance of Purchaser's Purchase Order by Yale, the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in Purchaser's Purchase Order. The terms and conditions in Purchaser's Purchase Order which conflict with the terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between Yale and the Purchaser.

In the event that Yale does not enforce or require strict performance of any term or condition hereof, or of any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of Yale to enforce or require strict performance of such term or condition in the future.

PRICES
All prices are subject to change without notice and are not guaranteed. All shipments will be made at prices in effect at the time of shipment.

Possession of this price list does not constitute an agreement to sell. We reserve the right to correct clerical, stenographic and other obvious errors at any time.

TERMS
Invoices dated the 1st through the 15th will be due for 2% discount on the *10th of the following month. Invoices dated the 16th through the 31st will be due for 2% discount on the *25th of the following month. *Net immediately thereafter. (Yale retains the right to sell or to decline to sell to any Customer for any reason whatsoever that in its judgment is deemed sufficient.)

It is understood that Yale may impose and charge a finance charge which is the lesser of one and one-half percent (1-1/2%) per month or the highest rate allowed by law on any amount which becomes past due and delinquent. Additionally the Customer shall be responsible for all collection costs, court costs and reasonable attorney's fees (where allowed by law) in connection with the recovery of any delinquent amount.

FREIGHT
All orders are shipped FOB factory/warehouse, except as expressly provided below. When delivered to the Transportation Company, the Purchaser assumes the risk of loss or damage in transit.

Customer orders with net product value in excess of $7,000.00 will be shipped prepaid by the Yale carrier of choice to a single destination point in the United States.

Customer orders with net product value less than $7,000.00 will be shipped prepaid by the Yale carrier of choice and freight and handling charges will be added to the customer's invoice. A minimum freight and handling charge of $15.00 will be charged on orders with net product value of $400.00 or less. The minimum freight and handling charge will not apply to orders for only Cut (bitted) keys of any type, Master keys, Master keyed cylinders or padlocks and factory generated bitting lists that do not have any other product types included on the order. Freight on these orders will be charged as the percentage of invoice value.

For orders with net product value greater than $400.00 and less than $7,000.00, freight charges will be calculated as a percentage of the net invoice value and will be added to Customer's invoice. The percentage is based on the National U.S. Average On Highway Diesel Fuel Prices as reported by the US Department of Energy in effect at the beginning of each quarter. On the first Monday of each quarter, the new rate will be published on the Yale and Door Security Solutions extranet and will go into effect on the 2nd Monday of the quarter. Please refer to the Yale distributor extranet for the rate chart and information on the current freight charge percentage. The percentage in effect at the time of shipment of the order will be charged. Great Grand Master keys, Grand Master keys, Master keys, Construction Master keys, Control Keys, and Change Keys which are shipped separate from customer order for security reasons, on orders with total net product value in excess of $7,000.00 will be shipped prepaid by the Yale carrier of choice. If the total order value is less than $7,000.00, the shipping charges will be added to Customer's invoice.

If a customer provides their own freight account number for the freight charges, Yale will apply a handling fee of $25.00 to the invoice.

Expedited shipping options – If the customer requests an expedited method of shipment such as "Next Day Air" the charges will be prepaid by Yale and the full rate for the service, as published by the carrier, will be added to the customer's invoice.

Packing – Yale will pack, mark and ship the products according to its standard procedures for shipment, unless the parties agree, in writing, that Yale will comply with any special instructions provided by the customer. Special instructions must be submitted, in writing, at time of order placement. Compliance with special instructions may result in an increased price.

MINIMUM ORDER
Minimum order value for complete product is $250.00 net product value.
The minimum order value for parts orders is $100.00 net product value.
In the event that the net product value does not meet the required net minimum, Yale may, at its sole discretion (a) apply a minimum order charge, (b) reject the order or (c) waive the minimum requirement provided that the waiver of the requirement for one order shall not constitute a waiver of the requirement for any future orders.

The following products are exempt from this policy: Cut (bitted) keys of any type, Master keys, Master keyed cylinders or padlocks and factory generated bitting lists.

QUOTATIONS
If Yale elects to offer a quote, such quote will be valid until the expiration date on that quote. Complete shipment of the order must be accepted by Purchaser within standard lead times.

The quote number must be referenced on the order. Any invoiced order that has the incorrect discount applied to it and did not have
the quote number written on the order will have a service fee of $100.00 net DEDUCTED from any sales credit issued for the difference in discount.

The quote is null and void if the Purchase Order does not include ALL product lines listed on the quote or if the quantities for any item covered by the quote deviate by 10% or more.

With the issuance and acceptance of a quote for the purchase of products, the Purchaser agrees that products so purchased will not be resold or transferred to any Distributor not authorized by Yale to sell its products. This would be inclusive of branches of the quoted Distributor. Failure to abide by this restriction may result in the Distributor's ineligibility for Quotations, or other actions at Yale discretion.

Yale and its sales representatives reserve the right, in their sole discretion and for any reason, to refuse a Distributor's request to quote a price other than the Yale standard list price and regardless of whether Yale or its sales representatives have previously quoted discounted prices to the Distributor on some or all of its orders.

NON-CATALOGED PRODUCTS
Products not cataloged or listed in this price book will be considered as special products, and will not be manufactured without prior written approval from Yale.

A minimum special handling charge of $50.00 will be added for non-cataloged product. Any additional labor or material required will be charged accordingly. If products have already been made and/or are located in the shipping room, the 45% reprocessing fee will apply.

Special products require special handling, and therefore standard lead times may not apply. Please consult with your Yale® Sales Representative for further details.

CHANGES/CANCELLATION OF ORDERS
Changes or cancellations to an order will result in a charge of costs for material and labor expenses that have been incurred prior to notification from Customer. Handling charges are billed on Customer's original order. If products have already been made and/or are located in the shipping room, the 45% change/cancellation fee will apply.

All Non-Cataloged Goods may not be changed or cancelled.

Yale Commercial is a business associated with ASSA ABLOY Access and Egress Hardware Group, Inc., an ASSA ABLOY Group company. Copyright © 2002-2023, ASSA ABLOY Access and Egress Hardware Group, Inc.
All rights reserved. Reproduction in whole or in part without the express written permission of ASSA ABLOY Access and Egress Hardware Group, Inc. is prohibited. Contact us at: 855-557-5078 or visit www.yalecommercial.com.
In Canada contact us at: 800-461-3007 or visit http://www.assaabloydss.ca.

Terms & Conditions

All change requests for goods, other than for the reasons stated above, must be submitted in writing to Customer Service within two (2) business days of receipt of acknowledgment of the order.

FLASH
- Orders received prior to 1pm EST will ship within 24 hours
- Electrified products - Maximum 50 locks per order
- Orders cannot be changed or cancelled due to the promptness of delivery

QUICK SHIP
- Orders received prior to 4:30 EST will ship within 5 working days
- Standard Buying Program discount applies
- Orders can be changed or cancelled within 24 hrs of receipt unless the product is already in the process of being made
- If the product has been made the 45% cancellation fee will apply
- Due to the promptness of delivery changes or cancellations cannot be made if request is received after 24 hrs of receipt of the order without incurring a 45% cancellation fee
- The cancellation charges are billed on the Customer's original order

ADD-ON ORDERS TO QUOTE
Any new order requesting special pricing to match an existing quote number, which has already been ordered, will be accepted up to sixty (60) days after the acknowledgement of the original order. All add-on orders must reference the original factory order number and the corresponding quote number to receive the quoted pricing discount. Add-on orders for stock will not be accepted.

PACKAGING
Many items are defined as to Case Lot Packaging or Minimum Order. The Case Lot policy does not apply to hardware to be used on a specific hardware project.

DELIVERY
Orders will be acknowledged and given a scheduled delivery date based on estimated manufacturing lead times. Complete information is required to process all orders. Orders with insufficient information for processing (i.e. door sizes, handing, etc.) may be subject to extended lead times which are relative to the time required in obtaining the necessary information for order processing. Manufacturing lead time will begin once all information is received to process an order. Yale will use reasonable efforts to deliver products as estimated, but makes no guarantees as to delivery dates.

Yale will not be liable for back charges incurred based on availability of product or as a result of delays in delivery caused by insufficient information required to process an order. Yale will not be held responsible for delays in delivery caused by strikes, fires, floods or any other causes beyond our control, including the delivery of material to us. Under no circumstances shall Yale be liable or accountable for consequential damages due to failure of delivery.

CLAIMS
In the event of Company or Customer error, claims for shortages, pricing errors and/or incorrectly filled orders must be submitted in writing to Customer Service within thirty (30) days from receipt of material.

Any claims for shortages or damage by the Carrier must be made by the Customer directly to the Carrier.

INVOICE DEDUCTION
A Yale Sales Representative or Customer Service Representative must be notified of any disputed invoices within sixty (60) days from the date of invoice. Deductions should only be taken for the disputed amount and the balance of the invoice is due and payable within standard payment terms.

RETURNED GOODS
It is the policy of Yale to not accept returns of any materials that are correctly furnished as per the Distributor's Purchase Order. Return of product due to customer order error or accommodation must be pre-arranged with Yale and approved in writing by Yale Sales Management.

No Returns accepted for the following: Specials, Anything Used, Discountinued, Modified or Damaged Product, Electrical Products, Incomplete Products (e.g. missing keys, levers, roses, etc) or 10B Finished products.

All products returned as "Goodwill" must meet the following criteria to be considered a return:
- Be in original, unmarked and undamaged cartons.
- Be valued in excess of $250.00 net.
- Shipped and invoiced within the previous 120 days.
- Can't be custom, non-cataloged goods, master-keyed or Yale Quick Ship Product or 10B Finished products.

A MINIMUM reprocessing fee of 45% will be charged. Upon receipt and verification by Yale that the returned merchandise meets the foregoing conditions, a credit will be issued for the original invoice amount less the MINIMUM 45% reprocessing fee.

"Goodwill" products that meet the foregoing criteria may be returned by fulfilling the following conditions:
- Send an RGA request in writing to the Yale Sales Representative serving the Purchaser's area.
- Ensure the RGA labels that are sent to Purchaser by Yale are visible on return goods shipment.
- Ensure that the RGA number appears on the return shipment label and is legible.
- Return the authorized merchandise within sixty (60) days from the date of RGA issuance date.
- Return shipments must be freight prepaid to the location specified on the RGA. Yale is not liable for damages to product during shipping.

No credit may be taken or issued prior to RGA approval and receipt of product.

All defective goods within the terms of our limited warranty may be returned for credit or replacement.

TAXES
Prices do not include any present or future Federal, State, or Local property, license, privilege, sales, use, excise, gross receipts or other like taxes or assessments, which may result from transactions or any services performed in connection herewith.

GOVERNING LAW
The rights and obligations of the parties shall be governed by the laws of the State of North Carolina, excluding any conflicts of law provisions. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.

LIMITED WARRANTY
The Terms and Conditions outlined above are subject to the Yale Limited Warranty, which is included in this Price List and incorporated herein by reference.

PRODUCT MODIFICATIONS
Yale products are not designed or intended for aftermarket modification. The warranty on Yale products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. Warranty voiding modifications include, but are not limited to, third-Party electrification of non-electric products and/or the installation of non-approved or non-Yale components.

If a Yale product is modified it no longer meets industry certification and quality control standards applicable to the original product and is no longer a genuine Yale product. A modified product may not be sold as a Yale product and no Yale® trademarks or certification marks based on the original Yale product, such as U.L. or ANSI/BHMA marks, may appear anywhere on the modified product or on any packaging, literature, or instructions sold with the modified product.

All original Yale branded packaging and literature carries Yale trademarks and must be destroyed if the original Yale product is modified. Portions of the product that carry a Yale trademark or certification mark must be discarded and/or replaced by the party making the modification. U.L. and other certification testing and marking are also the responsibility of the party making modification. The use of Yale trademarks on modified products constitutes trademark infringement.

CYLINDERS FOR COMPETITOR PRODUCTS
Cylinder Service Fee: YALE cylinders or cores for use in non-YALE manufactured locking devices for which YALE has an equivalent, will be assessed an additional Cylinder Service Fee. This fee applies to masterkeyed cylinder only orders, 1 bitted high security cylinders and zero or 1 bitted restricted cylinder orders.

DELAYED ORDER NOTIFICATIONS (DON'S)
The orders awaiting a response for a DON will be cancelled if no answer is received from the customer after 5 Days.

Terms And Conditions

FIRE RATED OPENINGS
Any retrofit or other field modification to a fire rated opening can potentially impact the fire rating of the opening, and Yale makes no representations or warranties concerning what such impact may be in any specific situation. When retrofitting any portion of an existing fire rated opening, or specifying and installing a new fire-rated opening, please consult with a code specialist or local code official (Authority Having Jurisdiction) to ensure compliance with all applicable codes and ratings.

TRADEMARK USE POLICY: ASSA ABLOY AMERICAS
The following policy ("Policy") of ASSA ABLOY Americas ("ASSA ABLOY"), and all of its affiliated group companies (collectively, the "Group Companies"), applies to the use of certain intellectual property of all such Group Companies, including all trademarks, names, logos, product images, and related information (the "ASSA ABLOY Marks"). ASSA ABLOY Marks are proprietary and critical to the success of ASSA ABLOY and the Group Companies, and may only be used in strict compliance with this Policy.

This Policy covers any person or entity reselling any product of any Group Company with the consent of such Group Company (each, an "Approved Reseller"). Each Approved Reseller has a non-exclusive right to use certain of the ASSA ABLOY Marks relating to any of the Group Companies for which it is an Approved Reseller, subject to the following conditions:

(1) Approved Reseller's use of ASSA ABLOY Marks must be truthful, fair, and not misleading;
(2) Approved Reseller's advertising must clearly indicate that it is advertising of the Approved Reseller, and is not advertising of ASSA ABLOY;
(3) Approved Reseller may not use any ASSA ABLOY Marks as part of or in connection with a domain name;
(4) Approved Reseller's advertising must not imply or suggest an association between the Approved Reseller and ASSA ABLOY other than that of buyer and seller;
(5) Approved Reseller's use of ASSA ABLOY Marks must be a positive representation of ASSA ABLOY, the Group Companies, and their products;
(6) Approved Reseller's trade name must be more predominant on Approved Reseller's advertising than the ASSA ABLOY Marks;
(7) Approved Reseller's use of ASSA ABLOY Marks must include the trademark symbol ® or TM, as appropriate, along with the following trademark legend printed in legible text on the Web page or document containing ASSA ABLOY Marks:
"[describe ASSA ABLOY Marks] are trademarks or registered trademarks of ASSA ABLOY, Inc. or one of its affiliates in the United States and other countries.";
(8) Approved Reseller must not make modifications of any ASSA ABLOY Marks; and
(9) Approved Reseller may use only ASSA ABLOY Marks associated with the Group Companies for which it is an Approved Reseller (e.g., an Approved Reseller that sells Group Company X products but not Group Company Y products may use Group Company X trademarks in connection with its sale of Group Company X products, but may not use Group Company Y trademarks).
ASSA ABLOY reserves the right to review Approved Reseller's usage of ASSA ABLOY Marks at any time and may:

(a) require changes to the use of ASSA ABLOY Marks at any time in its sole discretion, which changes must be implemented within 30 days of written notice to Approved Reseller;
(b) condition the use of ASSA ABLOY Marks on ASSA ABLOY's prior approval of such use, which approval may be withheld in its sole discretion;
(c) revoke permission to use ASSA ABLOY Marks at any time for any or no reason upon 30 days prior written notice to Approved Reseller; and
(d) revoke permission to use ASSA ABLOY Marks immediately upon notice to Approved Reseller in the event Approved Reseller is in violation of this Policy, or of any other agreement with ASSA ABLOY or any Group Company.

Approved Reseller's right to use ASSA ABLOY Marks in no way conveys to Approved Reseller any proprietary or economic interest in any ASSA ABLOY Marks.

Use of ASSA ABLOY Marks in violation of this Policy may result in severe civil and criminal liabilities. ASSA ABLOY will vigorously enforce this Policy by seeking all appropriate legal remedies, including, but not limited to, pecuniary damages and injunctive relief.

TECHNICAL INFORMATION AND ADVICE
(a) All designs, data, and specifications provided by Company are proprietary and will not be disclosed or reused by Customer without the prior written consent of Company; (b) Company assumes no obligation or liability for any advice given by Company, the results obtained, or damages incurred, and all such advice is given and accepted at Customer's risk.

Limited Warranty

Yale Security, Inc. (the "Company") warrants that its products sold under the Yale® trade name in the United States of America & Canada are free from defects in work-manship and materials under normal use and service.

This warranty does not cover defects or damage arising from improper installation, lack of or improper maintenance, improper storage, shipping and handling, corrosion, erosion, ordinary wear and tear, misuse, abuse, accident, unauthorized service, or use with unauthorized non-Yale products or parts. This warranty is void if any modification is made to the product, regardless of whether the modification causes or contributes to the alleged defect. All modifications are made at the risk of the party making the modification.

The only liability of the Company in tort or contract whether under this warranty or otherwise shall be limited to the repair or replacement of any product or component part which shall prove defective as covered by this warranty, within the stated time frame listed below, after delivery to the original purchaser.

Electromechanical:
All components of electromagnetic products are covered by a limited warranty period of one year after invoice date thereof of the original purchaser from us.

Keying Systems:
All bittings shall be originated or authorized by the Yale Key Systems Department to be compatible with one another in a specific type of cylinder (conventional, patented, security, high security, interchangeable core) and within a particular keying system.

Warranty for Cylinders Factory or Field Combinated:
Cylinders shall be periodically lubricated depending on environmental conditions. Dry graphite, molybdenum disulfide or Polylube™ are recommended. Petroleum based liquid lubricants should only be used in cylinders in harsh or corrosive environments and should not be mixed with dry lubricants. Cylinder and/or core warranty will be voided if used in non-Yale locking devices.

Warranty for Cylinders Field Combinated:
1. Keys shall be cut to the Yale key bitting specifications required for the particular keyway and depth system.
2. All pin lengths shall be selected according to prevailing factory standards.
3. Original Yale cylinders and cylinder components, including pin tumblers and key blanks, shall be used. We reserve the right to void the warranty if we deem that a malfunction is a result of non-original components which do not conform to Yale standards.

General Procedure
Product repair or replacement, or associated charges, will not be accepted under this warranty unless prior authorization from Yale has been given. Upon receipt of products returned for repair or replacement, we will determine whether products qualify for repair or replacement under this warranty. If they do not, we will obtain authorization prior to proceeding. We have no liability to pay any costs of repair performed by anyone other than qualified personnel authorized by Yale prior to the work being done.

The Company will not pay for the cost of repair performed other than in accordance with this warranty. Written notice of a product or component part believed to be defective as covered by this warranty should be sent to Yale Security, Inc., 1902 Airport Road, Monroe, North Carolina 28110, and should include your name and address, an identification of the product or component part and a brief description of the defect. Upon receipt of such notice, the Company will inform you where to ship such product or component part, shipping charges prepaid for examination and, in the event such examination reveals a defect covered by this warranty, the product will be repaired or replaced. The Company reserves the right to replace discontinued product with an equivalent product as deemed by the Company.

THIS WARRANTY IS IN LIEU OF ALL OTHER EXPRESS WARRANTIES. TO THE EXTENT PERMITTED BY LAW, ALL IMPLIED WARRANTIES ARE LIMITED TO THE DURATION OF THIS WARRANTY. YALE SECURITY, INC. SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

Key Systems Security Policy

The purpose of this security policy is to enforce our policies concerning high security, security and protected keyway product, as well as master key system information. The purpose for the establishment of any security system is to provide an increased level of protection for the Facility owner.

No master key system information or security related product is to be given or sold to anyone other than the Facility owner through written correspondence. Verification must be submitted (fax copy will be acceptable) to Key Systems Administration. The verification must be on the Facility's letterhead and signed by a Facility authorized systems administrator. Key Systems Administration does not maintain "Letters of Authorization" on file. Each order must be accompanied by proper authorization.

Only after the authorization has been verified will the order be processed for production.

This security policy refers to the following:

- Bitting information (even one bitting, absolutely no top-level master keys)
- Bitting lists (all formats; i.e., hard copy, disc)
- High Security systems
- Security cylinder systems

No orders are to be processed through Key Systems Administration without proper authorization.

Only orders with appropriate authorization attached will be given priority.

Requests for Systems information without proper authorization from the owner will be denied.

Requests for information regarding the purchase of any systems support products as listed above will be referred to the local authorized sales agency.

Key Systems Administration

CUSTOMER BITTINGS AND SAMPLE KEYS:

(MASTER KEYING OR CMK CHARGES NOT INCLUDED)

PRODUCT DESCRIPTION		LIST PRICE
Customer Bittings and Sample Keys	ADD	$16.00

NOTE: All cylinders requested to be keyed to combinations not supplied by Yale will be subject to this charge. Yale releases all liabilities to systems generated by customer-supplied bittings and/or sample keys that are supplied by others. Purchase orders with customer-supplied bittings or sample keys not meeting Yale's specifications will be processed "0" bitted in the specified keyway.

CROSS KEYING: (NO CHARGE)

Disclaimer: Yale reserves the right to release total liability of any factory-generated master key system which incorporates cross keying, both controlled and uncontrolled. A master key system incorporating cross keying yields less security and jeopardizes system expansion.

Controlled Cross Keying: A condition in which two or more different keys of the same level of keying and under the same higher level key(s) operate one cylinder by design; e.g., XAA1 operated by AA2.

Uncontrolled Cross Keying: A condition in which two or more different keys under different higher level keys operate one cylinder by design; e.g., XAA1 operated by AB, AB1.

HOTEL LOCKS/CYLINDERS

When ordering a factory-keyed system that includes hotel function locks that are to be operated by the GMK, MK and change keys, all cylinders in the system have to be 7-Pin length with 7-Pin keys.

BITTING LISTS

To protect the security of keying systems, bitting lists will only be sent to the end user or his designated agent, via Certified Mail Return Receipt Requested or UPS AOD. Copies will not be transmitted via fax. The complete name and address where the bitting list is to be sent must be indicated on the letter of authorization and on the purchase order.

# Bittings	Paper	Disc	Simple K	Key Wizard	Paper Price	Disc Price	Simple K/ Key Wizard Price
1-50	KC1-YL	KCD1-YL	DLSK1-YL	DLKW1-YL	$415.00	$265.00	$340.00

*Lead times may vary; consult Key Systems Administration

NOTE: Bitting Lists requested for keysets ordered with factory keyed product for either a new or existing system will be provided at no charge, except for SimpleK DLSK1 thru DLSK7 & Key Wizard DLKW1 thru DLKW7. For existing system, pricing above will apply, for new system, see Key Management section below.

- Additional Bittings or P.O.'s for Bitting Lists Only – **EXISTING MASTER KEY GROUPS**
  Up to 10 **total** for keysets tied to **existing** master key groups will be provided at no charge 11 or more bittings will be charged per above chart
- Additional Bittings or P.O.'s for Bitting Lists Only – **NEW MASTER KEY GROUPS**
  Regardless of the quantity being requested, will be charged per above chart

These prices are for a hierarchial Master Key system with no cross-keying of selected keys. For special requirements or for systems prior to 1999, consult Key Systems Administration for a quote.

Yale releases all liabilities for cylinders not pinned to factory master key systems.

Yale is not liable for cylinders pinned incorrectly in the field.

PROGRAM B: SMALL FORMAT INTERCHANGEABLE CORES

Option 1 - Disposable SFIC (K925)

All locksets and cylinders will be provided with disposable thumbturn type cores.
No keys are required. These cores are disposable and cannot be returned.

PRODUCT DESCRIPTION	ADDED TO LOCK	ORDERED SEPARATELY
Mortise/Rim - order K625/K645 x CT6SD for 6-Pin and CT7SD for 7-Pin	$0.00	$100.00
Mortise Tapered - order K635 x CT6SD for 6-Pin and CT7SD for 7-Pin		$103.00
Cylindrical - order K925 x CT6SD for 6-Pin and CT7SD for 7-Pin		See Below

Option 2 - Lockable SFIC (K926)

All locksets and cylinders will be provided with keyed alike standard SFIC cores that are unrelated to the permanent master key system. Temporary operating and control keys are required; quantities must be specified. At the completion of the construction phase, these temporary cores may be returned.

PRODUCT DESCRIPTION	ADDED TO LOCK	ORDERED SEPARATELY
Mortise/Rim - order K625/K645 x CT6SL for 6-Pin or CT7SL for 7-Pin	$40.00	$140.00
Mortise Tapered - order K635 x CT6SL for 6-Pin or CT7SL for 7-Pin		$143.00
Cylindrical - order K926 x CT6SL for 6-Pin or 7-Pin		See Below

PROGRAM C: SFIC PRODUCTS ORDERED SEPARATELY.

PRODUCT DESCRIPTION		LIST PRICE
K925 Disposable Cores (for 6- or 7-Pin) - order in multiples of ten	EACH	$6.50
K926 (for 6- or 7-Pin) Lockable Cores - order in multiples of ten	EACH	$40.00

CUT KEYS: Specify the required number of change keys and control keys on the order. Two control keys are provided at no charge. Two change keys are provided at no charge for the first 20 units ordered. One additional change key is provided for every 10 additional units at no charge. Additional keys will be invoiced at control key price.

PERMANENT CORES: Use a separate purchase order or line item to order the permanent cores. Permanent cores will be discounted the same as the product in which the core will be used if the order is marked with the correct number of cores for each product series, original factory order number, and the Competitive Price Quotation number. Product discounts do not apply to Yale® KeyMark®

RETURN TEMP. CORES: Contact your Customer Service Representative for a Return Goods Authorization. Provide the factory order number and the year of the original order. Credit will be issued for all cores returned in good operating condition; credit is based on the net price after discount on the construction core at the time of the original order.

Yale® Keymark® Keying Charges, Keys And Key Blanks

MASTERKEY SERVICES: The value-added service of a customized masterkey security solution is provided when requested for a nominal charge with the purchase of complete Yale® keyed locking devices. In addition to the standard masterkeying charge, a masterkey service charge will be assessed, based on quantity, cylinder type, key system type, for an order that includes only Yale cylinders or cores for use in non-Yale manufactured locking devices for whichYale has an equivalent.

KEYING CHARGES:

PRODUCT DESCRIPTION		LIST PRICE
Masterkeying, Grand Masterkeying, Great Grand Masterkeying (all fixed core cylinders, charge for each cylinder)	ADD	$16.00
Masterkeying, Grand Masterkeying, Great Grand Masterkeying (LFIC and SFIC Cores)	ADD	$0.00
Uncombinated Cylinders and Cores - key blanks not included	DEDUCT	$5.00

CONSTRUCTION MASTER KEYING:

For security reasons, Yale® KeyMark® cylinders are not available construction master keyed. Temporary construction cores are available for both SFIC and LFIC. Temporary cores for SFIC are available with either disposable or locking cores. Temporary cores for LFIC are available with only lockable cores. Temporary cores are not available in competitor formats. See page 31 for construction core program.

VISUAL KEY CONTROL:

VARIATIONS: Exit Devices and Trims are priced separately. In order to determine the full list price of a 7000 Series Exit Device with trim, it is necessary to add the list price of the device model number and the list price of the trim model number.

STANDARD FINISHES: Products will be furnished only in the following finishes.

ANSI/BHMA CODE	FINISH DESCRIPTION
BRASS:	
605	Bright Brass, Clear Coated
606	Satin Brass, Clear Coated
BRONZE:	
611	Bright Bronze, Clear Coated
612	Satin Bronze, Clear Coated
613E	Dark Oxidized Satin Bronze - equivalent

1. 613 and 722 finishes available by Special Product Application Request only. This form is available on the Yale extranet and should be submitted to TPS.

ANSI/BHMA CODE	FINISH DESCRIPTION
CHROME:	
625	Bright Chrome Plated (540F Series Trim Only)
626	Satin Chrome Plated (trim only)
NICKEL:	
619	Satin Nickel Plated, Clear Coated
STAINLESS STEEL:	
629	Bright Stainless Steel
630	Satin Stainless Steel
PAINTED:	
693	Black Painted
BSP	Black Suede Powder Coat
WSP	White Suede Powder Coat

CYLINDERS: Standard 6-Pin cylinders included with 540F Series Rose Trim only. All other keyed trim priced less cylinder, the list price of the cylinder must be added if cylinders are required. Specify cylinder and cylinder collar with collar size.

2100 Series Exit Devices

DOOR WIDTHS: Prices are for standard sizes only. When ordering, suffix width as follows: 21X0-36, 21X0-42 or 21X0-48. No other sizes available.

VARIATIONS: Exit Devices and Trims are priced and ordered separately. In order to determine the full list price of a 2100 Series Exit Device with trim, it is necessary to add the list price of the device model number and the list price of the trim list number.

STANDARD FINISHES: Products will be furnished only in the following finishes.

ANSI/BHMA CODE	FINISH DESCRIPTION
EXIT DEVICES:	
613E	Dark Oxidized Satin Bronze - equivalent
630	Satin Stainless Steel
689	Aluminum Painted
691	Light Bronze Painted
693	Black Painted
695	Dark Bronze Painted
BSP	Black Suede Powder Coat

ANSI/BHMA CODE	FINISH DESCRIPTION
TRIMS:	
613E	Dark Oxidized Satin Bronze - equivalent
626	Satin Chrome Plated
630	Satin Stainless Steel
689	Aluminum Painted
691	Light Bronze Painted
693	Black Painted
695	Dark Bronze Painted
BSP	Black Suede Powder Coat
WSP	White Suede Powder Coat

CYLINDERS: Standard 6-Pin cylinders included with 440F, 580F Series Rose Trim only. All other keyed trim priced less cylinder, the list price of the cylinder must be added if cylinders are required. Specify cylinder and cylinder collar with collar size.

MicroShield®
ASSA ABLOY Group companies offer MicroShield®, an anti-microbial coating for door hardware. MicroShield uses proven silver ion-based technology from Agion®, a leading provider of antimicrobial solutions, to stem the spread of bacteria and other microbes.

MicroShield® is a registered trademark of ASSA ABLOY Access and Egress Hardware Group, Inc.

agion® Nature's antimicrobial
The Agion antimicrobial is not intended as a substitute for good hygiene. Coated products must still be cleaned to ensure the surfaces will be free of destructive microbes. ASSA ABLOY makes no representations or warranties, express or implied, as to the efficacy of the Agion antimicrobial. A copy of the Agion warranty is available upon request. Agion is a registered trademark of Agion Technologies, Inc., Wakefield, MA, USA.

THE YALE BRAND, with its unparalleled global reach and range of products, reassures more people in more countries than any other consumer locking solution.

THE ASSA ABLOY GROUP is the world´s leading manufacturer and supplier of locking solutions, dedicated to satisfying end-user needs for security, safety and convenience.
